

The Great Afghan

Ali Ahmad Jalali

The Great Afghan:

Afghanistan Stephen Tanner, 2009-04-28 For over 2 500 years the forbidding territory of Afghanistan has served as a vital crossroads for armies and has witnessed history shaping clashes between civilizations Greek Arab Mongol and Tartar and in more recent times British Russian and American When U S troops entered Afghanistan in the weeks following September 11 2001 they overthrew the Afghan Taliban regime and sent the terrorists it harbored on the run But America s initial easy victory is in sharp contrast to the difficulties it faces today in confronting the Taliban resurgence Originally published in 2002 Stephen Tanner s Afghanistan has now been completely updated to include the crucial turn of events since America first entered the country

The Great Gamble Gregory Feifer, 2009-01-06 The Soviet war in Afghanistan was a grueling debacle that has striking lessons for the twenty first century In The Great Gamble Gregory Feifer examines the conflict from the perspective of the soldiers on the ground During the last years of the Cold War the Soviet Union sent some of its most elite troops to unfamiliar lands in Central Asia to fight a vaguely defined enemy which eventually defeated their superior numbers with unconventional tactics Although the Soviet leadership initially saw the invasion as a victory many Russian soldiers came to view the war as a demoralizing and devastating defeat the consequences of which had a substantial impact on the Soviet Union and its collapse Feifer s extensive research includes eye opening interviews with participants from both sides of the conflict In gripping detail he vividly depicts the invasion of a volatile country that no power has ever successfully conquered Parallels between the Soviet invasion of Afghanistan and the U S invasions of Afghanistan and Iraq are impossible to ignore both conflicts were waged amid vague ideological rhetoric about freedom Both were roundly condemned by the outside world for trying to impose their favored forms of government on countries with very different ways of life And both seem destined to end on uncertain terms A groundbreaking account seen through the eyes of the men who fought it The Great Gamble tells an unforgettable story full of drama action and political intrigue whose relevance in our own time is greater than ever

Afghanistan Ali Ahmad Jalali, 2021-12-15 Afghanistan A Military History from the Ancient Empires to the Great Game covers the military history of a region encompassing Afghanistan Central and South Asia and West Asia over some 2 500 years This is the first comprehensive study in any language published on the millennia long competition for domination and influence in one of the key regions of the Eurasian continent Jalali s work covers some of the most important events and figures in world military history including the armies commanded by Cyrus the Great Alexander the Great the Muslim conquerors Chinggis Khan Tamerlane and Babur Afghanistan was the site of their campaigns and the numerous military conquests that facilitated exchange of military culture and technology that influenced military developments far beyond the region An enduring theme throughout Afghanistan is the strong influence of the geography and the often extreme nature of the local terrain Invaders mostly failed because the locals outmaneuvered them in an unforgiving environment Important segments include Alexander the Great remembered to this day as a great victor though not a grand

builder the rise of Islam in the early seventh century in the Arabian Peninsula and the monumental and enduring shift in the social and political map of the world brought by its conquering armies the medieval Islamic era when the constant rise and fall of ruling dynasties and the prevalence of an unstable security environment reinforced localism in political social and military life the centuries long impact of the destruction caused by Chinggis Khan s thirteenth century early eighteenth century when the Afghans achieved a remarkable military victory with extremely limited means leading to the downfall of the Persian Safavid dynasty and the Battle of Panipat 1761 where Afghan Emperor Ahmad Shah Abdali decisively routed the Hindu confederacy under Maratha leadership widely considered as one of the decisive battles of the world It was in this period when the Afghans founded their modern state and a vast empire under Ahmad Shah Durrani which shaped the environment for the arrival of the European powers and the Great Game

