They've all worked for the Sub Rosa Society, an elite organization that's so top secret that new agents aren't recruited; they're born. His parents may be the ultimate spy team at SRS, but Hale isn't your typical stealthy spy; he is as his mother puts it, big boned, and as some of his classmates put it, fat. Still, he's convinced he will someday be a great field agent. After all, it's his legacy. But when both his mother and father go missing on a secret mission, likely captured by the SRS's number one enemy, it's Hale's time to step up and, with a little help from his acrobat cheerleader little sister, save the day.
