Stephen Crosby

The Gospel Vs Legalism How To Deal With Legalisms Insidious Influence:

The Gospel Vs. Legalism Marvin Moore, 1994 The Gospel vs Legalism explores God's intent for the law. It helps us understand what legalism is all about and how we can escape its crippling consequences to experience joyful freedom in Christ. You'll see that there are many similarities between the problems Christians faced in Galatia and those we face today. Paul encourages us never to exchange our relationship with Christ for a religion centered on rules and regulations. He teaches us that we must never substitute any system of works for the gospel of righteousness by faith.

The Silent Killers of the Faith Stephen Crosby, 2005 Like poor driving, legalism is the other guy's problem; the idiot is always in the other car. Crosby delivers a powerful punch in this expose on legalism as he shows that it is a problem for all of us. It is a silent killer, and the author seeks to expose all of its treacherous tentacles. Legal and performance-based religion is the most prevalent, unrecognized, and deleterious malady affecting the individual believer and the Church universal.

A Different Kind of Poison: How Legalism Destroys Grace Kevin Pendergrass, 2018-11-17 Kevin Pendergrass graduated from the East Tennessee School of Preaching and Missions in 2008, now known as the Southeast Institute of Biblical Studies. After graduating, he spent over six years living in Oklahoma, working as a full-time minister, evangelist, formal debater, and co-host for The Gospel of Christ international television and radio program. During his earlier years, Kevin unintentionally hedged to some very legalistic approaches to Scripture and Christianity. Through continual study, humbling experiences, and honest reflection, he came to understand more fully his own shortcomings and his desperate need for the grace of God. He discovered that legalism is a spiritual poison that can be found anywhere, at any time, and in any person. No Christian or church affiliation is immune to its dangers. Unlike identifying a certain teaching, legalism is different because it is an approach and a mindset. In *A Different Kind of Poison: How Legalism Destroys Grace*, you will join Kevin on his journey as he discovers how to approach Christianity the way God intended.

Law & Liberty: A Biblical Look at Legalism Don Kistler, John MacArthur, Steven J. Lawson, Joel Beeke, Richard D. Phillips, Phil Johnson, Jim Elliff, Kenneth Talbot, Bruce Bickel, 2015-03-16 The authors in this compilation address the issue of legalism from a variety of angles. John MacArthur shows first that obedience to God is not an issue of legalism but an issue of love. In his second chapter, he deals with the inevitable response of people who are confronted with Biblical standards: Judge, not that ye be not judged. Here MacArthur shows what our Lord meant when He said that and shows what biblical discernment really is: that there is a vast difference between judgmental and holding people accountable to God's standards. Phil Johnson in his first chapter deals

with Christian liberty In his second chapter he takes a critical look at two kinds of legalism then explores the relationship of Christian love and Christian liberty Joel Beeke shows that enthusiasm for God's law is not necessarily legalism One can be zealous without being legalistic As David wrote Oh how I love Thy Law Bruce Bickel explains that legalism is due to a weak understanding of what Christ accomplished on the cross Jim Elliff makes clear that legalism is an attack on unity within the Body of Christ particularly local congregations Ken Talbot helps us to see that legalism is inconsistent with and incompatible with the doctrine of justification by faith alone He points out that the doctrine of free will leads to this dangerous position Rick Phillips explores the relationship to loving God and obeying His law Some today believe that love is all that matters and that the law as a guideline to love is extinct Then this author shows that Biblical sanctification is the antidote to and the opposite of legalism Steven J Lawson shows that legalism is the result of holding to man made traditions over the truth of God's Word Second he points out how dangerous and deadly a thing legalism is and why

[Official] a Different Kind of Poison Kevin Pendergrass, 2018-11-18 Does your Christianity feel empty The harder you work the more discouraged you become Does going to church feel more like playing pretend and checking the box Kevin Pendergrass knows these feelings all too well Pendergrass former co host of the nationwide TV program the Gospel of Christ was once known for his dogmatic preaching and tyrannical debates In *A Different Kind of Poison* you will join him in his personal journey and conversion story as he details how he fell into an unintentional works based religious system and how he eventually found a grace centered relationship with Jesus that changed everything If you practice a Christian religion but feel like something is just not right then *A Different Kind of Poison* is a must read

Leaving Legalism: Learning to Love God, Others, and Yourself Again Kendra Fletcher, 2018-09-06 From a decade lived deeply in the chokehold of a legalistic community Kendra Fletcher emerged to find healing grace for herself and a renewed faith that stood apart from the religious confines of her previous life in a rigid church community Are you there too finding yourself leaving a legalistic or cult like church and wondering what it all meant Gasping for breath hoping to find peace looking to find your way after years of spiritual abuse and religion driven shame If it's your time to find freedom and healing *Leaving Legalism* will serve as a guide to help you learn not only to separate religious behavior from true faith in Christ but to emerge confident in the knowledge that you're already loved and accepted far beyond your wildest dreams Begin your journey to healing as Kendra discusses Swinging the pendulum from law to grace Why rules make us feel safe How we all end up

evangelizing a lifestyle Our identity in Christ How to let go of the past How to learn to rest in what God has done for us How to move forward including how to apologize to your children I can **Law and Liberty** Don Kistler, 2013 There are two deadly extremes Christians must avoid legalism and antinomianism Both are antithetical to the gospel One raises God's standards and the other lowers them This book addresses the first of those deadly traps that of legalism It is a term that is often thrown about but is seldom defined In this helpful book several noted preachers and theologians show what legalism is and how destructive it can be to a right understanding of both justification and sanctification Legalism is a yoke that neither we nor our fathers could bear Fortunately that yoke was borne by Christ at the cross and He alone is able to bear it He has fulfilled all righteousness for us and that is a reason for rejoicing Publisher *The Impact of Legalism on Contemporary Christianity* Maryann Young, 1990
