whole 20 000 of us and are still ready to swear it unsurpassed though we are now over seventy or eighty years old and 200 000 in number It wanted at least two generations to freeze our young blood with Mrs Perkins Gilman s story of The Yellow Wall Paper which Horace Scudder then of The Atlantic said in refusing it that it was so terribly good that it ought never to be printed But terrible and too wholly dire as it was I could not rest until I had corrupted the editor of The New England Magazine into publishing it Now that I have got it into my collection here I shiver over it as much as I did when I first read it in manuscript though I agree with the editor of The Atlantic of the time that it was too terribly good to be printed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
