Out West, 1902 Contains monthly column of the Sequoia League **Out West** Charles Fletcher Lummis, 1903 Contains monthly column of the Sequoia League Stories of the Far North Jon Tuska, 1998-01-01 The Northwestern story emerged full-blown from the pen of Jack London, and his *The League of the Old Men* is a fitting introduction to these rigorous action tales in which the inhospitable climate strips away civilized veneer and individuals must live or die by their cunning instinct and sometimes ruthlessness. The bond between man and dog and the character flaws revealed under the stresses of extreme isolation are just two of the classic themes explored in these works. The collection comes to a fitting climax of a century's worth of development with a new story by Tim Champlin, commissioned for this volume. Most of these stories were originally published in magazines and were heavily edited to meet space and style concerns. *Stories of the Far North* restores each work to its original form, uncut and as each author intended. **The World of the American West** Gordon Morris Bakken, 2016-12-12 Addressing everything from the details of everyday life to recreation and warfare, this two-volume work examines the social, political, intellectual, and material culture of the American Old West from the California Gold Rush of
