The Dust Rose Like Smoke James O. Gump, 2016 In 1876 Lakota and Cheyenne warriors annihilated Custer's Seventh Cavalry at Little Bighorn Three years later and half a world away a British force was wiped out by Zulu warriors at Isandhlwana in South Africa In both cases the total defeat of regular army troops by forces regarded as undisciplined barbarian tribesmen stunned an imperial nation Although the similarities between the two frontier encounters have long been noted James O Gump's book *The Dust Rose Like Smoke* is the first to scrutinize them in a comparative context This study issues a challenge to American exceptionalism he writes Viewing both episodes as part of a global pattern of intensified conflict in the latter 1800s resulting from Western domination over a vast portion of the globe Gump's comparative study persuasively traces the origins and aftermath of both episodes He examines the complicated ways in which Lakota and Zulu leadership sought to protect indigenous interests while Western leadership calculated their subjugation to imperial authority The second edition includes a new preface from the author revised and expanded chapters and an interview with Leonard Little Finger great great grandson of Ghost Dance leader Big Foot whose story connects Wounded Knee and Nelson Mandela

There Shall We Be Also: Tribal Fractures And Auxiliaries In The Indian Wars Of The Northern Great Plains

Major Jason E. Warner, 2015-11-06 From its beginning in the American Revolution to its current conflicts in Afghanistan and Iraq the United States U S Army has had to deal with tribal societies In order to succeed in tribal societies it is essential that the U S Army understand tribal structures and the fractures in tribal societies that present opportunities and possible solutions Tribal structures create an environment in which conflict over resources and status creates traditional enemies between the tribes It further weakens internal tribal loyalty as loyalty resides at the lowest level within the tribe that can provide resources increase the group's status and security These characteristics create fractures within tribal societies that

create an atmosphere in which it is possible to use tribal auxiliaries to resolve conflicts or issues within complex tribal environments The Indian Wars on the northern Great Plains from 1865 to 1890 provide some of the best examples in which tribal fractures created the opportunity to use tribal auxiliaries By closely examining specific events during the Indian Wars it is possible to identify the characteristics of tribal structures and societies that create the opportunity for using tribal auxiliaries as well as the fact that they provide a unique method for resolving conflict and issues within tribal societies This study specifically focuses on events that occurred on the northern Great Plains as the U S Army sought to subdue and bring into compliance the Sioux and Cheyenne tribes By examining tribes that assisted the U S Army it is possible to identify tribal fractures and motivations behind why tribes such as the Crow and Pawnee faithfully served as allies to the U S Army It is also possible to identify what led to the collapse of the Sioux and Cheyenne alliance which resulted in Sioux and Cheyenne bands turning on one another by supporting the U S Army against others that refused to comply
