The Green Helmet Soundings:

Sounding Dissent Stephen Millar, 2020-05-07 The signing of the Good Friday Agreement on April 10 1998 marked the beginning of a new era of peace and stability in Northern Ireland As the public overwhelmingly rejected a return to the violence of the Troubles loyalist and republican groups sought other outlets to continue their struggle Music which has long been used to celebrate cultural identity in the North of Ireland became a key means of facilitating the continuation of pre Agreement identity narratives in a post conflict era *Sounding Dissent* draws on three years of sustained fieldwork within Belfast s rebel music scene in depth interviews with republican musicians contemporary audiences and former paramilitaries as well as diverse historical and archival material including songbooks prison records and newspaper articles to understand the history of political violence in Ireland The book examines the potential of rebel songs to memorialize a pantheon of republican martyrs and demonstrates how musical performance and political song not only articulate experiences and memories of oppression and violence but also play a central role in the reproduction of conflict and exclusion in times of peace

Eneme R.G. Beckwith, 2014-01-08 There is a ticking time bomb in almost all of us A trigger so vile that 8% of humanity has had it surgically removed from their bodies before it destroyed them Medical doctors still don t know why we have it Why we are born with it What purpose it serves or who put it there But we are about to find out There was an alien invasion of Earth some 5 200 years ago we were conquered silently in the night without a fight We called them Gods back then but they are nothing of the sort Humanity was genetically changed altered manipulated and not for the better An evil seed was planted in us for the future a future that is not our own Our free will as a species is an illusion created by our masters Follow LAPD Detective Jace Bradley as he is thrust into a shocking adventure that will uncover the hidden realities of UFO sightings ancient Gods bizarre genetic engineering intergalactic warlords and the very nature of our most perplexing biological traits The world as you know it is about to be turned upside down This suspense filled Sci Fi adventure merges the pulp detective genre with your favorite aspects of the Golden Era that has made Sci Fi so wonderful to read Prepare to have your mind stretched as R G Beckwith delivers another tale of an alien invasion apocalypse sci fi suspense intergalactic war and reveals the truth behind one of life s most intriguing mysteries are we really who we think we are EnEm is the first book in a series pick up your copy now
