winter freeze nature will rise and the earth will sing again If the Father in Heaven is so diligent about caring for the natural creation how much more does He care for the re creation of humanity How much more would He have cared for the Resurrection of His own divine Son How much more does He care for our entrance into the new life won for each of us by the Resurrection of Jesus Christ from the dead Allow the beauty of creation to be a sign to you of a reality that is infinitely greater Allow yourself to be drawn into the newness of life that is bestowed upon you by your sharing in the Resurrection of Christ To rise with Him means you are to become a new creation Reflect today upon the above line from the Responsorial Psalm for today s Mass This is the day the Lord has made let us rejoice and be glad The day we rejoice in is the new life God wants to bestow upon your soul here and now It s a new day a glorious one a transformed one a resurrected one New life must begin now and must become continually new and glorious as we journey deeper and deeper into the glory of the Resurrection Ponder this new day and allow our Lord to bestow it upon you through the power of His glorious Resurrection from the dead My resurrected Lord my hope is in You Alleluia You are alive and You have conquered all sin      **The Sarum Missal in English** Catholic Church,1911      **Smothered with Inexhaustible Mercy** Mark G.
