## **The Grasping Imagination The American Writings Of Henry James:**

The Grasping Imagination Peter Martinus Buitenhuis, 1970-12-15 There has been almost no study of the American writings of Henry James that is the fiction essays and travel literature with an American setting The great bulk of Jamesian criticism deals with the international novels particularly his late works This study places James's career in a new perspective by discussing its American aspect It gives the critic an opportunity to come to grips with the evolution of James's technique from his second short story to his penultimate unfinished novel *The Ivory Tower* The Grasping Imagination Ian Macmillan Ward, 1970 **Henry James and the Writing of Race and Nation** Sara Blair, 1996-01-26 This 1996 book describes a new Henry James who rather than being paraded as a beacon of high culture actually expresses a nuanced understanding of and engagement with popular culture Arguing against recent trends in critical studies which locate racial resistance in popular culture Sara Blair uncovers this resistance within literature and high modernism She analyses a variety of texts from early travel writing to *The Princess Casamassima* *The American Scene* and *The Tragic Muse* always setting the scene through descriptions of key events of the time such as Jack the Ripper's murders Blair makes a powerful case for reading James with a sense of sustained contradiction and her project absorbingly argues for the historical and ongoing importance of literary texts and discourses to the study of culture and cultural value *Teaching the Short Fiction of Henry James* Kathleen McDonald, Anne S. Jung, 2022-08-01 Henry James stands as one of the preeminent writers of the late 19th early 20th century period however the world he wrote about has since disappeared This collection of essays provides pedagogical assistance for several of his short stories including *The Jolly Corner* *The Europeans* and *Travelling Companions* and his most anthologized longer works It is aimed at instructors who do not consider themselves experts on James work Each essay approaches a single work offering a critical analysis as well as providing pedagogical suggestions for how to introduce both the work and the relevant social issues to students of the 21st century **A Historical Guide to Henry James** John Carlos Rowe, Eric Haralson, 2012-02-16 An excellent primer to the work and milieu of Henry James this collection of essays highlights the historical and cultural issues that influenced the great novelist **Henry James as a Biographer** Willie Tolliver, 2014-02-04 This study of Henry James's biographies of Nathaniel Hawthorne and William Wetmore Story offers an argument that he deserves greater recognition for his contributions to the development of biography based on his implicit theory of biography found in his critical commentary and on these two complicated and ultimately artistically innovative performances in the genre Although James maintained an ambivalent relationship to the art of biography in his reviews criticism letters and fiction he wrote about biography from a core of aesthetic conviction that constitutes an informal poetics It is necessary thus to scrutinize the ways in which James's theoretical convictions particularly his insistence on artistic unity fail him when he writes two biographies himself Both Hawthorne 1879 and William Wetmore Story and *His Friends* 1903 fail to cohere in the way traditional biographies achieve unity Neither work has at its center a dynamic and fully dimensional apprehension of the

biographical subject Instead James violates one of his own essential biographical tenets He usurps his subject and places himself at the center of what should be a narrative of his subject's life The results fall short of fully achieved biography but they do not fall short of literary interest In order to write these books according to his own genius James had to reinvent the form They are rife with innovations chief among them his great experimentation with narrative point of view here brought to bear on biography This concept and others survey the terrain for the important biographical practitioners and theorists who follow him For this reason a special place must be found for James in pantheon of experimental biographers

**Henry James Writes New York** Leonardo Buonomo, 2024-10-30 This book offers the first full length study of Henry James's relationship with and literary treatment of New York It shows how the city whether observed or reimagined always remained an essential component of James's identity New York compelled James to confront both his status as an American born male artist and his age's prevailing notions of gender sexuality class citizenship and success Tracing James's attachment to the city and how it evolved during his lifetime this book examines a wide range of James's works from his short stories and novels to his non-fiction writing

**Culture and Criticism in Henry James** Dietmar Schloss, 1992

**The Dangers of Interpretation** Ilona Treitel, 2019-08-22 First published in 1996 This comparative study investigates thematic and technical similarities in the works of the two authors who shared a cultural heritage and achieved comparable status in their separate literary traditions Drawing upon theories by Bloom Bakhtin and Lacan the book examines ways in which Henry James and Thomas Mann treat the creative artist and analyze the creative and interpretive processes in their fiction The texts covered range from early works to their great modern novels *The Golden Bowl* and *Doctor Faustus* To a great extent the similarities between the works stem from the authors' preoccupation with artistic responsibility Adopting Bloom's claim that the creative activity is an interpretive one and that the reader as well as the writer interprets a text into being the book also investigates the reader's responsibility in confronting the dilemmas challenging James and Mann's artist figures Such challenges are the dangers of interpretation discussed in this book

