The Dreamer of Dreams - Illustrated by Edmund Dulac Anon.,2013-04-16 The Dreamer of Dreams was originally penned by Marie The Queen of Roumania and is presented here alongside the splendid illustrations of Edmund Dulac The book starts with the enigmatic phrase And I dream in my waking dreams and deep in the dreams of sleep and continues in this fantastical vein The story tells of a beautiful young artist who dreams a pair of enchanting eyes and gives up all his work in order to find them The pervading pathos and melancholy of the story ensures its appeal for both adults and children with a gentle beauty captured by Dulac s images This edition of The Dreamer of Dreams contains a set of dazzling illustrations by a true master of the Golden Age Edmund Dulac 1882 1953 A French artist himself Dulac had a particular affinity with these old European tales as well as possessing a rigorously painterly background This combination ensured the book s artistic success Appearing alongside the text his illustrations further enhance and elucidate the enchanting narrative Pook Press celebrates the great Golden Age of Illustration in children s literature a period of unparalleled excellence in book illustration We publish rare and vintage Golden Age illustrated books in high quality colour editions so that the masterful artwork and story telling can continue to delight both young and old [The Dreamer of Dreams ... Grotstein,2013-06-17 In *Who Is the Dreamer Who Dreams the Dream A Study of Psychic Presences* James Grotstein integrates some of his most important work of recent years in addressing fundamental questions of human psychology and spirituality He explores two quintessential and interrelated psychoanalytic problems the nature of the unconscious mind and the meaning and inner structure of human subjectivity To this end he teases apart the complex tangled threads that constitute self experience delineating psychic presences and mystifying dualities subjects with varying perspectives and functions and objects with different often phantasmagoric properties Whether he is expounding on the Unconscious as a range of dimensions understandable in terms of nonlinear concepts of chaos complexity and emergence theory modifying the psychoanalytic concept of psychic determinism by joining it to the concept of autochthony comparing Melanie Klein s notion of the archaic Oedipus complex with the ancient Greek myth of the labyrinth and the Minotaur or examining the relationship between the stories of Oedipus and Christ Grotstein emerges as an analyst whose clinical sensibility has been profoundly deepened by his scholarly use of mythology classical thought and contemporary philosophy The result is both an important synthesis of major currents of contemporary psychoanalytic thought and a moving exploration of the nature of human suffering and spirituality **The Dreamer of Dreams** Marie Queen Consort of King of Romania,2013-03-07 The Dreamer of Dreams is a wonderful work of fantasy composed by Marie Alexandra Victoria the then Queen of Roumania and accompanied with Illustrations by Edmund Dulac Originally Published in Published 1889 by Hodder It tells the tale of wanderings of Eric Gundian an artist to the Court of the great Northern King Wanda after he has been enchanted by a dream Through the

course of his wanderings Eric finds his enchantress Stella only to lose her in the moment of their first passionate embrace Heartbroken but still enchanted Eric returns to the Court of King Wanda to finalize his masterpiece with his own final breath Miracles follow and Stella's final resting place becomes venerated as Holy Ground *The Dreamer of Dreams* 12th cent. de France Marie, *The Dreamer of Dreams* Hardpress, 2012-08 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *The Dreamer Who Dreams You* Daniel Stone, 2012-03-16 An opening into the dream of the day and the dream of the night **The Dreamer of Dreams** Marie Roumania, 2014-11-03 The sound of his voice was like spring birds singing of love in green clad forests and when the sun shone on his head it was like the haze of a summer's evening over a ripe cornfield In his eyes slumbered the beautiful peace of mountain lakes and in his heart there lived the simple trust of a pure soul and now Eric Gundian Eric of the golden locks Eric the fairy fingered Eric the sweet voiced had lost his wits One morning he awoke and no one could understand the meaning of his talk he declared he had had a dream and in his dream he had seen two eyes the eyes he needed for the completing of his picture and without these eyes he never again could touch either colour or brush King Wanda had called for him to be brought before his presence but Eric had sullenly refused to answer his command At first King Wanda had been furiously angry but then he remembered Eric's wonderful art and had deigned to go out to where his favourite sat on the cool marble steps that led down to the lake before the King's white palace of beauty Eric had risen before the crowned figure that bent towards him a stern face of inquiry but to all the King's questions to halt his persuasions flatteries threats and entreaties Eric had replied with a sad gesture of resignation that never again could he take up his brush till he had found those eyes which had haunted his dream His pain and his despair were so evident that King Wanda felt that no words had force to move the distracted young man Sadly he departed and mounted one by one the shallow marble steps which reflected in glowing colours the costly clothes that he wore Once more he turned and looked down upon his favourite who sat his head in his hands gazing across the sparkling lake he heaved a deep sigh and felt like quarrelling with Fate who had despoiled him of one of his great joys
