basic meaning or plot of the story the character could be female There was always the sense however of meddling with something sacrosanct These Jewish stories have been handed down for centuries and who was she to change them Decades later comes this collection of stories The maggidot Jewish women storytellers who wrote and compiled this innovative anthology have created a collection to honor Jewish values while featuring female characters in every central role Some stories are female centered versions of traditional tales e g The Fishmonger and the Shiviti and The Shekhinah Is in Exile others are original fiction inspired by perennial Jewish themes A Queer Soul in the Shtetl
