The Greylock: A Fairy Tale Georg Ebers,2020-09-28 Once upon a time there was a country more beautiful than all other lands and the castle of the Duke its ruler lay beside a lake that was bluer than the deepest indigo A long time ago the Knight Wendelin and his squire George chanced upon this lake but they found nothing save waste fields and bleak rocks around it yet the shores must formerly have borne a different aspect for there were shattered columns and broken nosed statues lying on the ground Against the hillside there were remains of ancient walls that once undoubtedly had supported terraces of vines but the rains had long washed the soil from the rocks and among the caves and crannies of the fallen stonework and ruined cellars foxes bats and other animals had found a home The knight was no antiquary but as he looked about him his curiosity was excited What can have happened here he said and his squire wondered also and followed his master The latter led his horse to the edge of the water to let him drink for though he had seen many watercourses in the land he had found nothing in them save stones and boulders and sand What if this lake should be salt like the Dead Sea in the Holy Land the knight asked and the squire answered Ugh that would be a thousand pities As the former raised his hand to his mouth to taste the water wishing indeed that it were wine he suddenly heard a strange noise It was mournful and complaining but very soft and sweet It seemed to be the voice of an unhappy woman and this pleased the knight for he had ridden forth in search of adventures He had already been successful in several encounters and from George s saddle hung the tail tips of seven dragons which his master had killed But a woman with a musical appealing voice in great danger offered a rare opportunity to a knight Wendelin had not yet had any such experience The squire saw his master s eyes sparkle with pleasure and scratched his head thinking Distress brings tears to most peoples eyes but there is no knowing what will delight a knight like him
