The Great Abraham Lincoln Hijack Bonnie Stahlman Speer,1997 **The Great Abraham Lincoln Hijack** Bonnie Stahlman Speer,1997 *Stealing Lincoln's Body* Thomas J. CRAUGHWELL,2009-06-30 On the night of the 1876 presidential election a gang of counterfeiters attempted to steal the entombed embalmed body of Abraham Lincoln and hold it for ransom Craughwell returns to this bizarre and largely forgotten event with the first book to place the grave robbery in historical context This rousing story of hapless con men intrepid federal agents and ordinary Springfield citizens offers an unusual glimpse into late nineteenth century America Giant in the Shadows Jason Emerson,2012-03-27 Giant in the Shadows is the definitive biography of Robert T Lincoln 1843 1926 the oldest son of Abraham and Mary Lincoln and their only child to live past age eighteen Emerson after nearly ten years of research draws upon previously unavailable materials to cover Robert Lincoln s entire life in detail Lincoln's Grave Robbers (Scholastic Focus) Steve Sheinkin,2013-01-01 A true crime thriller the first book for teens to tell the nearly unknown tale of the brazen attempt to steal Abraham Lincoln s body Reissued in Scholastic Focus with an exciting new cover The action begins in October of 1875 as Secret Service agents raid the Fulton Illinois workshop of master counterfeiter Ben Boyd Soon after Boyd is hauled off to prison members of his counterfeiting ring gather in the back room of a smoky Chicago saloon to discuss how to spring their ringleader Their plan grab Lincoln s body from its Springfield tomb stash it in the sand dunes near Lake Michigan and demand as a ransom the release of Ben Boyd and 200 000 in cash From here the action alternates between the conspirators the Secret Service agents on their trail and the undercover agent moving back and forth between them Along the way readers get glimpses into the inner workings of counterfeiting grave robbing detective work and the early days of the Secret Service The plot moves toward a wild climax as robbers and lawmen converge at Lincoln s tomb on election night November 7 1876 A dynamic and thrilling tale from critically acclaimed author Steve Sheinkin *9/11/2001 The Day Patriotism was Hijacked* D Randall Ashcraft,2020-09-28 Having been taught patriotic ideas from an early age then having served in the military and taking the oath to protect and defend the Constitution from all enemies foreign and domestic several times the author has written this book after having to redefine his beliefs regarding patriotism based on new evidence he has encountered In other words his patriotism has evolved to the point of getting back to the basics regarding the Constitution and Bill of Rights the foundation of American life yet they have taken serious hits since and because of 9 11 01 This book is an attempt to share with his fellow Americans things that have been apparently deliberately withheld from the general public regarding what really happened that day and why One must admit that it is strange that we have always seemed to have an enemy or a boogeyman as Mobster Sam Giancana once related The Fat Cats were fully aware that Americans will do anything for Patriotism hence you always must provide them with a boogeyman They won t overwork themselves just to make huge profits for fat cats for any

other reason so new enemies always have to be found or created Wars are big business for a certain group of wealthy elites who value profits above human life This book explores this inhumane idea and much much more Looking for Lincoln Philip B. Kunhardt, Peter W. Kunhardt, Peter W. Wilkes Booth's assassination plot the president's protection has come under extreme scrutiny with many considering it flawed inadequate or completely lacking By providing the first thorough exploration of the security surrounding Lincoln this intriguing study offers new insight into this long running issue Detailing the dangers real and uncertain facing Lincoln and the unprecedented measures taken to protect his life and health this work presents a fresh perspective on the presidency of the Great Emancipator

American Brutus Michael W. Kauffman, 2007-12-18 It is a tale as familiar as our history primers A deranged actor John Wilkes Booth killed Abraham Lincoln in Ford's Theatre escaped on foot and eluded capture for twelve days until he met his fiery end in a Virginia tobacco barn In the national hysteria that followed eight others were arrested and tried four of those were executed four imprisoned Therein lie all the classic elements of a great thriller But the untold tale is even more fascinating Now in American Brutus Michael W Kauffman one of the foremost Lincoln assassination authorities takes familiar history to a deeper level offering an unprecedented authoritative account of the Lincoln murder conspiracy Working from a staggering array of archival sources and new research Kauffman sheds new light on the background and motives of John Wilkes Booth the mechanics of his plot to topple the Union government and the trials and fates of the conspirators Piece by piece Kauffman explains and corrects common misperceptions and analyzes the political motivation behind Booth's plan to unseat Lincoln in whom the assassin saw a treacherous autocrat an American Caesar In preparing his study Kauffman spared no effort getting at the truth He even lived in Booth's house and re created key parts of Booth's escape Thanks to Kauffman's discoveries readers will have a new understanding of this defining event in our nation's history and they will come to see how public sentiment about Booth at the time of the assassination and ever since has made an accurate account of his actions and motives next to impossible until now In nearly 140 years there has been an overwhelming body of literature on the Lincoln assassination much of it incomplete and oftentimes contradictory In American Brutus Kauffman finally makes sense of an incident whose causes and effects reverberate to this day Provocative absorbing utterly cogent at times controversial this will become the definitive text on a watershed event in American history

