Films Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5 000 three to five star entries: three stars good, four stars excellent, five stars masterpiece. And yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre: i.e. animated, drama, sports, mystery, adventure, etc. as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection. □□□□1 dong benxigu, 2024-11-12 A super soldier with a bright road ran away for a ridiculous reason and unexpectedly came to another plane where a romantic legend began. **The Masnavi, Book One** Jalal al-Din Rumi, 2004-11-11 The pen would smoothly write the things it knew. But when it came to love, it split in two. A donkey stuck in mud is logic's fate. Love's nature: only love can demonstrate. Rumi's Masnavi is widely recognized as the greatest Sufi poem ever written and has been called the Koran in Persian. The thirteenth century Muslim mystic Rumi composed his work for the benefit of his disciples in the Sufi order named after him, better known as the whirling dervishes. In order to convey his message of divine love and unity, he threaded together entertaining stories and penetrating homilies. Drawing from folk tales as well as sacred history, Rumi's poem is often funny as well as spiritually profound. Jawid Mojaddedi's sparkling new verse translation of Book One is consistent with the aims of the original work in presenting Rumi's most mature mystical teachings in simple and attractive rhyming couplets. The main character and other key players are fictitious, as are particular events relating to their ordeals. The novel is historically accurate, rich in detail.
