The Dynamics Of Right Wing Protest A Political Analysis Of Social Credit In Quebec:

The Social Credit Phenomenon in Alberta Alvin Finkel, 1989-01-01 In this account of the Social Credit transformation Alvin Finkel challenges earlier works which focus purely on Social Credit monetary fixations and religiosity *Recent Social Trends in Quebec, 1960-1990* Simon Langlois, Baillargeon, 1992-02-05 Readers will follow an intense period of social change in Quebec during which there was a remarkable increase in the level of modernization They will note a massive entry of women into the labour force and a growing service sector that now constitutes seventy percent of all economic activity They will observe also that the Qu b cois have dramatically increased their television viewing and that while they express a generally high level of satisfaction with life the Qu b cois must contend with escalating crime and suicide rates Social Classes and Social Credit in Alberta Edward Bell, 1993 The Social Credit party in Alberta has traditionally been presented as petty bourgeois in its ideology and appeals reflecting what was believed to be the dominant class in the province at the time Edward Bell challenges these widely held interpretations of the ideology popular class basis and behaviour in office of the early Social Credit movement 1932 40 *Literary History of Canada* Carl F. Klinck, Alfred G. Bailey, Claude Bissell, Roy Daniells, Northrop Frye, Desmond Pacey, 1976-12-15 Hailed as a landmark in Canadian literary scholarship when it was originally published in 1965 the *Literary History of Canada* is now being reissued revised and enlarged in three volumes This major effort of a large group of scholars working in the field of English language Canadian literature provides a comprehensive up to date reference work It has already proven itself invaluable as a source of information on authors genres and literary trends and influences It represents a positive attempt to give a history of Canada in terms of writings which deserve attention because of significant thought form and use of language Volume 3 has been newly written for this edition of the History and covers the years from about 1960 to 1974 The contributors to this volume are Claude Bissell Desmond Pacey Lauriat Lane jr Michael S Cross Thomas A Goudge John Webster Grant John H Chapman William E Swinton Henry B Mayo Malcolm Ross Brandon Conron Clara Thomas Sheila A Egoﬀ John Ripley William H New George Woodcock and Northrop Frye RenŽ LŽvesque & the Parti QuŽbŽcois in Power Graham Fraser, 2001 Ren L vesque and the Parti Qu be ois in Power has been described as the classic work on one of the most important periods in recent Quebec history Graham Fraser paints a vivid portrait of one of the most dynamic political figures of the twentieth century describes the origins of the Parti Qu be ois and gives a graphic account of key events that still resonate in Canadian political life Quebec s language law the 1980 referendum and the patriation of the constitution In a new preface Fraser completes the story of the last months of the PQ government and the period leading up to L vesque s death in 1987 detailing how L vesque s leadership continues to mark his successors *Political Support in Canada* Richard A. Preston, E. Donald Briggs, 1983 All governments require popular support and in democracies this support must be maintained by noncoercive means This book analyzes the question of political support in Canada a country in which the maintenance of the integrity of the political community has been and

continues to be in the words of the editors the single most salient aspect of the country's political life The nature of popular support is first considered in broad theoretical terms then from the standpoint of those agents most responsible for maintaining support in Canadian democracy then as influenced by particular issues and policies and finally as it affects and is affected by the separatist movement in Quebec

Social Discredit Janine Stingel, 2000-02-24 By examining Social Credit's anti-Semitic propaganda and the reaction of the Canadian Jewish Congress Stingel details their mutual antagonism and explores why Congress was unable to stop Social Credit's blatant defamation She argues that Congress's ineffective response was part of a broader problem in which passivity and a belief in quiet diplomacy undermined many of its efforts to combat intolerance Stingel shows that both Social Credit and Congress changed considerably in the post-war period as Social Credit abandoned its anti-Semitic trappings and Congress gradually adopted an assertive and pugnacious public relations philosophy that made it a champion of human rights in Canada Social Discredit offers a fresh perspective on both the Social Credit movement and the Canadian Jewish Congress substantively revising Social Credit historiography and providing a valuable addition to Canadian Jewish studies

Canadian History: Confederation to the present Martin Brook Taylor, Doug Owsen, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover

Failure of L'Action Libérale Nationale Patricia G. Dirks, 1991 The formation in 1934 of the Action libérale nationale ALN as a third party in Quebec was largely a response Patricia Dirks reveals to the growing belief that the laissez-faire economic and social policies of Taschereau's Liberal government in Quebec allowed continued domination of francophone professionals and businessmen by anglophone big business interests and threatened to turn the working class toward socialism
