## **The Gospel Of Days:**

**A Commentary on the Gospels for the Sundays and Other Holy Days of the Christian Year.** By the Rev. W. Denton. [With the Text.] ,1861      **A Commentary on the Gospels for the Sundays and Other Holy Days of the Christian Year. Advent to Easter** Rev. William Denton,1861      **The Gospel According to a Modern Day Sinner** Gregg C. Cummings,2005 The word gospel means good news and is used for terms of truth and of the life and teachings of our Lord Jesus Christ I was moved to write about this because we live in a time when we are vastly becoming immune to the Gospel or maybe better put we are becoming desensitized to constantly hearing the Word while indulging the worldly feel good things that are bombarding us on a daily basis The apostles also lived in a time when they too had their work cut out for them and the Matthew Mark Luke and John s writings became the very gospels we are speaking of now as well as David and maybe as a side note for these gospels some 2000 years later this book might help some of you who are in my same situation believers who are sinners stuck in a world so evil that no society has ever seen it this bad before believers who are sinners that want nothing more but the strength and power to break away from the very things that are holding us bound to this way of life believers who are sinners that feel like losers who cannot give up those feel good things that have a more physical reality sinners that are believers through hope and wanting to be on the right side and yet not wanting to give up luxuries until we really have to the just in case mentality the selfish self that is not always in agreeance with our minds moral standing I only hope you read this book with an open mind to God If He shows you that what you read is no good then so be it for I am not God I only know that I am a Sinner that is a Believer that wants to share with you from my understanding of the scriptures and not from my selfish desires Because I believe that God has been with me I believe that He has taught me understandings that must be preached and must be written down If this book does nothing else but allow you to know that you are precious in His sight and that He wants you to come to Him with all your being then I will be happy      *Homilies on the Gospel According to St. John and His First Epistle* Saint Augustine (of Hippo),1848      **The Gospel Day; Or, the Light of Christianity** Charles Ebert Orr,2020-03-16 In *The Gospel Day Or the Light of Christianity* Charles Ebert Orr presents a profound exploration of the tenets and transformative power of Christian faith contextualizing it within the societal and moral dilemmas of his time The book employs a scholarly yet accessible literary style weaving theological discourse with practical implications of Christian doctrine Orr engages readers with a vigorous narrative that intertwines biblical exegesis with contemporary issues asserting that the light of Christianity not only illuminates spiritual paths but also addresses pressing ethical challenges faced by society Charles Ebert Orr a noted theologian and social reformer of the late 19th century draws upon his extensive background in ecclesiastical studies and pastoral experience to imbue this work with a sense of urgency and relevance His commitment to social justice and moral integrity colored his perspective fueling his desire to enlighten others about the redemptive nature of Christian teachings Orr s own journey through the confluence of faith and social

responsibility distinctly informs the thematic core of this book The Gospel Day is a vital read for those seeking not only theological understanding but practical guidance in living out Christian principles in everyday life With its rich insights and compelling arguments Orr s work invites readers to reflect deeply on their faith while considering its implications in the world around them **The Latter-Day Saints' Millennial Star** ,1850 **The Gospel according to John** John Peter Lange,2007-05-01 Presented here in paperback for the first time is John Peter Lange s Theologischhomiletisches Bibelwerk Intended to help preachers prepare sermons the commentary series is essentially biblical and evangelical catholic This 19th century commentary has served as a standard reference for more than a century Many early reviewers regarded Schaff s edition with his additional material as superior to the original It has proven to be a complete and useful Commentary and continues to prove especially valuable to ministers It contains critical annotations of the text and its translation and a threefold commentary exegetical doctrinal and homiletical Under these three heads the text is viewed from every aspect

Deems](#) Holy days,1902 [The Day Jesus Died](#) Woodrow Michael Kroll,2025-03-13 If we could transport ourselves back to the first century AD would we know the year date day and hour of the crucifixion of Jesus Yes we would We may even have been an eyewitness But can we know these time markers today Yes we can In The Day Jesus Died using biblical historical archaeological and literary information of that century readers will trace the time of Jesus death to the very hour of the very day of the very year that the Savior was crucified This is not some hocus pocus pseudo science This is the real deal Based on eyewitness historical and literary accounts and relying on the methods of telling time in the first century readers can pinpoint the hour Jesus said It is finished It s almost like being there

**Diving into the Gospel of John** Bruce R. Reichenbach,2023-02-09 Diving into the Gospel of John displays the rich and diverse arguments John presents for his thesis that Jesus is the Messiah the Son of God and that through believing readers listeners will find eternal life John s arguments are developed in four parts The first two chapters develop the author s literary techniques that are often based on ambiguity and his key symbols and concepts the understanding of which are

essential to fully appreciate the Gospel Chapters 3 through 6 progressively portray the author's evidence for his thesis in the form of signs testimony of those who encounter Jesus Jesus's self identification and Jesus's relationships to others Chapters 7 and 8 show how the author uses theatrically patterned dialogues and triadic discourses to convey Jesus's identity and mission Finally chapters 9 through 11 provide important hints that the author gives for his thesis Jesus's appeals to time the indirect use of seven as the number of completeness and invocation of parentage in pointing to salvation Through diving into the Gospel readers will discover the richness of John's argument the Jesus he portrays and the God Jesus reveals The book aims to stimulate commitment challenge mind and spirit and encourage further reflection and conversation

*THE GOSPEL OF JOHN Original Version - Volume II* translated by James David Audlin, 2014-02 The only narrative about Jesus by eyewitnesses this is also one of the world's greatest literary works The unfinished text was spirited off to Sinope when the author was sent into exile Even there the hand of Rome nearly destroyed it Rescued 35 years later the author's spiritual heirs published it While in Sinope some pages got lost or disordered After publication various editors changed the manuscript repeatedly to suit the changing doctrines of early Christianity even adding spurious new material Thus the standard text is an inspiring mess but still a mess This translation restores not the unfinished original text but the masterpiece the author sought to compose a first hand account of a real man sent to urge humanity to accept God's will set down before doctrine repackaged him as an incarnate deity Volume One contains the carefully restored text and a history of the gospel Volume Two includes commentaries that burnish this masterpiece for the modern reader