**Index Bibliography**

**Washington Square** Henry James, 2001 When timid and plain Catherine Sloper acquires a dashing and determined suitor her father convinced that the young man is nothing more than a fortune hunter decides to put a stop to their romance Torn between a desire to win her father's approval and passion for the first man who has ever declared his love for her Catherine faces an agonizing choice and eventually becomes all too aware of the restrictions that others seek to place on her freedom James's novel interweaves the public and private faces of nineteenth century New York society and is also a study of innocence destroyed

**BOOK JACKET**

**Henry James: A Literary Life** Kenneth Graham, 1995-06-12 This comprehensive account of the writing life of Henry James aims at providing a critical overview of all his important writings firmly set in two contexts that of James's practical career as a novelist in America England and Europe and that of the literary and intellectual climate of his time By tracing the complex development of his career under such headings as American and Romantic Victorian and Realist Crisis and Experiment and Master and

Modernist it gives a dynamic portrait both factual and interpretative of one of the greatest and most prolific novelists in the language whose many sided career began in the time of Thackeray and Dickens and ended by ushering in the writings of Joyce and Woolf

**Reading the American Novel 1865 - 1914** G. R. Thompson, 2011-10-17 An indispensable tool for teachers and students of American literature Reading the American Novel 1865 1914 provides a comprehensive introduction to the American novel in the post civil war period Locates American novels and stories within a specific historical and literary context Offers fresh analyses of key selected literary works Addresses a wide audience of academics and non academics in clear accessible prose Demonstrates the changing mentality of 19th century America entering the 20th century Explores the relationship between the intellectual and artistic output of the time and the turbulent socio political context

*Aesthetics of Space in Nineteenth-Century British Literature, 1843-1907* Giles Whiteley, 2020-03-02 Uncovers the link between Ruskin and the tradition of the aesthetics of space Discusses a hitherto under researched tradition of city writing linking Ruskin to modernism Reads comparatively five important mid to late nineteenth century writers Marries close textual analysis with historically and geographically informed context Fills a gap in the critical literature on city writing between realism and early modernism Charting an aesthetic post realist tradition of writing this book considers the significant role played by John Ruskin's art criticism in later writing which dealt with the new kinds of spaces encountered in the nineteenth century With chapters devoted to the ways in which aesthetic and decadent writers such as Walter Pater and Oscar Wilde built upon and challenged Ruskin's ideas the book links the late Dickens to the early modernism of Henry James The Aesthetics of Space in Nineteenth Century British Literature gives a vibrant vision of what an aesthetically sensitive treatment of these spaces looked like during the period

*Henry James, Impressionism, and the Public* Daniel Hannah, 2016-04-22 Proposing a new approach to Jamesian aesthetics Daniel Hannah examines the complicated relationship between Henry James's impressionism and his handling of the public Hannah challenges solely phenomenological or pictorial accounts of literary impressionism instead foregrounding James's treatment of the word impression as a mediatory unit that both resists and accommodates invasive publicity Thus even as he envisages a breakdown between public and private at the end of the nineteenth century James registers that breakdown not only as a threat but also as an opportunity for aesthetic gain Beginning with a reading of The Art of Fiction as both a public forming essay and an aesthetic manifesto Hannah's study examines James's responses to painterly impressionism and to aestheticism and offers original readings of What Maisie Knew The Wings of the Dove and The American Scene that treat James's articulation of impressionism in relation to the child the future of the novel and shifts in the American national imaginary Hannah's study persuasively argues that throughout his career James returns to impressionability not only as a site of immense vulnerability in an age of rapid change but also as a crucible for reshaping challenging and adapting to the public sphere's shifting forms

*Loose Ends* Russell Reising, 1996 In this study of American cultural production from the colonial era to the present Russell Reising takes up the loose ends of

popular American narratives to craft a new theory of narrative closure In the range of works examined here from Phillis Wheatley s poetry to Herman Melville s Israel Potter from Henry James s The Jolly Corner to the Disney Studio s Dumbo Reising finds endings that violate all existing theories of closure and narratives that expose the the often unarticulated issues that inspired these texts Reising suggests that these non endings entirely refocus the narrative structures they appear to conclude accentuate the narrative stresses and ideological fissures that the texts seem to suppress and reveal shadow narratives that trail alongside the dominant story line He argues that unless the reader notices the ruptures in the closing moments of these works the social and historical moments in which the narrative and the reader are embedded will be missed This reading not only offers new interpretive possibilities but also uncovers startling affinities between the poetry of Phillis Wheatley and the fiction of Henry James between Charles Brockden Brown s Wieland and Melville s least studied novel and between Emily Dickinson s poem I Started Early Took My Dog and Disney s animated classic Pursuing the implications of these failed moments of closure Reising elaborates on topics ranging from the roots of domestic violence and mass murder in early American religious texts to the pornographic imperative of mid century nature writing and from James s descent into naturalist and feminist fiction to Dumbo s explosive projection of commercial racial and political agendas for postwar U S culture