The Great Power Competition Volume 4 Adib Farhadi,Anthony Masys,2023-05-02 Lessons Learned from Afghanistan America s Longest War examines the lessons of how America s longest war came to an ignominious end with staggering consequences for the United States and the Afghan nation Afghanistan today faces an unprecedented humanitarian crisis looming threat of a civil war and a resurgence of violent extremism organizations similar to pre 9 11 As the U S enters a new era in the strategic geopolitical Great Power Competition an analysis of the original mission intent shifting policy and strategic objectives and ineffective implementation of security political and economic programs reveal critical lessons and questions such as What led to the strategic failure of the U S in Afghanistan What decisions resulted in the present day humanitarian civil and political crises in Afghanistan Were these consequences in fact avoidable Was there an alternative approach that could have maintained the hard fought gains of the last two decades and better demonstrated America s standing as a defender of global human rights Lessons Learned from Afghanistan America s Longest War further explores lessons of the past negotiations between the United States Taliban and former U S backed Afghan government to suggest alternative pathways that honor the original intent of the mission and meet present day obligations to an Afghan nation in crisis

A Concise History of Afghanistan in 25 Volumes Hamid Wahed Alikuzai,2013-10 For 35 000 years ancient Afghanistan was called Aryana the Light of God has existed Then in 747 AD what is today called Afghanistan became Khorasan which means Sunrise in Dari which was a much larger geographical area In the middle of the nineteenth century the name Afghanistan which means home of the united tribes was applied originally by the Saxons present day British and the Russians During the Great Games in the middle of nineteenth century the Durand Line was created in 1893 and was in place until 1993 Saxons created the state of Afghanistan out of a geographical area roughly the size of Texas in 1893 before which there were 10 million square kilometers larger than the size of Canada as means to act as a buffer zone between the Saxon India Tsarist Russia and the Chinese

A Military History of Afghanistan Ali Ahmad Jalali,2017-03-17 The history of Afghanistan is largely military history From the Persians and Greeks of antiquity to the British Soviet and American powers in modern times outsiders have led military conquests into the mountains and plains

of Afghanistan leaving their indelible marks on this ancient land at the juncture of Europe Asia and the Middle East In this book Ali Ahmad Jalali a former interior minister of Afghanistan taps a deep understanding of his country s distant and recent past to explore Afghanistan s military history during the last two hundred years With an introductory chapter highlighting the major military developments from early times to the foundation of the modern Afghan state Jalali s account focuses primarily on the era of British conquest and Anglo Afghan wars the Soviet invasion the civil war and the rise of the Taliban and the subsequent U S invasion Looking beyond persistent stereotypes and generalizations e g the graveyard of empires designation emerging from the Anglo Afghan wars of the 19th century and the Soviet experience of the 1980s Jalali offers a nuanced and comprehensive portrayal of the way of war pursued by both state and non state actors in Afghanistan against different domestic and foreign enemies under changing social political and technological conditions He reveals how the structure of states tribes and social communities in Afghanistan along with the scope of their controlled space has shaped their modes of fighting throughout history In particular his account shows how dynastic wars and foreign conquests differ in principle strategy and method from wars initiated by non state actors including tribal and community militias against foreign invasions or repressive government Written by a professional soldier politician and noted scholar with a keen analytical grasp of his country s military and political history this magisterial work offers unique insight into the military history of

Afghanistan and thus into Afghanistan itself **Afghanistan and the Great Game** Suhash Chakravarty,Susash Chakravarty,2002 Dealing With The Crucial Period From 1869 To 1880 The Work Begins By Examining The British Attempts To Come To A Negotiated Settlement With The Russian Government Regarding The States And Frontiers Of Afghanistan And Ends With An Analysis Of The Shifts In Policy And Power That Led To Lord Lytton S Futile Military Adventure A Rich Range Of Original Material Drawn From Public Archives As Well As From Family Papers Has Been Sifted In Order To Achieve What Must Be A Comprehensive Study Made So Far On The Subject *The Kingdom of Afghanistan* George Passman Tate,1911

The Last Days of the Afghan Republic Arsalan Noori,Noah Coburn,2023-05-22 It is difficult to overstate the chaos of August 2021 for many of those in Afghanistan particularly those who had worked closely with the international community there In a matter of days U S troops withdrew from Afghanistan and an insurgency threw out a government the international community had spent 20 years and billions of dollars supporting A government that claimed to stand for women s rights freedom of the press education and a litany of other ideals was replaced by one that did not allow girls to attend secondary school The world watched for two weeks as crowds rushed the airport bodies fell from planes a suicide bomber killed civilians and soldiers and a baby was handed to a Marine over a barbed wire wall The agony of lives so clearly destroyed as people tried to flee their homeland with little to nothing felt like images seen in the wake of natural disasters But this was not a natural disaster It was completely avoidable Part memoir and part history *The Last Days of the Afghan Republic* tells this story through the experiences of Arsalan Fatima Zeinab and Najeeb a scholar a doctor a student and a translator These

