The Greater Vancouver An Urban Encyclopedia:

The Greater Vancouver Book Chuck Davis, 1997 Covers the city of Vancouver and the surrounding metropolitan area primarily located in the Greater Vancouver Regional District *The Vancouver Achievement* John Punter, 2010-10-01 This book examines the development of Vancouver's unique approach to zoning planning and urban design from its inception in the early 1970s to its maturity in the management of urban change at the beginning of the twenty first century By the late 1990s Vancouver had established a reputation in North America for its planning achievement especially for its creation of a participative responsive and design led approach to urban regeneration and redevelopment This system has other important features an innovative approach to megaproject planning a system of cost and amenity levies on major schemes a participative CityPlan process to underpin active neighbourhood planning and a sophisticated panoply of design guidelines These systems processes and their achievements place Vancouver at the forefront of international planning practice The Vancouver Achievement explains the evolution and evaluates the outcomes of Vancouver's unique system of discretionary zoning The introductory chapters set the context for the study they cover the invention and refinement of this system in the reform movement its development of policies guidelines and control processes and its translation into official development plans and neighbourhood design in the 1970s Subsequent chapters focus upon the downtown waterfront megaprojects single family neighbourhoods the city wide strategic planning programme CityPlan pressures for reform of control processes and current downtown and inner city developments especially issues of affordable housing social exclusion and multiple deprivation The concluding chapter summarizes The Vancouver Achievement explains the keys to its success and evaluates its design success against internationally accepted criteria Heavily illustrated with over 160 photos and figures this book the first comprehensive account of contemporary planning and urban design practice in any Canadian city will appeal to academic and professional audiences as well as the general public *MetroGreen* Donna Erickson, 2012-09-26 In metropolitan areas across the country you can hear the laments over the loss of green space to new subdivisions and strip malls But some city residents have taken unprecedented measures to protect their open land and a growing movement seeks not only to preserve these lands but to link them in green corridors Many land use and urban planning professionals along with landscape architects and environmental advocates have joined in efforts to preserve natural areas MetroGreen answers their call for a deeper exploration of the latest thinking and newest practices in this growing conservation field In ten case studies of U S and Canadian cities paired for comparative analysis Toronto and Chicago Calgary and Denver and Vancouver and Portland among them Erickson looks closely at the motivations and objectives for connecting open spaces across metropolitan areas She documents how open space networks have been successfully created and protected while also highlighting the critical human and ecological benefits of connectivity MetroGreen's unique focus on several cities rather than a single urban area offers a perspective on the political economic cultural and environmental conditions that affect open

space planning and the outcomes of its implementation

Land, Faith, and Voice Alexander Rosenblatt, 2024-04-16 This book summarizes a decade of research on its topic while each specific perspective either formed in advance or arose in the process of ethnography and its analysis The book explores various aspects of Christian music in British Columbia Washington State and Oregon but primarily its historical facets and local palette The scope of the main topics covers aspects such as historical and local melodies in relevant hymnbooks musical practices in the Cathedrals and other churches within the designated area and the creative profile of modern North American composers including those who have worked in the Pacific Northwest who made significant contributions to the church music practiced in the area Other background and supporting topics are a reference on the history and culture of the Canadian and U S parts of the region the study of Native Christian art its philosophy and examples and historical stages and the current landscape of Christianity in British Columbia Washington State and Oregon The book bears the features of a monograph and a handbook at the same time Among the few other books dealing with specific topics that make up the content of this book none of them gives an all around picture of the regional history society culture art religion and its musical expression as a holistic phenomenon Encyclopedia of Urban Cultures Melvin Ember, Carol R. The Art of City Making Charles Landry, 2012-05-16 City making is an art not a formula The skills required to re-enchant the city are far wider than the conventional ones like architecture engineering and land use planning There is no simplistic ten point plan but strong principles can help send good city making on its way The vision for 21st century cities must be to be the most imaginative cities for the world rather than in the world This one change of word from in to for gives city making an ethical foundation and value base It helps cities become places of solidarity where the relations between the individual the group outsiders to the city and the planet are in better alignment Following the widespread success of *The Creative City* this new book aided by international case studies explains how to reassess urban potential so that cities can strengthen their identity and adapt to the changing global terms of trade and mass migration It explores the deeper fault lines paradoxes and strategic dilemmas that make creating the good city so difficult

Vancouver Vice Aaron Chapman, 2021-11-23 Historian Aaron Chapman explores the gritty history of Vancouver's West End in the 1970s and 80s ending in a sensational murder

