The Gospels In Current Study

Delbert Royce Burkett

The Gospels In Current Study:

The Gospel of Matthew in Current Study David Edward Aune, 2001 First rate scholars here explore the pastoral and academic aspects of the study of Matthew's Gospel Built on the best of current research these chapters cover a diverse range of significant topics in addition to highlighting the points of disagreement that continue to stimulate scholarship in the field Published in memory of William G Thompson S J The Gospel of Matthew in Current Study is not only a fitting tribute to Thompson's lifelong interest in the First Gospel but is also an excellent introduction to contemporary Matthean studies with great potential as a classroom resource Contributors Richard S Ascough David E Aune Wendy Cotter Daniel J Harrington Jack Dean Kingsbury Amy Jill Levine Anthony J Saldarini Donald Senior Graham N Stanton Thomas H Tobin Elaine Wainwright

The Gospel behind the Gospels Ronald A. Piper, 2014-04-09 The Gospel Behind the Gospels portrays all the major areas of current discussion and debate regarding the early source of Jesus sayings known as Q Sixteen gospel scholars have advanced the debate about this source's nature history and significance Contributors discuss Q's existence its relationship to Mark's gospel and to the Gospel of Thomas its genre its redactional history with special reference to the Son of Man and to wisdom and prophetic traditions its social history with respect to family structures and the Cynics a feminist analysis of Q its significance for the historical Jesus and for Jesus parables The volume sheds important light on Jesus and Christian origins as well as upon Q itself and it is significant for the diversity of major North American European and Japanese scholarship which is represented

The Gospels in the Light of Modern Research John Rougier Cohu, 1909

Studies in the Early Text of the Gospels and Acts D. G. K. Taylor, 1999-01-01 No Marketing Blurb

Goulder and the Gospels Mark Goodacre, 1996-12-01 Goulder and the Gospels is the first comprehensive response to the radical challenge Michael Goulder has posed for New Testament scholarship Goulder dispenses with all hypothetical sources Q M and L and postulates highly creative evangelists who write in the light of the liturgy In this penetrating critique Goodacre provides a critical overview of Goulder's work focusing on several key areas the vocabulary of Q the language of the Minor Agreements the creativity of Luke and the lectionary theory He does not simply assess the plausibility of Goulder's ideas but also develops new ways to test them The theories are sometimes found to be wanting but at the same time Goulder is reaffirmed as one of the most important and stimulating Biblical scholars of this generation

From the Sayings to the Gospels Christopher Tuckett, 2014-05-27 The essays by Christopher Tuckett collected in this volume represent a number of studies published over a period of 30 years seeking to throw light on the way in which Jesus traditions were developed and used in early Christianity Many of the essays are concerned in one way or another with the Sayings Source Q discussing its existence its possible pre history and key features of the material it contains Further essays look at Jesus traditions in Paul and in the Gospel of Thomas In a final section the author focuses on the individual synoptic gospels with a number of studies concerned with Christology especially the use of the term Son of Man These essays show that early Christian traditions about Jesus can

provide valuable information not only about Jesus but also about how early Christians used these traditions to relate to their own situations and contexts *The Gospel of Thomas and Christian Origins* Stephen J. Patterson,2013-07-25 The essays collected in *The Gospel of Thomas and Christian Origins* offer a series new chapters in the history of Christianity s first century Stephen J Patterson whose work on the Gospel of Thomas has circulated widely for more than two decades argues that taking this new source seriously will require rethinking a number of basic issues including the assumed apocalyptic origins of early Christian faith the supposed centrality of Jesus death and resurrection and the role of Platonism in formulation of both orthodox and heterodox Christian theology **Q, the Earliest Gospel** John S. Kloppenborg,2008-10-03 Estimated to date back to the very early Jesus movement the lost Gospel known as Q offers a distinct and remarkable picture of Jesus and his significance and one that differs markedly from that offered by its contemporary the apostle Paul Q presents Jesus as a prophetic critic of unbelief and a sage with the wisdom that can transform In Q the true meaning of the kingdom of God is the fulfillment of a just society through the transformation of the human relationships within it Though this document has never been found John Kloppenborg offers a succinct account of why scholars maintain it existed in the first place and demonstrates how they have been able to reconstruct its contents and wording from the two later Gospels that used it as a source Matthew and Luke Presented here in its entirety as developed by the International Q Project this Gospel reveals a very different portrait of Jesus than in much of the later canonical writings challenging the way we think of Christian origins and the very nature and mission of Jesus Christ **Who Chose the Gospels?** C. E. Hill,2012-04-05 How did the Church get Matthew Mark Luke and John instead of Thomas Mary Peter and Judas C E Hill presents evidence for how and why despite the numerous Gospels that appeared in the earliest Christian centuries four and only four Gospels came to be embraced by the Protestant Roman Catholic and Eastern Orthodox churches alike *Jesus Outside the New Testament* Robert Van Voorst,2000-04-13 Presents evidence and information aside from the Christian scriptures on the life and teaching of Jesus Christ Features excerpts in Roman correspondence and the early Christian writings known as the New Testament Apocrypha

