**The Gospel and the American Dream** Bruce Leon Shelley, 1989      **Radical** David Platt, 2010-05-04 New York Times bestseller What is Jesus worth to you It s easy for American Christians to forget how Jesus said his followers would actually live what their new lifestyle would actually look like They would he said leave behind security money convenience even family for him They would abandon everything for the gospel They would take up their crosses daily But who do you know who lives like that Do you In *Radical* David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences He shows what Jesus actually said about being his disciple then invites you to believe and obey what you have heard And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus Finally he urges you to join in *The Radical Experiment* a one year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring

*American Dream 2.0* Frank A. Thomas, 2012-08-01 The promise of America has always been creative potential enterprise industry optimism idealism and hope This promise known since the beginning of the New World and named since the Great Depression as the American Dream is what makes immigrants cry at the base of the Statue of Liberty But there is a dark side to the American Dream too one that we don t talk about much in polite company A side characterized by the exploitation and domination of subjected people The national climate has caused many to question the validity of the American Dream and whether it even offers a viable vision for the nation There are few greater questions to ask Our collective future depends on a common vision If the American Dream is dead then what happens next This book evaluates the American Dream establishes its roots gives reasons for its decline and offers solutions to reclaim the promise of the American Dream that is more aligned with Jesus vision of the kingdom of God and Martin Luther King Jr s vision of the Beloved Community Our challenge is to develop a redesigned American Dream a sustainable future for all free from exploitation and domination of subjected people

**Prosperity Gospel Latinos and Their American Dream** Tony Tian-Ren Lin, 2020-07-21 In this immersive ethnography Tony Tian Ren Lin explores the reasons that Latin American immigrants across the United States are increasingly drawn to Prosperity Gospel Pentecostalism a strand of Protestantism gaining popularity around the world Lin contends that Latinos embrace Prosperity Gospel which teaches that believers may achieve both divine salvation and worldly success because it helps them account for the contradictions of their lives as immigrants Weaving together his informants firsthand accounts of their religious experiences and everyday lives Lin offers poignant insight into how they see their faith transforming them both as individuals and as communities The theology fuses salvation with material goods so that as these immigrants pursue spiritual rewards they are also perhaps paradoxically striving for the American dream But after all Lin observes prosperity is the gospel of the American dream In this way while becoming better Prosperity Gospel Pentecostals they are also adopting traditional white American norms Yet this is not a story of smooth assimilation as most of these immigrants must deal with

the immensity of the broader cultural and political resistance to their actually becoming Americans Rather Prosperity Gospel Pentecostalism gives Latinos the logic and understanding of themselves as those who belong in this country yet remain perpetual outsiders

**Hollow Faith** Stephen Ingram, 2015-12-15 This book for youth leaders pastors and parents looks deep into the mirror of pop and church culture and asks the difficult and often maddening question Are those things we produce and consume defining us Author Stephen Ingram explores these themes of moralism deism meism consumerism pluralism and therapeutic religion of pop culture as well as current sociological and psychological data Hollow Faith separates the values of the gospel from the cultural norms that have domesticated them including How we believe we should act The Andy Griffith Show How we want to be known Facebook What we aspire to become the American Dream Ingram says that once we recognize these serious shifts in our faith we can begin to have discussions develop plans and form actions to reclaim the vibrant life giving faith of the Bible Includes a Parents Guide in the back

*Hard Sayings* Joshua West, 2018-09-27 Is the version of Jesus we talk about and preach in our churches the same Jesus that is revealed to us in the scriptures Is there such a thing as discipleship without self denial and sacrifice Is our idea of the American dream and having it all compatible with what the Bible says about the cost of discipleship In this book Joshua West will ask these questions and talk about what it means to pick up your cross and follow Jesus in the twenty first century

*Bruce Springsteen, Cultural Studies, and the Runaway American Dream* Jerry Zolten, 2016-05-23 There is little question about the incredible power of Bruce Springsteen s work as a particularly transformative art as a lyrical and musical fusion that never shies away from sifting through the rubble of human conflict As Rolling Stone magazine s Parke Puterbaugh observes Springsteen is a peerless songwriter and consummate artist whose every painstakingly crafted album serves as an impassioned and literate pulse taking of a generation s fortunes He is the foremost live performer in the history of rock and roll a self described prisoner of the music he loves for whom every show is played as if it might be his last In recent decades Puterbaugh adds Springsteen s music developed a conscience that didn t ignore the darkening of the runaway American Dream as the country greedily blundered its way through the 1980s and into the sociocultural detritus of a new century paralysed by isolation and uncertainty Bruce Springsteen Cultural Studies and the Runaway American Dream reflects the significant critical interest in understanding Springsteen s resounding impact upon the ways in which we think and feel about politics religion gender and the pursuit of the American Dream By assembling a host of essays that engage in interdisciplinary commentary regarding one of Western culture s most enduring artistic and socially radicalizing phenomena this book offers a cohesive intellectual and often entertaining introduction to the many ways in which Springsteen continues to impact our lives by challenging our minds through his lyrics and music

PhD,Thomas A. Hirschl PhD,Kirk A. Foster PhD,2014-02-28 Most Americans see the American Dream lying not in wealth and riches but rather in economic security pursuing one s passions and looking forward to the future Yet nearly 80 percent of the population will experience significant economic insecurity at some point between the ages of 25 and 60 In this book the authors show that the risk of economic vulnerability has been increasing substantially over the past four decades and argue that while not unattainable the American Dream as we currently define it is becoming harder to reach and harder still to keep

**Radical** David Platt,2010-05-01 IS JESUS WORTH THIS TO YOU Do you believe that Jesus is worth abandoning everything for Do you believe him enough to obey him and to follow him wherever he leads even when the crowds in our culture maybe even our churches turn the other way In Radical David Platt invites you to encounter what Jesus actually said about being his disciple and then obey what you have heard He challenges you to consider with an open heart how we have manipulated a God centered gospel to fit our human centered preferences With passionate storytelling and convicting biblical analysis Platt calls into question a host of comfortable notions that are common among Christ s followers today Then he proposes a radical response live the gospel in ways that are true filled with promise and ultimately world changing

Jillson, 2004 Marked by continuity renewal and expansion the image of the Dream Jillson contends has been remarkably constant since well before the American Revolution an image of a nation offering a better chance for prosperity than any other His book reveals how that Dream has motivated our nation's leaders and common citizens to move sometimes grudgingly toward a more open diverse and genuinely competitive society *The American Dream* Jim Cullen, 2004 Cullen particularly focuses on the founding fathers and the Declaration of Independence the charter of the American Dream Abraham Lincoln with his rise from log cabin to White House and his dream for a unified nation and Martin Luther King Jr's dream of racial equality Our contemporary version of the American Dream seems rather debased in Cullen's eyes built on the cult of Hollywood and its outlandish dreams of overnight fame and fortune *The American Dream and Dreams Deferred* Carlton D.