young men and women had bought into the promise of the international intervention that if they studied worked hard and believed in democracy and human rights Afghanistan could become a new country Their lives also tell the story of Afghanistan over the past thirty years They recount from the ground up the political decisions on the American side that led to the forever war the way that Afghan political partners squandered opportunities and the ways in which the U S presence unevenly reshaped Afghan society

War and Society in Afghanistan Kaushik Roy, 2015-02-12 This monograph analyses the rhythms of war and the geopolitical significance of Afghanistan with a focus on the interrelated concepts of weak rentier state great power rivalry and counter insurgency It analyses why the Mughals the British the Soviets and the Americans won the conventional wars in Afghanistan but were defeated in the unconventional ones It takes a comprehensive view of the history of the region and provides a political and military narrative of conventional and unconventional war in Afghanistan during the last five centuries It therefore covers wide ranging aspects such as empire building and military operations in Afghanistan in the pre modern period regular and irregular warfare in Afghanistan during the British era the Russian intervention and the emergence of the fragile rentier state after the world war and the American and NATO activities and the nature of on going war in light of the recent debates on the changing character of war in the twenty first century With a special emphasis on ecology terrain and logistics this book explores the trajectory of state building and contextualizes the Afghan problem as part of the wider struggle among the great powers for controlling the heart of Eurasia

State Formation in Afghanistan Mujib Rahman Rahimi, 2017-08-17 The creation of Afghanistan in 1880 following the Second Anglo Afghan War gave an empowering voice to the Pashtun people the largest ethnic group in a diverse country In order to distil the narrative of the state s formation and early years a Pashtun centric version of history

dominated Afghan history and the political process from 1880 to the 1970s Alternative discourses made no appearance in the fledgling state which lacked the scholarly institutions and any sense of recognition for history thus providing no alternatives to the narratives produced by the British whose quasi colonial influence in the region was supreme Since 1970 the ongoing crises in Afghanistan have opened the space for non Pashtuns including Tajiks Hazaras and Uzbeks to form new definitions of identity challenge the official discourse and call for the re writing of the long established narrative At the same time the Pashtun camp through their privileged position in the political settlements of 2001 have attempted to confront the desire for change in historical perceptions by re emphasising the Pashtun domination of Afghan history This crisis of hegemony has led to a deep antagonism between the Pashtun and non Pashtun perspectives of Afghan history and threatens the stability of political process in the country

The Rise of the Indo-Afghan Empire Jos J. L. Gommans, 1995 By drawing attention to the golden age of Afghan trade and imperialism this book examines the intensifying political and commercial relations between India and Central Asia As such it provides an entirely new perspective on the eighteenth century history of South and Central Asia

From Aryana-Khorasan to Afghanistan Hamid Wahed Alikuzai, 2011-03-14 au photo Volume 24 consists of an outline of the 25 volumes encyclopedia included is the American dream of tapping into markets in Afghanistan Central Asia A D 1338 Afghan Turkmen Ottoman Empire A D 1361 Afghan Tajik Empires Turkmen Emperor all over Islamic Nation Tajik Empire Central Asia India Turkmens Until 1922 Tajik until 1871 Afghanistan is completely free and independent in the administration of its Domestic and foreign affairs U S A if the founder of the now Afghanistan Central Asia after 72 years October 1929 until October 2001 Democratic Afghanistan like Germany after 1945 Hamid W Alikuzai

Afghanistan Geoffrey Hayes, Mark Sedra, 2009-08-04 Many have questioned the wisdom of the international intervention in Afghanistan in light of the escalation of violence and instability in the country in the past few years Particularly uncertain are Canadians who have been inundated with media coverage of an increasingly dirty war in southern Afghanistan one in which Canadians are at the frontline and suffering heavy casualties However the conflict is only one aspect of Afghanistan s complicated and incomplete political economic and security transition In Afghanistan Transition under Threat leading Afghanistan scholars and practitioners paint a full picture of the situation in Afghanistan and the impact of international and particularly Canadian assistance They review the achievements of the reconstruction process and outline future challenges focusing on key issues like the narcotics trade the Pakistan Afghanistan bilateral relationship the Taliban led insurgency and continuing endemic poverty This collection provides new insight into the nature and state of Afghanistan s post conflict transition and illustrates the consequences of failure Co published with the Centre for International Governance Innovation