The Once and Future Bible Gregory C. Jenks,2011-01-10 This book offers a way to engage with the Bible as a set of sacred texts that can serve as a song sheet for believers in exile those people Bishop John Shelby Spong calls the church alumni association This includes those internally displaced persons of faith who have not yet become spiritual refugees but who feel the pressure to conform to traditional expressions of faith that no longer serve as springs of living water for the journey of life These ancient texts come from another world and another time but they can serve as maps for the journey of life They can best do this when the sacred wisdom of the Bible is accepted as permission to voice the new questions we face today in the confidence that authentic faith has always required such boldness Religious progressives are people who live the questions not dodge them Our task is not to guard a set of traditional answers but to live life boldly taking risks for God s sake and our own One of the hallmarks of this book is that the problems posed by the Bible are acknowledged In particular

the contributions of recent critical scholarship are embraced rather than being ignored or neutralized by pious ambivalence The intended reader of this book is not a traditional believer secure in her assumptions about God and salvation but someone struggling to live with integrity in a time when traditional religion seems increasingly irrelevant The goal is not to persuade the reader that the Bible is credible but more modestly to offer an account of the Bible that may encourage religious progressives to reclaim the Bible as a valued part of our spiritual baggage *The New Testament* Donald A.

Hagner,2012-11-15 This capstone work from widely respected senior evangelical scholar Donald Hagner offers a substantial introduction to the New Testament Hagner deals with the New Testament both historically and theologically employing the framework of salvation history He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety Although the volume covers typical questions of introduction such as author date background and sources it focuses primarily on understanding the theological content and meaning of the texts putting students in a position to understand the origins of Christianity and its canonical writings Throughout Hagner delivers balanced conclusions in conversation with classic and current scholarship The book includes summary tables diagrams maps and extensive bibliographies **The Turning Point in the Gospel of Mark** Gregg S. Morrison,2014-09-24 Based on

linguistic and thematic links in the narrative The Turning Point in the Gospel of Mark argues that the twin pericopae of Peter s confession 8 27 38 and the Transfiguration 9 2 13 together function as the turning point of the Gospel and serve in a Janus like manner enabling the reader to see the author s main focus the identity of Jesus and the significance of that reality for his disciples Peter s confession of Jesus as Messiah faces backward toward the Prologue 1 1 13 and functions as a mid course conclusion The declaration by God on the mountain faces forward and foreshadows the end course conclusion 14 61 62 15 39 Son of God Jesus in response teaches that the Son of Man must suffer and die before being raised from the dead 8 31 Christologically the images of Messiah Son of Man and Son of God converge and present Jesus the crucified as king ushering in the kingdom of God in power 9 1 acting as the key swivel between the twin pericopae When one is confronted with this Jesus though there remains something elusive about him and the kingdom of God in the narrative the only wise decision after calculating the costs 8 34 38 is to follow *The Sayings Gospel Q in Greek and English* James McConkey Robinson,Paul