**The Theoretical Dimensions of Henry James** John Carlos Rowe,2009-08-27 Rowe examines James from the perspectives of the psychology of literary influence feminism Marxism psychoanalysis literary phenomenology and impressionism and reader response criticism transforming a literary monument into the telling point of intersection for modern critical theories

Portraying the Lady Donatella Izzo,2001-01-01 From Daisy Miller to Isabel Archer to Maisie female characters dominate the work of Henry James and often critical discussion of James s work Donatella Izzo shifts that discussion to a different more revealing plane in this original interpretation of James s short fiction By redirecting criticism from a biographical emphasis to a focus on James s engagement with the issues of representation Izzo shows how these short stories actually question and investigate the cultural and ideological practices that produced women both in literature and in society Portraying the Lady brings to light the experimental quality and inherent consistency of stories that have received little critical attention all of which revolve around ideas at the core of the cultural representation of femininity at the time Izzo shows how James by testing and stretching these ideas in his imagery and plots exposed and exploded the perverse logic and the ultimate implications of such culturally shared versions of femininity thus revealing their oppressive quality for women and laying bare literature s complicity in reproducing and circulating them Exposing James s texts as sensitive registers of women s roles during the Victorian Edwardian era this book demonstrates that his texts make readers aware of how those stereotypes operated Blending literary art and feminist criticism with narratological analysis and postmodern theory this groundbreaking work restores a formal awareness to James studies within the wider theoretical concerns of feminist gender and cultural critiques

The Figure of Consciousness Jill M. Kress,2013-08-21 Through analysis of

metaphors of consciousness in the philosophy and fiction of William James Henry James and Edith Wharton this work traces the significance of representations of knowledge gender and social class revealing how writers conceived of the self in modern literature

**Indirections of the Novel** Kenneth Graham, 1988 Professor Graham explores the art of indirection in the work of three masters of the technique Henry James Joseph Conrad and E M Forster

Family Secrets and the Psychoanalysis of Narrative Esther Rashkin, 2014-07-14 Family Secrets and the Psychoanalysis of Narrative is the first book to explore the implications of the psychoanalytic theory of the phantom for the study of narrative literature A phantom is formed when a shameful unspeakable secret is unwittingly transmitted through cryptic language and behavior transgenerationally from one family member to another The haunted individual to whom the encrypted secret is communicated becomes the unwitting medium for someone else's voice and the result is speech and conduct that appear incongruous or obsessive in a variety of ways Through close readings of texts by Conrad Villiers de l'Isle Adam Balzac James and Poe Esther Rashkin reveals how shameful secrets concealed within the unspoken family histories of fictive characters can be reconstructed from their linguistic traces and can be shown not only to drive the characters' speech and behavior but also to generate their narratives First articulated by the French psychoanalysts Nicolas Abraham and Maria Torok the theory of the phantom here represents a radical departure from Freudian Lacanian and other psychoanalytic approaches to literary interpretation In Rashkin's hands it also provides a response to structuralist and poststructuralist critiques of character analysis an alternative to deconstructive strategies of reading and a new vantage point from which to consider problems of intertextuality authorship and the formation and origins of narrative Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

When somebody should go to the books stores, search opening by shop, shelf by shelf, it is really problematic. This is why we allow the book compilations in this website. It will enormously ease you to look guide **The Grasping Imagination The American Writings Of Henry James** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections. If you plan to download and install the The Grasping Imagination The American Writings Of Henry James, it is entirely simple then, in the past currently we extend the join to buy and make bargains to download and install The Grasping Imagination The American Writings Of Henry James for that reason simple!

### **The Grasping Imagination The American Writings Of Henry James Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Grasping Imagination The American Writings Of Henry James has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Grasping Imagination The American Writings Of Henry James has opened up a world of possibilities. Downloading The Grasping Imagination The American Writings Of Henry James provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Grasping Imagination The American Writings Of Henry James has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Grasping Imagination The American Writings Of Henry James. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Grasping Imagination The American Writings Of Henry James. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Grasping Imagination The American Writings Of Henry James, users should also consider the potential security risks

associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Grasping Imagination The American Writings Of Henry James has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About The Grasping Imagination The American Writings Of Henry James Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Grasping Imagination The American Writings Of Henry James is one of the best book in our library for free trial. We provide copy of The Grasping Imagination The American Writings Of Henry James in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Grasping Imagination The American Writings Of Henry James. Where to download The Grasping Imagination The American Writings Of Henry James online for free? Are you looking for The Grasping Imagination The American Writings Of Henry James PDF? This is definitely going to save you time and cash in something you should think about.
