The Green Empress:

The Green Empress Elizabeth Cadell, 1958 **The Green Empress, by Elizabeth Cadell (4 Cassettes).** Elizabeth Cadell, Jane* Jermyn, **Green** Michel Pastoureau, 2023-06-13 In this beautiful and richly illustrated book the acclaimed author of *Blue and Black* presents a fascinating and revealing history of the color green in European societies from prehistoric times to today Examining the evolving place of green in art clothes literature religion science and everyday life Michel Pastoureau traces how culture has profoundly changed the perception and meaning of the color over millennia and how we misread cultural social and art history when we assume that colors have always signified what they do today Filled with entertaining and enlightening anecdotes *Green* shows that the color has been ambivalent a symbol of life luck and hope but also disorder greed poison and the devil Chemically unstable green pigments were long difficult to produce and even harder to fix Not surprisingly the color has been associated with all that is changeable and fleeting childhood love and money Only in the Romantic period did green definitively become the color of nature Pastoureau also explains why the color was connected with the Roman emperor Nero how it became the color of Islam why Goethe believed it was the color of the middle class why some nineteenth century scholars speculated that the ancient Greeks couldn't see green and how the color was denigrated by Kandinsky and the Bauhaus More broadly *Green* demonstrates that the history of the color is to a large degree one of dramatic reversal long absent ignored or rejected green today has become a ubiquitous and soothing presence as the symbol of environmental causes and the mission to save the planet With its striking design and compelling text *Green* will delight anyone who is interested in history culture art fashion or media *Canadian Gazette and Export Trader*, 1914

The Magical Tarot of the Golden Dawn Chris Zalewski, Pat Zalewski, 2019-01-22 The last word on the tarot of the Golden Dawn this veritable encyclopedia covers every aspect of the cards The authors stress experimentation with the tarot which is a mark of a vibrant magical system The descriptions of each tarot card are very reliable and very complete Of particular interest are the alchemical associations and the authors work on the gematria or numerology of each card For the first time a complete alchemical system is given for the whole deck There is also a good deal of added astrological information and divinatory meanings and interpretations Several excellent suggestions for studying and meditating on the cards are provided by the authors This book is a balanced combination of both historical and new material presented by the Zalewskis that stands firmly rooted in Golden Dawn teachings and ritual practice There are many interesting new innovations in this book Fully illustrated by Golden Dawn member and professional artist Skip Dudchous this new 2019 edition has been completely re edited and re formatted for ease of reading It will be an invaluable resource for those interested in the tarot of the Golden Dawn **Queen's Tormenting Love** Jin BianRuiXiang, 2020-08-28 She was a war general but she died in October due to her mistake in marrying a good man The heavens had eyes and it caused her who had a deep grudge against him to attach her soul to the beggar who had frozen to death by the roadside Once she was reborn she was saved by the

prince who fed her and helped her find her martial arts She swore to send all the people who had injured her in her previous life to hell one by one to never be able to stand up again

The Mammoth Book of New Sherlock Holmes Adventures

Mike Ashley,2009-05-28 The biggest collection of new Sherlock Holmes stories since Sir Arthur Conan Doyle laid down his pen nearly 200 000 words of superb fiction featuring the Great Detective by masters of historical crime including Stephen Baxter H R F Keating Michael Moorcock and Amy Myers Almost all the stories here are specially written the cases presented in the order in which Holmes solved them The result is a new life of Sherlock Holmes with a continuous narrative alongside the stories that identifies the gaps in the canon and places the new and hitherto unrecorded cases in sequence Plus an invaluable complete Holmes chronology

The Alternative Sherlock Holmes Peter Ridgway Watt,Joseph Green,2017-03-02

Between 1887 and 1927 Sir Arthur Conan Doyle wrote sixty Sherlock Holmes stories and his great Canon has become the most praised most studied and best known chapter in the history of detective fiction Over twenty thousand publications pertaining to the Sherlock Holmes phenomenon are known to have been published most of them historical and critical studies In addition however almost since the first stories appeared such was their uniqueness and extraordinary attraction that other authors began writing stories based on or derived from them A new genre had appeared pastiches parodies burlesques and stories that attempted to copy or rival the great detective himself As the field widened there was hardly a year in the twentieth century in which new short stories or novels did not appear Many hundreds are now known to have been published some of them written by authors well known for their work in other literary fields The non canonical Sherlock Holmes literature not only constitutes a literary field of considerable historical interest but includes many stories that are both enjoyable and fascinating in their own right Although a large bibliography on these stories exists and a few limited anthologies have been published no attempt has previously been made to collect them all and discuss them comprehensively The Alternative Sherlock Holmes does so it provides a new and valuable approach to the Sherlock Holmes literature as well as making available many works that have for years remained forgotten Presented as an entertaining narrative of interest to both the aficionado and the scholar it provides full bibliographic data on virtually all the known stories in the field
