The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs

Rebecca Lissner

The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs:

The Domestic Bases of Grand Strategy Richard Rosecrance, Arthur A. Stein, 2023-08-15 This book explores the idea of grand strategy and offers a full blown critique both theoretical and empirical of the gaps and inconsistencies that weaken modern realist theory Grand strategy the authors maintain is determined as much by domestic politics as by international pressures

The Oxford Handbook of Grand Strategy Thierry Balzacq, Ronald R. Krebs, 2021-09-13 A clearly articulated well defined and relatively stable grand strategy is supposed to allow the ship of state to steer a steady course through the roiling seas of global politics However the obstacles to formulating and implementing grand strategy are by all accounts imposing The Oxford Handbook of Grand Strategy addresses the conceptual and historical foundations production evolution and future of grand strategy from a wide range of standpoints The seven constituent sections present and critically examine the history of grand strategy including beyond the West six distinct theoretical approaches to the subject the sources of grand strategy ranging from geography and technology to domestic politics to individual psychology and culture the instruments of grand strategy s implementation from military to economic to covert action political actors including non state actors grand strategic choices the debatable merits of grand strategy relative to alternatives and the future of grand strategy in light of challenges ranging from political polarization to technological change to aging populations The result is a field defining interdisciplinary and comparative text that will be a key resource for years to come

The Liberal Illusion Katherine Barbieri, 2009-12-18 A powerful refutation of the assumption that international trade automatically promotes world peace

Wars of Revelation Rebecca Lissner, 2021-10-26 As American foreign policy experts anticipate a new Cold War with China there is no better time to reflect on the evolution of the United States grand strategy during its decades long contest with Russia Lissner shows that military interventions in Korea Vietnam and Iraq were crucibles for American foreign policy in the latter half of the 20th century testing strategic axioms on the battlefield and compelling adjustments to Washington s conception of its global role In each case these wars of revelation provided searing insights into the capabilities and intentions of America s most dangerous international adversaries as well as the potential and limits of its own national power By centering her narrative of post World War II American foreign relations on these pivotal episodes Lissner provides an historically rich and theoretically compelling narrative that will interest readers keen to understand the past present and future of US grand strategy

Building the Cold War Consensus Benjamin Fordham, 2010-05-25 In 1950 the U S military budget more than tripled while plans for a national health care system and other new social welfare programs disappeared from the agenda At the same time the official campaign against the influence of radicals in American life reached new heights Benjamin Fordham suggests that these domestic and foreign policy outcomes are closely related The Truman administration s efforts to fund its ambitious and expensive foreign policy required it to sacrifice much of its domestic agenda and acquiesce to conservative demands for a campaign against radicals in the labor movement and elsewhere Using a

statistical analysis of the economic sources of support and opposition to the Truman Administration's foreign policy and a historical account of the crucial period between the summer of 1949 and the winter of 1951 Fordham integrates the political struggle over NSC 68 the decision to intervene in the Korean War and congressional debates over the Fair Deal McCarthyism and military spending The Truman Administration's policy was politically successful not only because it appealed to internationally oriented sectors of the U S economy but also because it was linked to domestic policies favored by domestically oriented labor sensitive sectors that would otherwise have opposed it This interpretation of Cold War foreign policy will interest political scientists and historians concerned with the origins of the Cold War American social welfare policy McCarthyism and the Korean War and the theoretical argument it advances will be of interest broadly to scholars of U S foreign policy American politics and international relations theory Benjamin O Fordham is Assistant Professor of Political Science State University of New York at Albany

Grand Strategy in Theory and Practice William C. Martel, 2015-01-12 This book explores fundamental questions about grand strategy as it has evolved across generations and countries It provides an overview of the ancient era of grand strategy and a detailed discussion of its philosophical military and economic foundations in the modern era The author investigates these aspects through the lenses of four approaches those of historians social scientists practitioners and military strategists The main goal is to provide contemporary policy makers and scholars with a historic and analytic framework in which to evaluate and conduct grand strategy By providing greater analytical clarity about grand strategy and describing its nature and its utility for the state this book presents a comprehensive theory on the practice of grand strategy in order to articulate the United States past present and future purpose and position on the world stage

