

THE DYNAMICS OF FOREIGN POLICYMAKING

The President, the Congress, and
the Panama Canal Treaties

**William L. Furlong and
Margaret E. Scranton**

The Dynamics Of Foreign Policymaking The President The Congress And The Panama Canal Treaties

Glen S Krutz, Jeffrey S Peake

The Dynamics Of Foreign Policymaking The President The Congress And The Panama Canal Treaties:

The Dynamics Of Foreign Policymaking William L Furlong, Margaret E Scranton, 2019-06-12 Negotiations and ratification of the 1977 Panama Canal Treaties were major events in the making and conduct of U S foreign policy Beginning in 1973 the negotiations spanned three administrations and the ratification process dominated the first year and a half of the Carter presidency This book explains the making of the Canal Treaties looking Treaty Politics and the Rise of Executive Agreements Glen S Krutz, Jeffrey S Peake, 2009-07-09 Krutz and Peake s book puts another stake in the heart of the imperial presidency argument Lisa L Martin University of Wisconsin Madison American Review of Politics Krutz and Peake reach their conclusions as a result of carefully crafted examination that might be cited as a model of political analysis of this sort As they introduce each chapter with a summary of the argument as developed and supported to that point the reader can enter into and understand their discussion and argument at virtually any point in the book In sum Treaty Politics and the Rise of Executive Agreements is a clearly written and important book that adds substantially to the existing literature on the presidency and on presidential congressional relations Roger E Kanet University of Miami International Studies Review One can only hope that this fine and challenging book starts an argument or at least a dialogue about presidential power in a post Bush era It merits the attention of presidency and congressional scholars and those interested in the interaction of America s political institutions Michael A Genovese Loyola Marymount University Journal of Politics

Handbook Of Research On The International Relations Of Latin America And The Caribbean G. Pope Atkins, 2018-02-12 The study of Latin American and Caribbean international relations has a long evolution both within the development of international relations as a general academic undertaking and in terms of the particular characteristics that distinguish the approaches taken by scholars in the field This handbook provides a thorough multidisciplinary reference guide to the literature on the various elements of the international relations of Latin America and the Caribbean Citing over 1600 sources that date from the nineteenth century to the present with emphasis on recent decades the volume s analytic essays trace the evolution of research in terms of concepts issues and themes The Handbook is a companion volume to Atkins Latin America and the Caribbean in the International System Fourth Edition but also serves as an invaluable stand alone reference volume for students scholars researchers journalists and practitioners both official and private

The Presidency of James Earl Carter, Jr Burton Ira Kaufman, Scott Kaufman, 2006 A thoroughly revised updated and newly illustrated version of the Gaddis Smith called the best book on the totality of the Carter presidency The new edition includes more on the former president s foreign and environmental policies and expands coverage of the personal Carter as well as his wife Rosalyn s activist role during his administration

Counting the Public In Douglas C. Foyle, 1999-05-06 Does the public alter American foreign policy choices or does the government change public opinion to supports its policies In this detailed study Douglas Foyle demonstrates that the differing influence of public opinion is mediated in large part through each president s beliefs about

the value and significance of public opinion Using archival collections and public sources Foyle examines the beliefs of all the post World War II presidents in addition to the foreign policy decisions of Presidents Dwight Eisenhower Jimmy Carter Ronald Reagan George Bush and Bill Clinton He finds that some presidents are relatively open to public opinion while others hold beliefs that cause them to ignore the public's view Several orientations toward public opinion are posited the delegate Clinton favors public input and seeks its support the executor Carter believes public input is desirable but its support is not necessary the pragmatist Eisenhower Bush does not seek public input in crafting policy but sees public support as necessary and finally the guardian Reagan neither seeks public input nor requires public support The book examines the public's influence through case studies regarding decisions on the Formosa Straits crisis intervention at Dien Bien Phu the Sputnik launch the New Look defense strategy the Panama Canal Treaties the Soviet invasion of Afghanistan the Strategic Defense Initiative the Beirut Marine barracks bombing German reunification the Gulf War intervention in Somalia and intervention in Bosnia

Prize Possession John Major, 2003-10-30 Prize Possession is a history of United States policy towards the Panama Canal focusing principally on the first two generations of American tenure of the Canal Zone between 1904 and 1955 John Major also provides an extensive look at the nineteenth century background the making of the 1903 canal treaty with Panama the move after 1955 towards the new treaty settlement of 1977 and the crucial significance of the Canal to American policy makers and their public The book is based for the most part on the hitherto largely untapped sources of US government agencies namely the State War and Navy Department and the Canal Zone administration as well as on the papers of notable dramatis personae such as Theodore and Franklin Roosevelt and Philippe Bunau Varilla As such it makes an important and original contribution to our knowledge and understanding of a subject which has not yet received its due from historians

Landmark Debates in Congress Stephen W. Stathis, 2009 Presents and analyzes numerous pivotal historical debates from the Declaration of Independence to authorizing war with Iraq

[The Cambridge History of Latin America](#) Leslie Bethell, 1984 This is an authoritative large scale history of the whole of Latin America from the first contacts between native American peoples and Europeans in the late fifteenth and early sixteenth centuries to the present day

Working in the World Robert A. Strong, 2000-01-01 In nine detailed case studies based on interviews with participants and on recently released documents in the Carter presidential library Robert Strong carefully examines how the thirty ninth president of the United States addressed and accomplished the work of foreign policy during his term Working in the World effectively argues for substantial reevaluation of the conventional wisdom about Carter's weak foreign policy performance and questions how we should formulate our earliest appraisals of presidential success in the conduct of foreign affairs

Latin America Confronts the United States Thomas Stephen Long, 2015-11-19 Using multinational sources the book explores how Latin American leaders influenced US policy in the context of asymmetrical power relations

Whispering the Strategies of Language: An Emotional Journey through **The Dynamics Of Foreign Policymaking The President The Congress And The Panama Canal Treaties**

In a digitally-driven earth where displays reign great and quick transmission drowns out the subtleties of language, the profound techniques and emotional subtleties hidden within words usually get unheard. However, situated within the pages of **The Dynamics Of Foreign Policymaking The President The Congress And The Panama Canal Treaties** a fascinating fictional treasure sporting with fresh emotions, lies a fantastic quest waiting to be undertaken. Penned by an experienced wordsmith, this enchanting opus attracts readers on an introspective trip, delicately unraveling the veiled truths and profound impact resonating within the fabric of each and every word. Within the mental depths of the moving review, we will embark upon a heartfelt exploration of the book's key subjects, dissect its charming publishing fashion, and yield to the effective resonance it evokes deep within the recesses of readers' hearts.