A Nation of Counterfeiters Stephen Mihm, 2009-06-30 Prior to the Civil War the United States did not have a single national currency Counterfeiters flourished amid this anarchy putting vast quantities of bogus bills into circulation Their success Mihm reveals is more than an entertaining tale of criminal enterprise it is the story of the rise of a country defined by freewheeling capitalism and little government control Mihm shows how eventually the older monetary system was dismantled along with the counterfeit economy it sustained

In the Beginning: Hijacking of the Religion of God Sami M. El-Soudani,2009-06-09 Preface It was shortly after I had graduated from the University of Cambridge in 1980 with a PhD Degree specializing in fracture mechanics and failure analysis of materials and structures that I discovered the dire need for this book This undertaking began to take shape in the early 1980s with the Middle East aflame devastated by what some viewed as a holy war and with millennialists prophesying the end of days by the year 2000 C E After publishing and co authoring 87 scientific and industrial reports and technical papers many of which were in national and international magazines on the subject of failure analysis of metals and fracture mechanics of aircraft structures I came to realize that consequences of failures of the human spirit are far more devastating than failures of metals and aircraft structures But now at the outset of the 21st century the world is still experiencing turmoil and devastation by wars spreading like wildfire with Jews Christians and Moslems at each other s throats in seemingly never ending battles and ugly strife Some call it war on terror others speak of wars of clashing cultures crusades jihad etc etc etc One cant help but wonder how this saga of 99% misery and 1% heroism will ever come to an end Only the gullible would attempt to explain the ongoing world conflict among People of the Book Jews Christians and Moslems based on the course of events during the past few years or even the past few decades This is where this book comes in with a rigorous rationalized and hopefully convincing critical assessment of a never before explored most innate aspect of the human nature and that is its obsession with hijacking of the religion of God For better understanding of the root cause of the ongoing conflict among People of the Book who are supposed to be worshipping the same God we need

to take a step back take a deep breath and reflect rationally while ignoring all rhetoric and emotional bias in researching the past three thousand years of religious history And this is exactly what I did in writing this three volume book More specifically this book is addressing the religion of God to whom every human being from among the so called People of the Book today turns in prayer Whether soldiers or civilians when they are caught in the midst of the ongoing grisly and devastating wars some would pray to Yahweh others call upon Jesus Christ while Moslem brethren whisper the name of Allah upon taking their last breath Who is that God And why is He so shrouded with mystery Is He truly One and the Same God for all these people Or are we suffering from some self delusions and possibly hallucinations that may be the senseless products of our ancient religious fabrications and mythmaking Going back in time three thousand years brings us to one very special night when God was said to have come down in person onto Mount Sinai to have a close encounter with human beings through direct speech This three volume book examines the course of religious events from that magic and apocalyptic moment onwards till this day It took me twenty years of research to show that men who practiced hijacking long before they had wings have been quite active over the past three thousand years engaging in the lucrative business of hijacking the religion of God All three religious persuasions Judaism Christianity and Islam suffered the dire consequences of miserably failing to heed the words of our Merciful and Patient God No irony intended here in calling it a business and indeed a lucrative one because it brings the hijackers power enormous wealth and often glory all of which in the sight of God translate respectively into arrogance greed and most certainly infamy In developing the extensive critical review of religion presented herein detailing the respective histories of the selected three

Hijacking America Susan George,2013-05-03 George Bush leaves the White House in January 2009 and the United States goes back to normal right Wrong argues Susan George in this fascinating thorough and often chilling account of the decades long transformation of American society and political culture Using the four Ms money media marketing management but above all with a keen sense of mission the American secular and religious right has made its long march through the institutions and changed the way Americans think As the left