European Security Culture Monica Gariup, 2017-05-15 Grounded on tenets of cultural realism and social constructivism Monica Gariup develops a theoretical framework to enhance our understanding of security culture at the European Union level She employs tools from political theory linguistic analysis and international relations theory to examine the implications of discourse and practice in European Security and Defense Policy ESDP Innovative in scope the volume analyzes whether elaborating a structurationist solution and proposing a discursive syntax of security makes it possible to identify and compare different types of security actors Providing a comprehensive and objective analysis on the links and implications between the discourse and actual policy of the ESDP this is essential reading for scholars and researchers in European politics international relations security and cultural studies

Creating Japan's Ground Self-Defense Force, 1945-2015 David Hunter-Chester, 2016-11-30 Creating Japan's Ground Self Defense Force 1945 2015 is a timely contribution to postwar Japan security studies It is the first comprehensive account of Japan's post 1945 army including a comprehensive institutional history together with the evolution of roles and missions and the adoption of successive professional identities The organizational history is embedded within a thorough examination of Japan's own defense policy as well as of America's policy of alliance with Japan The book examines and challenges assumptions about the drafting and adoption of the War

Renunciation clause of Japan's postwar Peace Constitution Article 9 which uniquely not only renounces war but the arms to wage war. Thus Japan's army is not called an army but the Ground Self Defense Force (GSDF). The work also examines the place of an army and soldiers in the formation of Japan's national identity after its last devastating war and explores the impact of constitutional legal and policy restrictions as well as the power of the legacy of the still largely vilified Imperial Japanese Army on GSDF members who seek to serve because there are people we want to protect. The study is rounded by an examination of the place of soldiers in Japan's popular culture focused on movies, manga and anime, assessing the impact on the GSDF of a public imagination that most often ignores or villainizes soldiers, though ending with a note that some positive images of soldiers and of the GSDF members themselves have started to appear in the last few years. The book's author, a retired U.S. Army soldier who spent more than twenty years working, studying and training with the GSDF, offers a broad ranging exploration of a unique organization. This work is extensively researched using English and Japanese sources and will appeal to anyone interested in Japanese security studies, alliance studies and military imagery in Japanese pop culture as well as to students of military history, international security, international relations and cultural identity.

To Balance or Not to Balance Eric A. Miller, 2017-03-02. With the collapse of the Soviet Union in 1991, fifteen newly independent states emerged from the imperial wreckage, some more ready than others to grasp their new found independence. This book tackles the seminal question related to these broader developments: why did some states choose to align with Russia despite Moscow's overwhelming power advantage and recurrent neo-imperial ambitions? Eric A. Miller develops and tests a theoretical framework that extends traditional realist alignment theories to include domestic level political and economic variables critical to the study of the Commonwealth of Independent States (CIS). Specifically, Miller argues that internal political threats to CIS leaders and the extent of a country's economic dependence on Russia were the most influential factors in determining alignments. The volume is designed to meet the need for a thorough theoretical and scholarly assessment of the international and domestic politics of CIS countries.

Comparative Grand Strategy Thierry Balzacq, Peter Dombrowski, Simon Reich, 2019. The essential introduction to the comparative analysis of national grand strategies.

This is likewise one of the factors by obtaining the soft documents of this **The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs** by online. The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs has opened up a world of possibilities. Downloading The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure

ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs is one of the best book in our library for free trial. We provide copy of The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs. Where to download The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs online for free? Are you looking for The Domestic Bases Of Grand Strategy Cornell Studies In Security Affairs PDF? This is definitely going to save you time and cash in something you should think about.