Hoffmann,John S. Kloppenborg, Formed in 1989 the International Q Project has worked diligently to establish the text of the Sayings Gospel Q The results of their work were first published in the widely acclaimed Critical Edition of Q Hermeneia Supplements Fortress Press 2000 This present edition provides students with a useful and economical way to study the text in Greek and English as well as benefit from an introduction to Q studies The Q material consists mainly of sayings of Jesus but begins with some sayings of John the Baptist Simply defined Q is the non Markan material common to Matthew and Luke Narratives are missing for the most part most conspicuously the Passion Narrative **Dictionary of Jesus and the**

Gospels (2nd edn) J B GREEN,J BROWN,N PERRIN,2020-05-21 The Dictionary of Jesus and the Gospels is unique among

reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus s day has advanced in ways that could not have been predicted in Hastings s day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discusses in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church

Rethinking the Gospel Sources Delbert Royce

Burkett,2009 Burkett offers a new viewpoint on the much debated Synoptic Problem He contends that each theory regarding the Synoptic Problem is problematic Each presents a case for the mutual dependence of one source upon another for example Matthew and Luke depend primarily on Mark but use each other where they report the same story not contained already in Mark Neither Mark nor Matthew nor Luke served as the source for the other two but all depended on a set of earlier sources now lost The relations between the Synoptic Gospels are more complex than the simpler theories have assumed

Jesus, Matthew's Gospel and Early Christianity Daniel M. Gurtner,Joel Willitts,Richard A. Burridge,2011-10-27

The passing of Professor Graham Stanton former Lady Margaret chair of divinity at Cambridge University in 2009 marked the passing of an era in Matthean scholarship and studies of early Christianity Stanton s 15 books and dozens of articles span thirty four years and centre largely on questions pertaining to the gospel of Matthew and early Christianity The present volume pays tribute to Stanton by engaging with the principal areas of his research and contributions the Gospel of Matthew and Early Christianity Contributors to the volume each engage a research question which intersects the contribution of Stanton in his various spheres of scholarly influence and enquiry The distinguished contributors include Richard Burridge David Catchpole James D G Dunn Craig A Evans Don Hagner Peter Head Anders Runesson and Christopher Tuckett

An

Introduction to Religious and Theological Studies, Second Edition Cyril Orji, 2021-01-07 An Introduction to Religious and Theological Studies walks students through topical issues to be encountered in the study of the Abrahamic religions Judaism Christianity and Islam as these religions encounter other religions in the context of the wider ecumenism The text is written from a Christian point of view and aims at helping students understand that to be Christian is to be ecumenical African Traditional Religions ATRs has been included in this survey to provide background for the religious traditions and cultures of peoples of Africa as Christianity moves inexorably southward The book has been written with undergraduate general education students in mind including meeting the needs of those in seminaries and theological institutes *Handbook for the Study of the Historical Jesus (4 Vols)* Tom Holmén, Stanley E. Porter, 2011 V 1 How to study the historical Jesus v 2 The study of Jesus v 3 The historical Jesus v 4 Individual studies **The Content and the Setting of the Gospel Tradition** Mark Harding, Alanna Nobbs, 2010-10-22 Editors Mark Harding and Alanna Nobbs have here brought together the internationally recognized scholarly excellence of Macquarie University faculty and associates to provide a major contribution to the study of the content and environment of the New Testament Gospels Few books in current New Testament scholarship seriously tackle its social setting and textual tradition beyond a chapter or two The Content and Setting of the Gospel Tradition integrates the texts with the literary social and historical context in which they were written

The Gospels In Current Study Introduction

In today's digital age, the availability of The Gospels In Current Study books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Gospels In Current Study books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Gospels In Current Study books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Gospels In Current Study versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Gospels In Current Study books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Gospels In Current Study books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Gospels In Current Study books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students.

and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Gospels In Current Study books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Gospels In Current Study books and manuals for download and embark on your journey of knowledge?

FAQs About The Gospels In Current Study Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Gospels In Current Study is one of the best book in our library for free trial. We provide copy of The Gospels In Current Study in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Gospels In Current Study. Where to download The Gospels In Current Study online for free? Are you looking for The Gospels In Current Study PDF? This is definitely going to save you time and cash in something you should think about.
