Malliway, 2025-02-25 A Witch's Guide to Fetch Work provides an extensive collection of spells, rituals, and other magical workings designed to show you how to connect with your fetch, the etheric spirit helper found to manifest within the framework of several old witch traditions. The witch's fetch is the etheric spirit helper often found to manifest within the framework of old witch lore. Despite its popularity in myth, however, very little has been written about actively working with one's fetch in magical practice. A Witch's Guide to Fetch Work seeks to bridge the gap between myth and lore and authentic magical practice. Part 1 of this book explores the mythological and folkloric origins of the fetch, while Part 2 presents a new grimoire of active and intense magical practice designed to help you weave a web of magic in partnership with your fetch. This book delves into the heart of the witch's fetch, encouraging readers to explore their relationship with their fetch to reveal the potent magic that resides therein. Through a blend of history, folklore, and personal narrative, A Witch's Guide to Fetch Work reveals the art of forging an intimate and fulfilling bond with one's fetch, a relationship built on mutual respect, empowerment, and the sharing of ancient knowledge. Accessible to witches just starting on their path but serious enough to cater to the more seasoned practitioner, A Witch's Guide to Fetch Work will prove to be a fantastic and engaging resource.
