Loyola University Chicago She is also the director of the Institute of Pastoral Studies at Loyola University Chicago Fr Reimund Bieringer STD is associate professor of New Testament exegesis and biblical Greek at the Catholic University of Leuven Belgium The Spirituality of Following Jesus in John's Gospel Sean Seongik Kim,2017-10-12 Research on following Jesus has mostly been done in terms of what Jesus followers ought to do In this unprecedented study Kim presents following Jesus in John s Gospel through the perspective of what Jesus does for his followers Following Jesus is a journey towards the place where Jesus leads his followers that is to a relationship with the Father It is ultimately participating in the Son s communion with the Father Jesus who was in the bosom of the Father descended from him and ascends to him taking his followers with him so that they may be with him where he is with the Father in glory and love Kim develops this thesis by examining the term *akolouthein* to follow and correlated motifs in John s Gospel *Outlook* Alfred Emanuel Smith,Francis Walton,1879 **The Personal Voice in Biblical Interpretation** Ingrid Rosa Kitzberger,2002-06-01 Reading and interpreting the Bible whether as an ordinary or critical reader has always been strongly influenced by a person s own experience They demonstrate the variety of ways in which the Bible can have meaning for different people The contributors offer challenging new perspectives on the ancient biblical books and individual texts of the Torah the prophets the Gospels Pauline letters and Revelation The Personal Voice in Biblical Scholarship contains the original essays of distinguished Jewish and Christian scholars of the Hebrew Bible and the New Testament from all over the world and a variety of backgrounds The English Catalogue of Books Published from January, 1835, to January, 1863 ,1864 **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease Discussions on the Apocalypse William Milligan,1893 Before You Were Born, I Anointed You Anna Beresford,2022-09-12 Prophetic ministry in the Bible has long been perceived as the exclusive domain of individuals who were powerful authoritative argumentative and almost

always male This impression cannot be sustained In a logical and engaging way Anna Beresford convincingly shows us that female characters throughout the biblical story are not merely peripheral actors but are often the ones who proclaim God's prophetic word with disturbing clarity Beginning with the few women acknowledged as prophets in the Hebrew scriptural tradition Beresford proceeds to uncover a surprising host of hidden female prophets Among this cast we meet the widow whose last penny is consumed by organized religion the gate crasher who teaches a pious Pharisee stern lessons in hospitality a woman who has the last word in a theological debate A woman used to trap Jesus proclaims truth to power and a feisty foreign lady cleverly proves that God's love is for all of us regardless of gender or ethnicity This book is a compelling reminder that God speaks to all people women and men and calls on us to share the message whether it is convenient or not 2 Tim 4 2 NET

The Hermeneutical Spirit Amos Yong, 2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author's previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context

"The" Athenaeum, 1864 **The Johannine Gospel's Concept of Community** Godibert Kelly Gharbin, 2025-05-27

The Johannine Gospel's Concept of Community takes an interdisciplinary approach to contextualizing the New Testament in an African milieu which helps Johannine scholarship intersect with Akan anthropology and sociology through a tripartite frame of interpretation a narratological analysis of community oriented narratives in John the exegesis of the Akan concept of community encapsulated in their proverbial lore the anthology of inestimable information about the Akan conceptualization of communitarianism and an engagement between the two conceptual schemes through an intercultural reading The methodological principles utilized foster a cross pollination of ideas between the Johannine characterization of a community

of God and the community concept present in Akan maxims This allows the Akan concept of communitarianism to enrich the reader's understanding of the text It also allows John's theology of community revealed in what Jesus epitomizes prescribes and proscribes for the believing community to serve as a form of discernible evaluation for Akan and other believers on the modus vivendi redolent of a believing community In the end it forces a redefinition of community replacing the anthropocentric individualistic and acquisitive elements that have typified the human community with a theocentric and authentically collectivist approach

The Conceptual Worlds of the Fourth Gospel Charles B. Puskas, C. Michael Robbins, 2021-01-08 Over and under and through John's story of Jesus are unforgettable ideas and concepts profoundly simple and simply profound for the author's own audience and beyond These ideas did not originate in a vacuum They have recurred and been repeated before and after the writing of the Fourth Gospel For this reason we will examine the meaning of its words and themes in the context of its Jewish Greco-Roman milieu Much of our intertextual understanding will be derived from alleged parallels that involve comparisons of similar vocabulary and phrases as well as parallel concepts and images from the Old Testament the Dead Sea Scrolls Philo and other relevant writings Such parallels will help to determine the meaning of a word or expression the translation of a particular language determining any direct influences upon the Fourth Gospel parallel traditions or the influence of its ideas as a creative and inspiring work of later antiquity
