The Dorsey Dictionary Of American Government And Politics:

The Dorsey Dictionary of American Government and Politics Jay M. Shafritz, 1988 This book should be of interest to undergraduate students taking courses in American politics

The Dorsey Dictionary of American Government and Politics David O'Witz, Jay M. Shafritz, 1988 This book should be of interest to undergraduates of American politics

Rethinking Democratic Accountability Robert D. Behn, 2004-05-26 Traditionally American government has created detailed formal procedures to ensure that its agencies and employees are accountable for finances and fairness Now in the interest of improved performance we are asking our front line workers to be more responsive we are urging our middle managers to be innovative and we are exhorting our public executives to be entrepreneurial Yet what is the theory of democratic accountability that empowers public employees to exercise such discretion while still ensuring that we remain a government of laws How can government be responsive to the needs of individual citizens and still remain accountable to the entire polity In Rethinking Democratic Accountability Robert D Behn examines the ambiguities contradictions and inadequacies in our current systems of accountability for finances fairness and performance Weaving wry observations with political theory Behn suggests a new model of accountability with compacts of collective mutual responsibility to address new paradigms for public management

The Oxford Dictionary of American Political Slang Grant Barrett, 2006-04-21 Here is a wonderful Baedeker to down and dirty politics more than six hundred slang terms straight from the smoke filled rooms of American political speech Hatchet Jobs and Hardball The Oxford Dictionary of American Political Slang illuminates a rich and colorful segment of our language Readers will find informative entries on slang terms such as Beltway bandit and boondoggle angry white male and leg treasurer juice bill and Joe Citizen banana superpower and the Big Fix We find not only the meaning and history of familiar terms such as gerrymander but also of lesser known terms such as cracking splitting a bloc of like minded voters by redistricting and fair fight district which refers to areas redistricted to favor no political party Each entry includes the definition of the word its historical background and illuminating citations some going back more than 200 years We learn for instance that a term as seemingly current as political football actually dates back to before the Civil War Selected entries will have extended encyclopedic notes The book also features sidebar essays on topics such as political words in Blogistan a short history of big cheese all about chads and the 2000 election the suffix gate and all the related Watergate terms and the naming of legislation Political junkies policy wonks journalists and word lovers will find this book addictive reading as well as a reliable guide to one of the more colorful corners of American English

Hatchet Jobs and Hardball Grant Barrett, 2004 More than 600 slang terms straight from the smoke filled rooms of political speech highlight this glorious guide to one of the more colorful corners of American English

City Politics, Pearson eText Dennis R. Judd, 2015-09-16 This text provides a foundation for understanding the politics of America s cities and urban regions Praised for the clarity of its writing careful research and distinctive theme that urban politics in the United States has evolved as a dynamic interaction among

governmental power private actors and a politics of identity City Politics remains a classic study of urban politics *The Navajo Political Experience* David Eugene Wilkins, 2003 The Navajo Nation is the largest of over 560 federally recognized indigenous entities in the United States today Navajo history and politics thus serve as a model for understanding American Indian issues across the board ranging from the tribal federal relationship to contemporary land disputes taxation policies and Indian gaming challenges This revised edition of a recent text includes new census data along with a new introduction and an updated timeline of Dine political history The text's thoroughgoing analysis of Navajo political institutions and processes is amplified by a consideration of the distinctive Navajo culture Presented in the context of indigenous societies everywhere the book offers a way to explore the culture of politics and the politics of culture confronted by all native peoples

The Tanner Lectures on Human Values Peterson, 2011-04-28 The Tanner Lectures on Human Values is the annual publication of lectures given at various universities around the world Established to reflect upon the scholarly and scientific learning relating to human values the lectureships are international and intercultural and transcend ethnic national religious and ideological distinctions Political Consultants in U.S. Congressional Elections Stephen K. Medvic, 2001 Campaign consultants are arguably now as famous in the United States as the politicians themselves During the past decade those who know the names Bill Clinton George Bush Newt Gingrich and Christine Todd Whitman also recognize the names James Carville Mary Matalin Frank Luntz and Ed Rollins Professional consultants once part of the privileged inner circle of presidential and gubernatorial candidates are increasingly found at all levels of politics Indeed more than half of congressional candidates hire campaign consultants These professionals have become as important to a candidate's success as money In this innovative study Stephen K Medvic explores all aspects of political consultancy and develops an empirically based theory that ensures the impact consultants have on elections Political Consultants in U S Congressional Elections answers two simple questions What do professional political consultants do and How successful are they Medvic analyzes the way consultants shape political dialogue and uses empirical data to show the benefits and limits of a consultant's involvement in a campaign He focuses on issues as diverse as vote shares outcomes and fundraising Finally the author demonstrates how the adversarial nature of campaigns fosters the kind of electioneering advocated by most political consultants and argues that this process may not be as harmful for the country as is often suggested Recommendations and Reports Administrative Conference of the United States, 1989
