After Dark Jayne Castle, Jayne Ann Krentz, 2000-09-01 Welcome to Harmony where the rules are a little different. Life is tough these days for Lydia Smith, a licensed para archaeologist. Seriously stressed out from a nasty incident in an alien tomb, she is obliged to work part time in Shrimpton's House of Ancient Horrors, a very low budget museum. She has a plan to get her career back on track but it isn't going well. Stuff keeps happening. Take the dead body that she discovered in one of the sarcophagus exhibits. Who needed that? Finding out that her new client Emmett London is one of the most dangerous men in the city isn't helping matters either. And that's just today's list of setbacks. Here in the shadows of the Dead City of Old Cadence, things don't really heat up until

Last Contact Michelle Levigne, 2018-12-31 Alex Harris has always known she was adopted but never really thought about the story behind Colonel Harris and his wife adopting her until her real mother Herin made contact and revealed that Alex's background and talents were just as unusual as her two college roommates Bree Kirstan and Jori Lawrence. Alex was born in another universe, daughter and heir to the captain of a Leap ship. Her genetics have the special tweak that allows her to link her mind with a ship and slide through the fabric of space going from one universe to another. Herin was injured in the attack that resulted in their ship being stranded in orbit behind the moon and she can no longer take her ship and crew home. An Air Force investigator who's been harassing the Colonel for years has actually been after Alex all along. Time is running out and the enemy is getting closer to the truth and closer to capturing the alien invaders they've sought for years. What will Alex need to sacrifice to help her birth mother and protect her father's career
