

A black and white photograph of three birds in flight against a dramatic sky. The birds are silhouetted against a lighter sky, with the central bird slightly lower than the other two. Below them is a thick layer of dark, textured clouds, with a bright light source breaking through the center, creating a strong backlight effect and illuminating the edges of the clouds.

exclusiveness it is the very essence of its spirit that it blasphemes no God that has been hallowed by our devotion It sees all religions as the expressions of our spirit rather than the personal revelation of a jealous God to His chosen people It suffers from neither superstitious awe nor bigoted fear **Strategies of Light and Darkness** Staff of Summit University, Mark L. Prophet, Elizabeth Clare Prophet, 2002 Divide and conquer the tar baby syndrome the salami technique these are just three of the strategies that the fallen angels and our own dweller on the threshold use to trip us up These strategies of darkness are ancient Even in the Garden of Eden we can see a typical ploy of the fallen ones to lead the soul astray The strategies of darkness caused the downfall of the golden ages of Lemuria and Atlantis And the plots are the same today Don't be caught off guard Mark L. Prophet and Elizabeth Clare Prophet reveal 33 strategies of the forces of darkness and the strategies of light to counteract them *The Web of Destiny* Max Heindel, 1920 *Walking with the Master* Elizabeth Clare Prophet, 2002 Two thousand years ago Jesus called a small band of disciples to leave their nets and follow him He gave them a teaching and a path of initiation only fragments of which are found in the New Testament This path is as real and vital today as it was in Jesus time And now at the turning of an age the ascended master Jesus calls those who would be his disciples to take up that path to walk and work with him again Twenty eight steps on that path are presented here with commentary and explanation by Elizabeth Clare Prophet and the staff of Summit University The goal is to find and externalize the Christ within The means is a practical path of initiation for the modern world *Paths of Light and Darkness* Mark L. Prophet, Elizabeth Clare Prophet, 2020-01-01 The battle of Light and Darkness is not new In fact it extends far beyond recorded history and even beyond this planet Prophecy speaks of Armageddon and tells us there will be an end to this battle We are on stage for what may be the final scene But the choices we make will determine the outcome Most importantly we need to know what we are dealing with We see good and evil in the news each day But what is really acting behind the scenes What is the battle all about And what is the plan of the enemy Paths of Light and Darkness reveals some of the key strategies in this battle It is fought on many fronts From the drug conspiracy to genetic engineering to extraterrestrials the dots are all connected Most importantly the battle is fought in the hearts and minds of men And therefore it is something we will all face sooner or later For those who are ready this volume in the landmark Climb the Highest Mountain series opens a new door Here you can learn how to navigate through the paths of Light and Darkness that define the world of the twenty first century Find out why you are here Find out why they are here And most importantly find out what you can do about it
