The Duke The Soul Princess:

The Duke's Runaway Princess Elizabeth Lennox,2012-08-15 A rebellious princess An arrogant duke Princess Zarah is no typical royal she rebelled against being arm candy and any limiting role Seeking solace in a quaint town her life took a fiery turn when an arrogant duke Derrick Huntington swaggered into her world His charm ignited Zarah s desires sparking a passionate secretive affair that led Derrick on a relentless quest to conquer her heart Simone Weil's Apologetic Use of Literature Marie Cabaud Meaney,2007-12-06 After an unexpected mystical experience the philosopher Simone Weil 1909 43 read the Greek classics from a Christian perspective as this original study shows To the intellectual agnostics of her day she wanted to show that the classics they loved could only be fully understood in light of Christ To the Catholics she wanted to demonstrate that Christianity is much more universal than they thought since Greek culture already embodied the Christian spirit before the incarnation of Christ The Princess, Etc. (The Missionary.) Lady Morgan (Sydney),1834 **Princess of the Blood** Brigitte Goldstein,2005-09-20 The year 1588 finds the Kingdom of France in the grip of its seventh civil war Three decades of bloody religious strife between Roman Catholics and Protestant Huguenots have cut a seemingly insurmountable rift Philippe de Treffort is a young nobleman and captain in the army of the Catholic League sworn to defend the Apostolic Faith against the heretic Reformed Religion When spring maneuvers take him and his troops to a remote village in the southern Ile de France he becomes enthralled with Sandrine the local innkeepers daughter From the moment they meet he senses a mystery behind this beautiful headstrong child so different from the peasants among whom she lives In a moment alone she confesses that she too feels a strange bond with him and that their encounter has revived in her a long held dream of a liberator who would take her away from her miserable village existence Blowing all conventions to the wind he makes a solemn promise which he is however unable to fulfill as the waves of war engulf their lives and he is called back to fulfill his oath of allegiance to the Catholic cause Sandrine remains behind in the village waiting for his return Meanwhile Thierry the innkeeper is now called upon by the richest peasant in the village to make good on a promise to have his daughter married to him When Sandrine resists the advances of her husband during their wedding night he accuses her of having cast a spell on him and she is taken to Chartres where she is delivered into the hands of the Inquisition Only her abiding faith in Philipppes promise that he will return gives her the strength to endure the tortures Her faith is ultimately vindicated and she is spared from being burned at the stake as a witch through a daring rescue launched by Philippe and his retainers The lovers time together is all too brief however Again the war intervenes and Philippe must follow the call of duty leaving Sandrine once again exposed to the vicissitudes of life beyond her control She must duck a gauntlet of injustice expulsion starvation sexual assaults imprisonment and all manner of evil machinations including a protracted siege of Paris by the Huguenot army under Henri de Navarre She descends into the Parisian underworld to escape a miscreant lecher and shares the lot of migrant workers in the South of the Kingdom Sustained by the friendship of a troop of itinerant actors and the king of beggars and

thieves she braves all odds as she resolutely sets out to uncover the secret of her parentage and to gain the freedom from an evil fate that has conspired to keep her and Philippe apart When she is finally restored to her birthright as a princess of the blood at the royal court she too finds herself caught in the quandary of having to choose between duty to family and political exigencies and the fulfillment of personal happiness Princess of the Blood is the epic quest of a young woman for her identity and personal freedom and fulfillment in love It is a colorful tapestry depicting a social order shackled by rigid conventions and a mentality dominated by superstition and fanaticism It paints the vagaries of political intrigue and protracted war in a world where deep religiosity is often matched by extreme cruelty an uncompromising world that traps individuals in a pincer of duty and obligations from which there seems no escape Yet as the canvas unfolds it also reveals the promise of redemption in the person of a charismatic leader and a woman of undaunted spirit A brighter scene dawns on the horizon heralding a time when love and tolerance will triumph over war and discord

Young Maisy Robert L. Collins, 2019-04-01 Maisy is a village girl in an ordinary dukedom One day a fight with other girls drives her into the nearby woods While sorting out her actions Maisy encounters a talking stag a member of the Fairy Folk in disguise This begins Maisy's life as a Witch attempting to reclaim her birthright She learns that she's not a common girl but a daughter of royalty hidden away for her safety She must use magic and her wits to figure out how to reclaim her title and someday become THE WITCH QUEEN