History of the War in Afghanistan John William Kaye, 2020-07-25 Reproduction of the original History of the War in Afghanistan by John William Kaye

Walking the Precipice Barbara Bick, 2015-06-07 An enthralling memoir of a woman who risked her life to help a people under siege and a country caught between freedom and oppression Publishers Weekly starred review In 1990

sixty five year old activist and grandmother Barbara Bick traveled with a women s delegation to Afghanistan for what she thought would be her last great adventure Instead Bick forged deep friendships with her Afghan hosts only to watch in horror as the Taliban took over most of the country and instituted fiercely anti woman policies Eleven years later at age 76 Bick returned to Afghanistan travelling to the region controlled by the Northern Alliance an anti Taliban militia In early September 2001 Bick walked out of a compound where militia leader Ahmad Shah Massoud was also staying Minutes later Taliban infiltrators assassinated Massoud a prelude to the al Qaeda attacks on the United States As the US government became deeply involved in Afghanistan Bick decided to return once again to see how women were faring under the new government In 2004 she was one of the few Western women able to bring years of experience to understanding the country s trauma Walking the Precipice gives new insight into the people politics and culture of a country that is on everyone s radar for its beauty and for its tragic place history

History of the War in Afghanistan (Vol. 1-3) Sir John William Kaye,2023-11-16 Sir John William Kaye s History of the War in Afghanistan Volumes 1 3 presents a meticulously detailed account of the First Anglo Afghan War 1839 1842 showcasing Kaye s prowess in combining narrative history with analysis Delving into the intricate socio political dynamics of 19th century Afghanistan Kaye critiques British imperial strategies while drawing on extensive firsthand reports letters and government documents thus situating his work within the burgeoning field of diplomatic and military history His literary style oscillates between an engaging narrative and a reflective analysis seamlessly weaving the complexity of military conflict with the human stories that unfold within it Sir John William Kaye a British soldier historian and writer with deep connections to India was profoundly influenced by his experiences during the British Raj His firsthand knowledge of the region and its people coupled with his upbringing in a military family equipped him with unique insights into the geopolitical repercussions of colonialism Kaye s objective was not merely to chronicle events but to understand the multifaceted cultural and historical contexts that shaped them which informs the depth and nuance of his historical narrative This book is an essential read for anyone interested in military history British imperialism or Afghan studies as it provides a comprehensive examination of an often overlooked conflict with lasting implications Kaye s work stands as a pivotal contribution to historical literature encouraging readers to grapple with the complexities of cultural encounters and the ramifications of imperial ambition

Secularism in Afghanistan Shukoor Zardushtian,2011 For years many have debated the relationship between religion and politics In Secularism in Afghanistan author Shukoor Zardushtian directs the discussion to Afghanistan examining the role of religion in society in general and in Afghanistan in particular and analyzing the conflicts that arise from the mix of government and religion Gleaned from research and his personal experiences of living in Afghanistan Secularism in Afghanistan studies the characteristics of Islam and Islamic ideology Zardushtian presents a strong case for implementing secularism religion separate from politics in Afghanistan in order for its citizens to embrace freedom and social awareness He presents evidence of how the Islamic religion destroyed the country s

cohesiveness and is responsible for the problems that exist today Zardushtian understands that changing society is not easy but he offers Secularism in Afghanistan as a guidebook for the younger generation of the country to aid them in improving the economic and social climate *Afghanistan* Richard F. Nyrop, Donald M. Seekins, 1986 General study Afghanistan historical demographic aspects and geographical aspects social structure ethnic groups languages family living conditions education culture religion the political system international relations role of USSR economic structure agriculture industry trade government politics economy political opposition armed forces civil war and its economic implications etc Bibliography maps organigrams photographs statistical tables