Burlesque West Becki Ross, 2009-07-25 After the Second World War Vancouver emerged as a hotbed of striptease talent In *Burlesque West* the first critical history of this notorious striptease scene Becki Ross delves into the erotic entertainment industry at the northern end of the dancers west coast tour the North South route from Los Angeles to Vancouver that provided rotating work for dancers and variety for club clientele Drawing on extensive archival materials and fifty first person accounts of former dancers strip club owners booking agents choreographers and musicians Ross reveals stories that are deeply flavoured with an era before striptease fell from grace because the world stopped dreaming in the words of ex dancer Lindalee Tracey Though jobs in this particular industry are often perceived as having little in common with other sorts of work retired dancers accounts resonate surprisingly with those of contemporary service workers including perceptions of unionization and workplace benefits and hazards Ross also traces the sanitization and subsequent integration of striptease style and neo burlesque trends into mass culture examining continuity and change to ultimately demonstrate that Vancouver's glitzy nightclub scene often condemned as a quasi legal strain of urban blight in fact greased the economic engine of the post war city Provocative and challenging *Burlesque West* combines the economic the social the sexual and the personal and is sure to intellectually tantalize

Cities in the Pacific Rim James Berry, Stanley McGreal, 2002-11 This book considers the interactive relationships between the operation of planning system and the role and performance of property development and real estate markets in 14 Pacific Rim Cities drawn from both Eastern and Western perspectives

Big Moves Anthony Perl, Matt Hern, Jeffrey Kenworthy, 2020-09-23 All countries have distinctive urban regions but Canadian cities especially differ from one another in culture structure and history Anthony Perl Matt Hern and Jeffrey Kenworthy reveal that despite the peculiarities and singular traits that each city embodies a common logic has guided the development of transportation infrastructure across the country *Big Moves* analyzes how Canada's three largest

urban regions Montreal Toronto and Vancouver have been shaped by the interplay of globalized imperatives aspirations activism investment and local development initiatives both historically and in a contemporary context Canadian urban development follows a distinct pattern that involves compromise between local viewpoints and values and the pursuit of global capital at particular historical junctures As the authors show the success or failure of each city to construct major mobility infrastructure has always depended on the timing of investments and the specific ways that cities have gained access to necessary capital Drawing on urban mobility history and global city theory this book delves into the details of the big moves that have affected transport infrastructure in major Canadian cities Knowing where urban development will head in the twenty first century requires understanding how cities major mobility infrastructures were built Big Moves explains the shape of Canada s three biggest cities and how their mix of expressways and rapid transit emerged **Global Port**

Cities in North America Boris Vormann,2014-11-27 As the material anchors of globalization North America s global port cities channel flows of commodities capital and tourists This book explores how economic globalization processes have shaped these cities political institutions social structures and urban identities since the mid 1970s Although the impacts of financialization on global cities have been widely discussed it is curious that how the global integration of commodity chains actually happens spatially creating a quantitatively new global organization of production distribution and consumption processes remains understudied The book uses New York City Los Angeles Vancouver and Montreal as case studies of how once redundant spaces have been reorganized and crucially reinterpreted so as to accommodate new flows of goods and people and how in these processes social environmental and security costs of global production networks have been shifted to the public **The Encyclopedia Americana** ,1927 **Diasporic Media beyond the Diaspora** Sherry S.

Yu,2018-04-23 Media for diasporic communities have emerged in major cities such as Vancouver and Los Angeles and reflect a multicultural multiethnic and multilingual reality But do these media serve their respective communities exclusively or are they available and accessible to members of greater society at large Diasporic Media beyond the Diaspora explores structural and institutional challenges and opportunities for these media and suggests policy directions with the aim of fostering broader intercultural dialogue Using case studies of Korean media in Vancouver and Los Angeles Sherry Yu examines the potential of an intercultural media system for culturally ethnically and linguistically diverse societies This is the first book to explore the potential of diasporic communicative spaces as being open to people outside of specific diasporic communities and their further potential to establish an infrastructure that facilitates conversation and contributes to building an interculturally engaging and inclusive media system **Great Neighborhoods** Michael Angelo Larice,2005 [Legacy of Trees](#) Nina Shoroplova,2020-06-09 An engaging informative and visually stunning tour of the numerous native introduced and ornamental tree species found in Vancouver s Stanley Park combining a wealth of botanical knowledge with a fascinating social history of the city s most celebrated landmark Measuring 405 hectares 1 001 acres in the heart of downtown

Vancouver Stanley Park is home to more than 180 000 trees Ranging from centuries old Douglas firs to ornamental Japanese cherry trees the trees of Stanley Park have come to symbolize the ancient roots and diverse nature of the city itself For years Nina Shoroplova has wandered through Vancouver s urban forest and marvelled at the multitude of tree species that flourish there In Legacy of Trees Shoroplova tours Stanley Park s seawall and beaches wetlands and trails pathways and lawns in every season and every type of weather revealing the history and botanical properties of each tree species Unlike many urban parks which are entirely cultivated the area now called Stanley Park was an ancient forest before Canada s third largest city grew around it Tracing the park s Indigenous roots through its colonial history to its present incarnation as the jewel of Vancouver visited by eight million locals and tourists annually Legacy of Trees is a beautiful tribute to the trees that shape Stanley Park s evolving narrative
