Bobbie Montgomery,1999 With their father dead and their mother in a sanitarium the five Larkin children set out with a donkey goat and hen to travel 85 miles to their grandmother s house **Death on the Bank of Two Rivers , Project Egypt** Mr. Pat,2008-08-28 Written with both humor and poignancy the narrator details the challenges and frustration of an American working with the privileged few in the Third World as well as his association with the peasant class which created his contempt for their leaders but a deep affection for the subjugated people forced by birth into a world of poverty and indifference If I could convince others to read between these lines they would find most of their problems are minor In that event then perhaps like me they will accept the pictures of a decaying world and the slaughter of the innocents as real and conclude living is better than simply existing If they do they will take the opportunity to make the best of the few short moments they have *The Last of the Shackdwellers* Lena Kennedy,2018-05-31 The evocative illuminating autobiography of one of Britain s best loved novelists Lena Kennedy was sixty four before her first novel MAGGIE was accepted and it was among the shackdwelling community of the woods that she began to realise her growing need to express her feelings through writing THE LAST OF THE SHACKDWELLERS examines the inspirations for each of her novels such as the bestsellers EVE S APPLES and LILY MY LOVELY Lena also vividly describes the long search for a publisher her joy at finding success and her road to fame Absolutely fascinating 5 STAR reader review [A Mother's Shame](#) Rosie Clarke,2022-07-05 A new standalone novel from the bestselling author Rosie Clarke East End of London Maggie Bailey has not had an easy childhood Her father Michael always too easy with his fists after spending the family s rent money down the pub Just sixteen in love and blinded by promises Maggie sees marriage to handsome Jack as her great escape However she soon finds herself abandoned with a beautiful baby when Jack disappears Maggie is forced to seek a new life away from the East End of London and finds herself a job at a hotel in Yarmouth Here she must learn to fend for herself and also accept a shocking discovery that she was fostered as a babe and nothing is known of her real parents Her employer Aunt Beth is kind and her life improves but Maggie makes one mistake after another and eventually they lead to a terrible tragedy that will bring her to the point of no return Will Maggie ever find true happiness and discover the secret of her birth PREVIOUSLY PUBLISHED as ALL MY SINS Reader Reviews for A Mother s Shame What a sweet story this is I truly enjoyed every minute Reader Review Great character development great description of the world at the time The tale is one that may just be in your family if you look Reader Review A lovely book lots of happy and sometimes sad times I loved this story Rosie Clarke writes some really good stories I could not put this book down Reader Review [The Wanderer](#) Alain-Fournier,1928 [The Experiences of Loveday Brooke](#), [Lady Detective](#) Catherine Louisa Pirkis,2022-09-15 In The Experiences of Loveday Brooke Lady Detective Catherine Louisa

Pirkis crafts an engaging collection of detective stories that center around the astute and resourceful Loveday Brooke an early female detective crafted with a keen sense of agency Pirkis employs a style that merges elements of serialized fiction with vivid character development showcasing not only the intricacies of crime solving but also the societal dynamics of Victorian England This literary work arrives at a time when the genre was burgeoning offering a fresh perspective by placing a female protagonist at the forefront of detective fiction thereby challenging contemporary norms and expectations Catherine Louisa Pirkis was a novelist and playwright who through her own experiences recognized the lack of female representation in detective narratives Living in a period marked by both societal constraints and emerging feminist ideologies Pirkis utilized her writing as a platform to explore the roles of women and to highlight their capabilities in traditionally male dominated fields Her background in theater and her involvement in the literary circles of her time provided her with nuanced insights into character portrayal and narrative style For readers who appreciate early detective fiction and those longing for groundbreaking female characters *The Experiences of Loveday Brooke Lady Detective* is a must read Pirkis s work not only entertains but also sparks dialogue on gender roles and societal changes in the Victorian era making this collection an essential addition to the canon of crime literature and feminist discourse **Letters Home** Ary Vreeken,2024-02-26 In 1999

Ary Vreeken accepted a position as an International Development Worker for a project in Niger with a Canadian church group With extensive experience in both agriculture and community development in Canada and West Africa his mission was to work with a local association of Nigeri n Christians seeking ways to improve food security in the region Told with great insight compassion and wit *Letters Home Pictures from Niger* is a fascinating collection of short vignettes based on letters sent to family back in Canada during the seven years the author his wife Joanna and their four children lived in Niamey Niger s capital city These vignettes in turn heartfelt informative funny and poignant touch upon everything from agricultural innovation and dust storms to the author s relationship with his Nigeri n colleagues and from the unending challenge of learning French and local languages to a Kafkaesque saga of repairing a washing machine The experience of cross cultural living led to the internalization of new norms and values and a very different and much deeper understanding of both foreign aid and the true meaning of spirituality *Jason and Elihu* Shelley Fraser Mickle,2013-02-06 As soon as Jason hears the legend of Elihu he knows he must catch the great fish But Old Snout the gator guards Elihu Legend says too that whenever Elihu is hooked the bass whispers a secret This novel also features two foster children looking for a home Sundance the miniature horse with a craving for peppermints and a young girl who edits her dream of becoming an ice skater as she recovers from a brain tumor that has robbed her balance
