**Massachusetts & Western Connecticut Adventure Guide** Elizabeth Dugger,2009 I bought this travel guide out of curiosity when I went back home to visit my parents I grew up in N H went to school at UCONN and spent a lot of time in Massachusetts so I am familiar with the area Sometimes when you live in a place however you take your home for granted and don't see the sights in your back yard Traveling 1500 miles back home however I felt like I needed to get my moneys worth the sure sign of a native east coaster This book led me to some incredible old towns and restaurants and shops that I had missed while living there I highly recommend the book It was great to have it on my laptop because after work I was able plan the remainder of my day in a snap Amazon reviewer I've been toting Elizabeth L Dugger's new Adventure Guide to Massachusetts Western Connecticut around for about a month now ever since I received it I had all the best intentions of being the first reviewer to publish my commentary on the travel guide but with one project after another eating up my hours

I'm not sure that I can claim that honor I have however really bulked up my biceps by lugging the Adventure Guide around In a word the book is massive and before I ever lifted the cover I was perplexed as to how Dugger could possibly have found enough bungee jumping cliff diving and vine swinging type adventures in the stately and somewhat subdued states of Massachusetts and Connecticut to fill 496 pages When I opened to page 113 to find a section on Antique Shopping on Cape Cod I was surprised and delighted to realize that the range of adventures Dugger suggests includes those that pose great danger only to my credit card balance In the book's introduction Dugger explains that adventure travel doesn't have to mean hanging from a cliff by your fingernails Her enormous catalog of exciting escapes includes family friendly ideas outdoor fun for people of all ages and abilities out of the ordinary sightseeing suggestions and of course the full complement of hiking biking fishing boating and other recreational opportunities in central New England Adventure travel makes you feel alive wakes you up to yourself as well as to your surroundings Dugger explains Just being in open lands or along the coast most of the time can give you that get away feeling Adventure travel gets the blood flowing the heart pumping Also the author of the Adventure Guide to New Hampshire and the Adventure Guide to Vermont Dugger quickly debunks the notion that Massachusetts is a tamer less challenging playground than its mountainous northern neighbors After a brief introductory section that includes a short history of Massachusetts a map of and information on getting to the region road rules and safety information on such important topics as avoiding bears the book is broken up into six regional chapters the Seacoast Region Boston and Nearby Adventures Central Massachusetts the Pioneer Valley the Berkshires and the Litchfield Hills of Connecticut Within each geographic section adventures are organized in category groupings On Foot On Horseback On Wheels On Water On Snow Ice and In the Air Each chapter has information on Eco Travel and where to Stay Eat as well While the emphasis of this guide is decidedly on the outdoors and on planning a Massachusetts vacation that takes you to the lesser known attractions that the state offers it is actually one of the most comprehensive and delightful guides to the region available While many travel guides contain the obligatory paragraph on each historic attraction and sightseeing venue the Adventure Guide to Massachusetts Western Connecticut artfully leads the traveler to those awe inspiring stimulating and unique excursions that are likely to make for a most memorable trip Detailed maps black and white photos cute graphics and sidebars on special events kid friendly and accessible spots recommended reading and more

Life's Progress Through the Passions; Or, The Adventures of Natura Eliza Fowler Haywood, 2019-12-05 In Life's Progress Through the Passions Or The Adventures of Natura Eliza Fowler

Haywood presents a captivating novel that intricately explores the complexities of human emotions and their influence on individual destiny. Written in the early 18th century, Haywood's narrative employs a vibrant conversational style melding sentiment with moral philosophy. The protagonist, Natura, journeys through various encounters embodying the tension between passion and reason, ultimately demonstrating how fervent emotions shape personal experience and societal roles. Haywood's narrative method is notable for its depth, blending rich character development with engaging dialogues set against the backdrop of a burgeoning expressive literary culture in post-Restoration England.

Eliza Fowler Haywood, a prolific writer of her time, occupied a unique position in the literary landscape, often addressing the challenges faced by women in a patriarchal society. Her experiences as a woman writer navigating the male-dominated literary scene undoubtedly informed her exploration of passion and autonomy within the novel. Haywood's ability to articulate the struggles of her characters mirrors her own, establishing herself as a pioneering figure in early feminist literature. I highly recommend *Life's Progress Through the Passions* to readers seeking an insightful examination of emotional landscapes and societal expectations. Through Natura's adventures, Haywood invites readers to reflect on their own experiences and the passions that guide them, making this work not only a compelling narrative but also a profound commentary on human nature.

**Adventures of a Kiwi Airman** Ray Tocker, 2025-09-14

*Adventures of a Kiwi Airman* tells the lively tale of New Zealander Ray Tocker's many adventures throughout his childhood and 24-year Air Force career. His story is at times moving, at times humorous, and always engaging. The book gives valuable insights into New Zealand as a developing nation, as well as life and times in the Royal New Zealand Air Force (RNZAF) from 1949 to 1973. It's a great read for aviation enthusiasts, those who enjoy history, and anyone interested in a rollicking good yarn. Ray received a Queen's Commendation for Valuable Service in the Air for his tenacity and skill in a dramatic in-flight repair of a Sunderland flying boat in 1959. *Adventures of a Kiwi Airman* begins with an evocative recollection of growing up in rural New Zealand in the 1930s. Ray's moving account of his childhood in the small rural town of Whangō in the King Country region recalls an almost idyllic time. Days were endless, and nature provided the ultimate playground. However, it wasn't all play. Families worked hard and grew their own food. Ray's story brings to life a humble but happy way of life that helped New Zealand grow and thrive. Ray's Air Force career from 1949 to 1973 saw him progress from Flight Engineer into senior roles, culminating in his role as a Warrant Officer. His service included the Vietnam War, the Malayan Emergency, and Operation Grapple (British nuclear testing in the Pacific Ocean). He was posted to Fiji with No 5 Squadron and to Singapore with No 41 Squadron. In Singapore, he supervised technical tradesmen and the transfer of the Squadron and its equipment from Changi to Tengah. In New Zealand, Ray had supervisory control of the RNZAF Technical Control and Planning Centre and was a Senior Instructor at the No 1 Technical Training School. In his retirement, he became President of the Cambridge Returned Services Association (RSA) in New Zealand.
