The Doubters Disciple:

The Doubters' Club Preston Ulmer, 2021-09-07 The closer we get to the heart of God the closer we should grow toward the doubter the skeptic the differing perspective even the atheist And that should make us wonder Is it possible to grow in our Christian faith without engaging the doubter or the skeptic And if growing in our faith means growing closer to the doubter how do we do that without compromising what we believe to be true The Doubters Club is a guide for people who want to live in friendship with those who think differently than them In The Doubters Club you ll learn how to 1 rebuild the impression the other person has of us as Christians 2 renovate the intention we have with the nonbeliever 3 rely on an invitation into real life not a church service 4 reexamine our views through initiating conversations that matter and 5 redefine progress as imitation not just immersion You ll get practical steps and tools to help you navigate relationships and conversations but not foolproof methods because there aren t any Maybe you re ready to take a chance because it s your mom or dad who is the skeptic a sibling an old friend a coworker or a neighbor Maybe you re just ready to embrace the adventure of your faith If you are open to the mystery of doubt The Doubters Club invites you to bring your uncertainties as common ground for relationship with skeptics and see what God does **Be My Disciples** Jim Reynolds, 2010-07

Obadiah Sedgwick, 2017-01-13 Am I really a Christian At one time or another all believers encounter periods of doubt regarding the genuineness of their faith In this book Puritan pastor Obadiah Sedgwick explores the kinds of doubt that commonly arise in the context of true saving faith gently guiding the reader through fourteen circumstances likely to produce uncertainty Using the Bible as a roadmap the author helps us navigate away from the rocky shoals of doubt into the safe harbor of assurance Obadiah Sedgwick c 1600 1658 was a Presbyterian pastor and member of the Westminster Assembly Originally published in 1641 this classic treatise has been carefully prepared to benefit a new generation of Christian readers Archaic language has been gently modernized and helpful footnotes have been added to aid the reader Hundreds of Scripture references are embedded in the text using the English Standard Version This edition includes a foreword by Dr Don Kistler a biographical preface and review questions designed to facilitate group discussion or personal reflection **The Church School Journal** ,1874 **Stories of Christ the Lord in Simple Verse for Little Children** Mrs. G. E. Morton, afterwards MORTON CAVE (Harriet), 1870 The Beloved Disciple in Conflict? Ismo Dunderberg, 2006-04-27 Was the Gospel of John written in critical response to the Gospel of Thomas an early collection of Jesus's sayings Or was it directed to the Christians among whom Thomas originated Ismo Dunderberg challenges these views arguing that the two gospels were written at about the same time but without knowledge of each other He also offers a thorough discussion of the identity and functions of the enigmatic Beloved Disciple in the Gospel of John throwing new light on this figure by comparing it to other beloved disciples of Jesus in early Christian literature This part of Dunderberg's analysis also helps to evaluate the portrayal of Judas in the recently published Gospel of Judas although this text was not yet available when this study was completed *The Resurrection of Jesus* Dale C. Allison, Jr., 2021-03-11 The earliest traditions around the narrative of Jesus' resurrection are considered in this landmark work by Dale C Allison Jr drawing together the fruits of his decades of research into this issue at the very core of Christian identity Allison returns to the ancient sources and earliest traditions charting them alongside the development of faith in the resurrection in the early church and throughout Christian history Beginning with historical critical methodology that examines the empty tomb narratives and early confessions Allison moves on to consider the resurrection in parallel with other traditions and stories including Tibetan accounts of saintly figures being assumed into the light in the chapter Rainbow Body Finally Allison considers what might be said by way of results or conclusions on the topic of resurrection offering perspectives from both apologetic and sceptical viewpoints In his final section of modest results he considers scholarly approaches to the resurrection in light of human experience adding fresh nuance to a debate that has often been characterised in overly simplistic terms of it happened or it didn't
