Pink,2013-04-19 There are few things more important and sacred to the Christian than the Bible Upon its veracity and authenticity all of faith rises and falls Attacks upon the Scriptures are meant to undermine the credibility of Christianity itself Fortunately unlike other faiths of the world Christianity is founded upon historical events to which the 66 individual books of the Bible attest to independently Arthur W Pink in his clear profound and sharp style aptly defends the foundations of faith in Scripture by innumrating the many and diverse reasons why the Bible is worthy of the belief of a man **The Divine Inspiration of the Bible** W.
