The Gospel Of Matthew On Mount Rainier:

The Gospel of Matthew on Mount Rainier Jim Westenhaver, 2005-12-01 These reflections on Jesus Christ came as a result of Westenhaver's hiking the trails of Mount Rainier. Over time his effort to walk the narrow path developed into a mature viewpoint of the Son of the Universe.

Mount Aconcagua and Mount Rainier Seven Mountain Story Walter Glover, MTS, 2020-12-23 The mountains are calling and I must go. John Muir. Another in his series of exciting mountaineering stories, senior citizen adventure author Walter Glover continues his quest to climb the world's famed Seven Summit mountains. After reaching Mount Everest base camp, the summits of Kilimanjaro and the highest peaks in Russia and Australia, the popular series turns to South America. Mount Aconcagua is the highest mountain in the southern hemisphere, its peak reaching 22,000 feet. The expedition is marked by camaraderie and peril. Walter then turns his climbing boots homeward to Mount Rainier to prepare for the Seven's final two peaks. A fall and the discovery of three aneurysms, one which required open heart surgery, sidelined him temporarily. A retired hospital chaplain, reviewers frequently remark that the centerpieces of Walter's books are spirituality and inspiration. Walter's altruistic aim was to raise money with his climbs for children's wellness initiatives. 140,000 to date. Now more than going high, he goes long, trekking the pilgrimage across Spain, the Way of St. James, El Camino, and across England. In February 2019, he and friend Nancy Conner and his cousin Pilar French trekked, kayaked, and bicycled across South American Patagonia near Cape Horn. Book III contains vivid accounts of tumultuous weather, making friends, and unexpected challenges. Walter writes with the warmth of a real person and includes his spiritual journey as well as the physical challenges of high altitude mountaineering at age 64. His stories are told with a healthy dose of self-deprecating humor as well as with prayers and psalms.

Faith and Other Flat Tires Andrea Palpant Dilley, 2012-02-21 At age twenty-one, Andrea Palpant Dilley stripped the Christian fish decal off her car bumper in a symbolic act of departure from her religious childhood. At twenty-three, she left the church and went searching for refuge in the company of men who left her lonely and friends who pushed the boundaries of what she once held sacred. In this deeply personal memoir, Andrea navigates the doubts that plague believers and skeptics alike. Why does a good God allow suffering? Why is God so silent, distant, and uninvolved? And why does the church seem so dysfunctional? Yet amid her skepticism, she begins to ask new questions. Could doubting be a form of faith? Might our doubts be a longing for God that leads to a faith we can ultimately live with?

The Transfiguration of Christ and Creation John Gatta, 2011-01-01 The biblical story of Jesus' Transfiguration on a high mountain bristles with meanings germane to present-day concerns and spiritual longings. Together with its later artistic representations, this episode from the synoptic gospels seizes the imagination as an icon of mystical hope, beauty, and possibility. What might such an iconic episode, long honored liturgically in the Eastern church, disclose not only about Jesus but also about the prospect of seeing our human nature transformed? And as interpreted by Christian tradition since the patristic era, what might it tell us about the worth of envisioning not just a conservation or preservation of natural resources but a transfiguration of all creation and
