The Gospel Without Compromise:

Living the Gospel Without Compromise Catherine de Hueck Doherty, Heigberger, Marian, 2002 Recent events in world history are showing that cracks are beginning to form in our modern economic political and technological world In the midst of this people of all kinds be they powerful rulers of nations or the humble poor on the street corner are beginning to awake to the powerful spirituality that has been hidden just below the surface of their daily lives Some are filing into churches in droves while others are muttering quiet prayers as they lie in bed but all are hungering for answers How can we find security Where is all of this leading us In this important book compiled from writings of Catherine Doherty she speaks straight from the heart with wisdom and clarity about the problems facing us in the modern world A Russian refugee who made good and then gave up everything to serve the poor of America Catherine has unique and startling insight into the stark realities of the life of faith from the very rich to the very poor The answers my surprise us by their simplicity but they must begin in ourselves and be incarnated in our own lives before we can expect them to take root and change the world There is concrete help within these pages and solutions which will help us all to make an unequivocal choice to live the gospel without compromise in our lives The Gospel Without Compromise Catherine de Hueck Doherty, 1979 The Gospel Without Compromise Catherine de Hueck Doherty, 1982 **The Gospel Without Compromise** Catherine Doherty, 1989 The Power of Integrity John MacArthur, 1997-04-30 We live in a society that has largely abandoned moral standards and Christian principles Unkept campaign promises false advertising exaggerated tax exemptions employee theft compromise has become a way of life Such moral concession has even invaded the church Faced with an opportunity to proclaim Christ to unbelievers we feel intimidated and keep silent Or we water down God s Word on ethical issues at work or in our community to avoid rejection Too often we prefer hypocrisy to integrity But God longs for His people to be different to maintain a commitment to His standards no matter what the cost Is consistent obedience to God integrity attainable in this world of sin and self By the grace and power of God yes One of the nation s most respected pastors points the way to persevering character in Christ Drawing from scriptural examples of godly men who modeled integrity during severe testing MacArthur makes a compelling case for the impact a man or woman of integrity can have in our world A helpful study guide for individuals or groups is included *Staritsa* Donald A. Guglielmi, 2017-12-07 The present book is the first work to highlight Catherine Doherty s vocation to spiritual motherhood Drawing upon primary archival sources the author traces Catherine s development as a staritsa or spiritual mother in the Russian Eastern tradition Of particular interest are the chapters dealing with Catherine s exercise of spiritual motherhood for priests and laity alike Previously unpublished letters of spiritual direction between Catherine and her major spiritual directors offer the reader a privileged glimpse into the soul of this servant of God and her spiritual children as she grows in her vocation as staritsa For example in one striking letter Catherine describes how she guided a disillusioned young priest who was struggling with a drinking problem and

temptations involving young women and was bordering on despair With clenched teeth I sailed into him first gently almost caressingly calling him back to Christ he once loved then more sternly then quietly He left full of thanks and some hope

Sermons for the Battlefield Dominique J. Fryar,2012-05-02 One of the greatest questions in the Christian faith is how do I achieve spiritual prosperity and finally gain victory over my life Many are tired of fighting the same fight and being dealt the same hand and want God to hurry up and answer them Time and time again we look to our external circle to find stimulation for an internal struggle only to find ourselves looking back at the Eternal Answer to avoid a worst situation The keys to success are written in every self help book and can be heard in speaking arenas around the world but God wants us to listen to what He has to say True success is not measured by the amount of money in your bank account or the number of people that follow a multi million dollar empire Change your thinking Most millionaires and successful people still find themselves unhappy and spiritually dry and seeking for spiritual nourishment We are charged to be different and to show others that do not know the way how to reach their greatest potential and live a spiritually prosperous life God is calling every man to him The Lord has room in the kingdom for all willing to lose their life to earn eternal life and achieve spiritual prosperity No matter if you want to be rich in favor own a Fortune 500 company or just want to develop the position in your life right now God wants to show you how to take where you are and use that to get to where you want to be *Conciliation without compromise, the duty of the clergy in the present state of the Christian Church:-a sermon [on James iv. 1] preached at the annual visitation of the Clergy of the Deanery of Penwith* William GRYLLS,1824 **King James Version Bible**
