The gospel according to spiritism Allan Kardec, 2022-02-17 The Gospel according to Spiritism is one of the five books that make up the Spiritist Codification a set of teachings transmitted by high order spirits and organized and commented upon by Allan Kardec This work contains the essence of the moral teaching of Jesus and therefore is a refuge where the followers of all religions and even those who have no religion may join hands because it offers a sure itinerary for our inner reform the objective indicated by Christ as indispensable for achieving our future happiness and inner peace that achievement which only the full observance of the divine laws can provide to the spirit on its gradual evolutionary path toward God     **The Gospel according to Spiritualism (Translated)** Allan Kardec, 2021-09-09 In this book Allan Kardec deals with a problem of great importance especially taking into account the past and present relations between the Church and Spiritism The Gospel according to Spiritism contains the explanation of the moral maxims of Christ their concordance with Spiritism and their application to different cases of life All the communications have been made by very high spirits and texts due to different authors agree and integrate each other in an admirable way It is the true interpretation of the life of Christ his miracles acts and parables with an explanation and commentary of high spiritual entities in a presentation that corrects errors and false interpretations to offer only and above all the truth The name of Allan Kardec is famous in the world as the first codifier and therefore practically as the founder of the spiritualist doctrine or rather as he wanted to define it of the spiritualist philosophy It was his merit to have collected and coordinated in several volumes of great interest all the theories and principles enunciated through various mediums in numerous spiritist communications At that time spiritualism was in its infancy and Kardec's works shed light on this new world that was opening up to man on Earth After The Book of Spirits and The Book of Mediums which are the foundations of spiritualism appeared The Gospel according to Spiritism Famous and spread all over the world it will fully satisfy the demands and expectations of the numerous devotees and enthusiasts Since it was written the work has lost nothing of its topicality and validity proving that the truth is always the same and its inspiring principles never change     **The Gospel According to Spiritism (New English Edition)** , 2019-06-08 New English translation of L'Evangile selon le Spiritisme the most widely read work of the Spiritist Doctrine written by Allan Kardec and first published in 1866 in Paris     The Gospel According to Allan Kardec Allan Kardec, Francis Harber, 1980-01-01     **The Gospel According to Spiritism** Allan Kardec, 1987     **The gospel according to spiritism** ,     The Gospel According to Allan Kardec Allan Kardec, Francis Harber, 1987-01-01     *The Gospel According to Spiritism* Allan Kardec, 2020-11-06 The subjects contained in the Gospels can be divided into five parts The ordinary acts of the life of Christ the miracles the prophecies the words that served to establish the dogmas of the church and moral teaching If the first four have been the subject of controversy the last one has remained unassailable Before this divine code the same incredulity bows it is the ground where all cults can be found and the banner under which all can shelter whatever their beliefs because it has never

been the subject of religious disputes always and everywhere raised by questions of dogma For the rest if the sects had discussed it they would have found in that teaching their own condemnation because the majority have taken into consideration the mystical part more than the moral part which demands self reform For men in particular it is a rule of conduct that embraces all circumstances of public or private life the principle of all social relations founded on the most rigorous justice in short and above all it is the infallible path of true happiness the part that lifts the veil that covers the future life This part is the exclusive object of this work      *The Gospel According to Spiritism* Kardec Kardec,2020-08-24 The subjects contained in the Gospels can be divided into five parts The ordinary acts of the life of Christ the miracles the prophecies the words that served to establish the dogmas of the church and moral teaching If the first four have been the subject of controversy the last one has remained unassailable Before this divine code the same incredulity bows it is the ground where all cults can be found and the banner under which all can shelter whatever their beliefs because it has never been the subject of religious disputes always and everywhere raised by questions of dogma For the rest if the sects had discussed it they would have found in that teaching their own condemnation because the majority have taken into consideration the mystical part more than the moral part which demands self reform For men in particular it is a rule of conduct that embraces all circumstances of public or private life the principle of all social relations founded on the most rigorous justice in short and above all it is the infallible path of true happiness the part that lifts the veil that covers the future life This part is the exclusive object of this work Why buy this book Because the knowledge that is revealed in this author's books a series that we sell through Amazon in different languages and formats will take the reader on a deep journey through a deeper understanding of the wisdoms that govern our universe A book that every lover of life its forms and spiritual religious and self knowledge knowledge cannot stop reading      *The Gospel According to Spiritualism* Allan Kardec,2021      Spiritism in its simplest expression Allan Kardec,2021-11-17 Wanting to popularize Spiritism and make spreading it easier and quicker but without prejudicing the basic works of the Spiritist Doctrine Allan Kardec wrote a number of booklets and distributed them throughout France at prices that were affordable for anyone who might be interested Some of them had several printings and were highly successful They continued to be republished even after the Codifier's discarnation This is one of those booklets It is hoped that Spiritist readers will find that this unpretentious work enriches their knowledge of the Spiritist Doctrine      The Gospel According to Spiritism (Chinese Edition) Allan Kardec,2019-01-18 This is the first Chinese translation of The Gospel According to Spiritism the third of the five books of the Spiritist canon Originally published in Paris in 1864 by Allan Kardec it is possibly the most popular of his books containing the explanation of hundreds of Biblical passages including over a hundred messages transmitted by superior spirits      *The Gospel According to Spiritism (Illustrated)* Allan Kardec,2017-09-12 This is no ordinary book This is not a book which is usually read from cover to cover afterwards to be placed on a bookshelf and forgotten This is a book for daily use for moments of trouble when we feel
