,1991 **The Myth of American Religious Freedom** David Sehat, 2011-01-14 In the battles over religion and politics in America both liberals and conservatives often appeal to history Liberals claim that the Founders separated church and state But for much of American history David Sehat writes Protestant Christianity was intimately intertwined with the state Yet the past was not the Christian utopia that conservatives imagine either Instead a Protestant moral establishment prevailed using government power to punish free thinkers and religious dissidents In *The Myth of American Religious Freedom* Sehat provides an eye opening history of religion in public life overturning our most cherished myths Originally the First Amendment applied only to the federal government which had limited authority The Protestant moral establishment ruled on the state level Using moral laws to uphold religious power religious partisans enforced a moral and religious orthodoxy against Catholics Jews Mormons agnostics and others Not until 1940 did the U S Supreme Court extend the First Amendment to the states As the Supreme Court began to dismantle the connections between religion and government Sehat argues religious conservatives mobilized to maintain their power and began the culture wars of the last fifty years To trace the rise and fall of this Protestant establishment Sehat focuses on a series of dissenters abolitionist William Lloyd Garrison suffragist Elizabeth Cady Stanton socialist Eugene V Debs and many others Shattering myths held by both the left and right David Sehat forces us to rethink some of our most deeply held beliefs By showing the bad history used on both sides he denies partisans a safe refuge with the Founders

A Corrupt Tree: An Encyclopaedia of Crimes committed by the Church of Rome against Humanity and the Human Spirit A.S., 2014-01-13 *A Corrupt Tree* is a unique extensively researched four volume expos of the dark side of the Church of Rome It reveals that for nearly two thousand years the Church's fundamental characteristic has been its self serving abuse of religious corporate power A large proportion of this first volume provides a detailed catalogue of the multitude of unholy popes Included are those who were immature capricious corrupt

lascivious fanatical senile truly mad megalomaniac tyrannical murderous and wholesale killers It confirms that for many many centuries the popes were corrupt cruel inhumane and despotic In an age of savagery they were the leaders in barbarity in the subsequent age of enlightenment they have persistently resisted the march of progress Additionally the popes were wholesale killers who made the principle of assassination a law of the Christian Church Accordingly the Church has shed more innocent blood than any other institution that has ever existed among mankind Here also are presented the cupidity corruption and sexual misconducts of lesser ecclesiastics including cardinals bishops priests monks and nuns Pope Honorius III for example described his priests as worse than beasts wallowing in their dung The Church's ruthless stranglehold on knowledge and learning is catalogued in detail Mathematics philosophy and science were repressed Selected applied theology ruled the world Everything was explained but nothing was understood The chapters on censorship reveal that even works of considerable literary or philosophical merit did not escape A large number of writings which eventually became classics of European culture were condemned and prohibited The Church also exhibited a vitriolic hatred of those who translated the Bible into the vernacular Many of these men were annihilated Holy books were burned in large numbers particularly the Jewish Talmud It is clearly demonstrated that the Church held back civilisation for over fifteen hundred years Century after century passed away and left the peasantry but little better than the cattle in the fields Finally the unholy behaviours of the numerous popes cardinals and lesser ecclesiastics are shown to establish unequivocally that the Church of Rome is neither holy nor apostolic The ultimate message of these volumes is that to become an exemplary institution and to play a truly humane role in the world's future the Catholic Church must change

Lindsay,2014-12-01 For the first time in human history a significant percentage of the world s population no longer believes in God This is especially true in developed nations where in some societies nonbelievers now outnumber believers Unless religion collapses completely or undergoes a remarkable resurgence countries across the globe must learn to carefully and effectively manage this societal mix of religious and irreligious For in a world already deeply riven by sectarian conflict this unprecedented demographic shift presents yet another challenge to humanity Writing in an engaging accessible style philosopher and lawyer Ronald A Lindsay develops a tightly crafted argument for secularism specifically that in a religiously pluralistic society a robust thoroughgoing secularism is the only reliable means of preserving meaningful democracy and rights of conscience Contrary to certain political pundits and religious leaders who commonly employ the term secularism as a scare word Lindsay uses clear concrete examples and jargon free language to demonstrate that secularism is the only way to ensure equal respect and protection under the law for believers and nonbelievers alike Although critical of some aspects of religion Lindsay neither presents an antireligious tirade nor seeks to convert anyone to nonbelief reminding us that secularism and atheism are not synonymous Rather he shows how secularism works to everyone s benefit and makes the definitive case that the secular model should be feared by none and embraced by all xml namespace prefix o ns urn:schemas-microsoft-com:office:office **2000 Years of Disbelief** James A. Frederick J. Azbell,2010-08-19 I have for a number of years since my retirement from teaching elementary school for thirty three years contemplated the possibility of writing a book expressing a few of my strongly held beliefs Events of the recent past had accelerated that urge The now defunct immoral Moral Majority the spiritless Christian Coalition the satanic Southern Baptist and the hypocritical Church of Christ plus other bigoted and hypocritical religious groups keep waving their spiritless and satanic doctrines in my face while desecrating the flag of the United States by wrapping themselves in it My personal philosophy of life is based upon the fact that I am the pessimistically optimistic realist with a bent of humanistic

pragmatism I choose to believe that things shall work out for the better but I know that if there be the slightest opportunity someone is going to throw a monkey wrench into the machinery I am a non believer in organized religious faiths of any kind I do not believe in any god that listens to or talks to man I am a Deist I believe that man would not have created his gods and religious faiths if he had had more faith in himself with a better understanding of his universe and nature I do not wish to be negative simply realistic My head is not floating in the clouds or buried in the sod My mind is open to any logically developed philosophies My use of rational logic will not allow me to be convinced or swayed by irrational supernatural religious faiths The bigoted and hypocritical faith of Christianity is not my idea of the truth of reality or the reality of truth Satanic and fundamental faiths such as Christianity Judaism and Islam have been the greatest forces fermenting most of the hatred violence and wars in this world Organized religions have proven themselves to be the greatest deterrents in the advancement of humanity among the peoples of this world **Faith and the Presidency From George Washington to George W.**
