The Doris Day Scrapbook:

The Doris Day Scrapbook Alan Gelb,1977 Scrapbook of Doris Day s illustrious career Including commentary by the men and women who worked with Doris personalities like Jay Livingston Janis Paige Stuart Heisler Michael Gordon Hoagy Carmichael George Seaton and Jack Weston With over 150 photographs of Doris dancing singing and acting photos including Rod Taylor James Stewart Rock Hudson James Cagney and Jack Lemmon This work includes many intriguing anecdotes about Doris s most memorable songs and plot summaries of her most important films a complete chronology of her films

Doris Day David Bret,2009-03-25 With her bobbed blonde hair and flashing smile Doris Day was portrayed as the girl next door a virginal girl that you could take home to your parents In real life she was not quite the happy go lucky blonde with the bubbly personality promoted by Warner Brothers who simply wanted to market her as a commodity Married young to a violent bully and with a child Day had to work hard touring with bands to get her start in showbusiness A reluctant star all Doris Day wanted to do was settle down to a happy simple life but somehow managed to always attract the wrong kind of men thugs and crooks who took their anger out on her And yet this didn t stop her from enjoying sexual exploits with a number of leading men She worked hard not to become a success but for a job and yet her manager managed to defraud her of millions How could this happen to such a smart lady perhaps she was too trusting In this revealing biography David Bret takes a fascinating look at the trials and tribulations behind what seemed to her adoring fans to be the perfect woman From her German Jewish parents to her donation to an airlift of cats and dogs in Louisiana as well as full discography and film lists this is a captivating look at a resilient American icon David Bret was born in Paris and is a leading celebrity biographer His many acclaimed books include biographies of Marlene Dietrich Gracie Fields Freddie Mercury Tallulah Bankhead Maria Callas Rudolph Valentino Edith Piaf and Joan Crawford He lives in Yorkshire

Doris Day Eric Braun,2010-12-30 An in depth and fascinating study of one of Hollywood s most popular icons fully updated and including previously unreleased pictures Doris Day is almost always portrayed as the sunny squeaky clean girl next door This wholesome image kept her at the top for twenty four years and thirty nine films But behind the effervescent ever cheerful image that Doris Day portrayed through dozens of classic Hollywood movies was an extraordinary story of private pain Her dazzling smile hid a tormented personal life that included four marriages and a terrifying accident that nearly ended her life And yet for generations of movie goers Doris Day remained the embodiment of innocent beauty and apple pie homeliness and even today she exerts a powerful fascination for millions of fans around the world

Doris Day David Kaufman,2008 Kaufman has written Doris Day s incredible previously untold story While Day symbolized virtuous America to the rest of the world she was in many ways the opposite of her image as the girl next door
