*The Great Abolitionist* Stephen Puleo, 2024-04-23 The groundbreaking biography of a forgotten civil rights hero In the tempestuous mid 19th century as slavery consumed Congressional debate and America careened toward civil war and split apart when the very future of the nation hung in the balance Charles Sumner s voice rang strongest bravest and most unwavering Where others preached compromise and moderation he denounced slavery s evils to all who would listen and demanded that it be wiped out of existence More than any other person of his era he blazed the trail on the country s long uneven and ongoing journey toward realizing its full promise to become a more perfect union Before and during the Civil War at great personal sacrifice Sumner was the conscience of the North and the most influential politician fighting for abolition Throughout Reconstruction no one championed the rights of emancipated people more than he did Through the force of his words and his will he moved America toward the twin goals of abolitionism and equal rights which he fought for literally until the day he died He laid the cornerstone arguments that civil rights advocates would build upon over the next century as the country strove to achieve equality among the races *The Great Abolitionist* is the first major biography of Charles Sumner to be published in over 50 years Acclaimed historian Stephen Puleo relates the story of one of the most influential political figures in American history with evocative and accessible prose transporting readers back to an era when our leaders exhibited true courage and authenticity in the face of unprecedented challenges

*The Proclamations of the Tudor Kings* R. W. Heinze, 1976-09-02 Royal proclamations were an important instrument of Tudor government and their legislative function has long been a subject of historical controversy but the actual use of them by the Tudor monarchs has not been adequately studied The main purpose of this book is to provide a systematic analysis of the use authority and enforcement of proclamations in early Tudor England Professor Heinze first attempts to establish a more accurate account of the proclamations issued and then describes their formulation and promulgation He also investigates the authority of proclamations as defined by Parliament and the role and power attributed to them by Tudor judges and legal writers The main body of the study traces the actual use of proclamations and their relationship to statutory and common law Separate chapters are devoted to the controversial Statute of Proclamations and the long neglected subject of enforcement

*The Proclamations of the Tudor Queens* Frederic A. Youngs, 1976-09-02 This study investigates the independent prerogative which Mary I and Elizabeth I exercised through royal proclamations These public documents were announced throughout England informing men and arguing the Queen s positions commanding local officials to perform specific actions and on occasion creating new but temporary law that was designed to meet crisis situation when no delay could be tolerated The theoretical relationship between this prerogative power and the existing statutory law has been the subject of much debate This study adds an element previously neglected the investigation of the Queens actual use of the proclamations showing that they did innovate with vigour and legislate in them but only to supplement and not supplant the law and within the limits

slowly being formulated in the sixteenth century Professor Youngs demonstrates how the proclamations affected domestic security and foreign affairs social and economic matters and religion      *The Greatest Works of Mark Twain: 370+ Titles in One Edition (Illustrated)* Mark Twain,2017-11-15 This carefully edited collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices Novels The Adventures of Tom Sawyer Adventures of Huckleberry Finn The Gilded Age The Prince and the Pauper A Connecticut Yankee in King Arthur s Court The American Claimant Tom Sawyer Abroad Personal Recollections of Joan of Arc Pudd nhead Wilson Tom Sawyer Detective A Horse s Tale The Mysterious Stranger Novelettes A Double Barrelled Detective Story Those Extraordinary Twins The Recent Carnival of Crime in Connecticut The Stolen White Elephant The Man That Corrupted Hadleyburg Captain Stormfield s Visit to Heaven Short Story Collections The Celebrated Jumping Frog of Calaveras County and Other Sketches Mark Twain s Burlesque Autobiography and First Romance Sketches New and Old Merry Tales The 1 000 000 Bank Note and Other New Stories The 30 000 Bequest and Other Stories The Curious Republic of Gondour and Other Whimsical Sketches Alonzo Fitz and Other Stories Mark Twain s Library of Humor Other Stories Essays Satires Articles How to Tell a Story and Other Essays What Is Man And Other Essays Editorial Wild Oats Concerning the Jews To the Person Sitting in Darkness To My Missionary Critics Christian Science Queen Victoria s Jubilee Essays on Paul Bourget The Treaty with China Stirring Times in Austria The Czar s Soliloquy King Leopold s Soliloquy Adam s Soliloquy Essays on Copyrights Other Essays Travel Books The Innocents Abroad A Tramp Abroad Roughing It Old Times on the Mississippi Life on the Mississippi Following the Equator Some Rambling Notes of an Idle Excursion The Complete Speeches The Complete Letters Autobiography Biographies Mark Twain A Biography by Albert Bigelow Paine The Boys Life of Mark Twain by Albert Bigelow Paine My Mark Twain by William Dean Howells      **Civil War Messages and Proclamations of Wisconsin War Governors** Wisconsin.
