The Early Days In Jackson Hole:

Early Days in Jackson Hole Virginia Huidekoper,1991-05-01 **The Early Days in Jackson Hole** Virginia Huidekoper,2006-05-15 Pioneer photographer William Henry Jackson aimed his camera at the high peaks Gently he removed the cap covering the lens Focused on the wet glass plate was the image of the Teton Mountains a sight heretofore known only to a handful of Indians trappers and explorers The year 1872 In the decades to follow many skilled photographers arrived in the Teton country to record the spectacular beauty of natural features and wildlife A few chose for subjects the human activity documenting the life of the sportsmen early settlers ranchers and dudes They photographed the growing communities of Jackson Hole and the struggles to cope with the elements Over the years these pictures formed a colorful history of the country and were to influence the establishment of the National elk Refuge and Grand Teton National Park Recognizing the importance of these photographs Virginia Huidekoper assembled a permanent file to be preserved in Teton County She prepared this volume from the best pictures in the collection A valuable reference book for historians and photographers it is also an engrossing family album for the residents of Jackson Hole and its many visitors Reminiscences of Early Days Charles Shirley Walgamott,1926 **The Early Days** ,1989 *Annals of Wyoming* ,1925 Photographers Peter E. Palmquist,2000 Yellowstone Hunt Janin,Nicole Sheehan,2021-12-07 Yellowstone National Park is the focal point of the 22 million acre multifaceted Greater Yellowstone Ecosystem located in northwestern Wyoming and in parts of eastern Idaho and Montana Yellowstone has a uniquely American identity as a place where nature largely untouched and unmanaged is allowed to flourish This is a detailed survey that blends Yellowstone s past into its present and explores its likely future It covers the first inhabitants of the area the explorers and visionary conservationists who first brought Yellowstone to public attention the unsung early heroes of the park s ranger service and the flora fauna and spectacular geology of the region The book also covers the possible future paths for the park in light of global climate change **One Step Below the Angels** Diane Whigham,Guy Phillip Maggio,1999-12 When Kate arrived in Jackson Wyoming she found a harsh wilderness and strangers seeking a new life Those strangers became her neighbors and the land her home She lived in the shadows of the Grand Tetons just a scant distance from Yellowstone The surroundings the people and the promise changed Kate as she changed their destinies She raised the consciousness of the community while she raised her family This bold new frontier and extraordinary beauty sets the stage for statehood The epic story tells of the region s citizens and their eventual journey into the 20th century Wildlife Research and Management Leaflet ,1937 *When Greed Turns Deadly* Dixie Murphy,2012-07-10 The two women found dead in their beds had been executed There was no robbery no sexual motivation The satanic writings and red candles found at the scene had been staged to throw investigators off track The killer or killers just wanted the women dead One of them Betty Lou Gray had been the primary target while the other a close friend had simply been in the wrong place at the wrong time From the beginning the prime suspect had been Betty Lou s husband Bill A

dominating and controlling husband he had kept his wife penniless and almost in bondage for 28 years until finally she d had enough and asked for a divorce The obvious motivation was money a 250 000 life insurance policy and with his wife dead there would be no splitting of assets in a divorce settlement If he could succeed in hiding the insurance money and the pawnshop assets from his children Bill Gray would become a rich man It seemed an open and shut case but it was not to be In this true story Dixie Murphy follows a trail of suspicion and intrigue and reveals the virtually unprecedented means used to finally bring a murderer to justice
