The Earp Brothers Of Tombstone:

The Earp Brothers of Tombstone Frank Waters, 1976-01-01 The Earp Brothers of Tombstone and the famous fight at the O K Corral are well known to American history and even better known to American legend This composite biography of Wyatt Morgan Virgil James and Warner Earp is based on the recollections of Mrs Virgil Earp dictated to the author in the 1930s and amplified by documents he unearthed in 1959 In his review of the book for Library Journal W S Wallace stated that he considered The Earp Brothers of Tombstone the most authoritative account ever to be published on the subject

Tombstone Tom Clavin, 2020-04-21 THE INSTANT NATIONAL BESTSELLER Tombstone is written in a distinctly American voice T J Stiles The New York Times With a former newsman s nose for the truth Clavin has sifted the facts myths and lies to produce what might be as accurate an account as we will ever get of the old West s most famous feud Associated Press The true story of the Earp brothers Doc Holliday and the famous Battle at the OK Corral by the New York Times bestselling author of Dodge City and Wild Bill On the afternoon of October 26 1881 eight men clashed in what would be known as the most famous shootout in American frontier history Thirty bullets were exchanged in thirty seconds killing three men and wounding three others The fight sprang forth from a tense hot summer Cattle rustlers had been terrorizing the back country of Mexico and selling the livestock they stole to corrupt ranchers The Mexican government built forts along the border to try to thwart American outlaws while Arizona citizens became increasingly agitated Rustlers who became known as the cow boys began to kill each other as well as innocent citizens That October tensions boiled over with Ike and Billy Clanton Tom and Frank McLaury and Billy Claiborne confronting the Tombstone marshal Virgil Earp and the suddenly deputized Wyatt and Morgan Earp and shotgun toting Doc Holliday Bestselling author Tom Clavin peers behind decades of legend surrounding the story of Tombstone to reveal the true story of the drama and violence that made it famous Tombstone also digs deep into the vendetta ride that followed the tragic gunfight when Wyatt and Warren Earp and Holliday went vigilante to track down the likes of Johnny Ringo Curly Bill Brocius and other cowboys who had cowardly gunned down his brothers That vendetta ride would make the myth of Wyatt Earp complete and punctuate the struggle for power in the American frontier s last boom town *The Earp Brothers of Tombstone* Frank Waters, 1962 *An Index to The Earp Brothers of Tombstone* , 2002 **The Earp Brothers** Charles River Charles River Editors, 2018-02-12 Weaves the lives of the Earp brothers into one entertaining and educational narrative Includes pictures of important people and places Explains the origins of the Gunfight at the OK Corral and the controversial details that continue to be debated today Includes a Bibliography for further reading Of all the colorful characters that inhabited the West during the 19th century the most famous of them all is Wyatt Earp 1848 1929 who has long been regarded as the embodiment of the Wild West Considered the toughest and deadliest gunman of his day Earp symbolized the swagger the heroism and even the lawlessness of the West notorious for being a law enforcer gambler saloon keeper and vigilante The Western icon is best known for being a sheriff in

Tombstone but before that he had been arrested and jailed several times himself in one case escaping from prison and he was not above gambling and spending time in houses of ill fame Though they have long been overshadowed by their more famous brother Wyatt Virgil and Morgan Earp played decisive roles in some of the most famous events in the history of the Old West Most notably the two brothers were at Wyatt s side for America s most famous gunfight the Gunfight at the O K Corral Though the gunfight lasted less than a minute it is still widely remembered as the climactic event of the period representing lawlessness and justice vendettas and a uniquely Western moral code Fought in the middle of Tombstone Arizona the gunfight pitted the three Earp brothers and Doc Holliday against Billy Clanton Tom McLaury and Frank McLaury By the time the 30 second gunfight was over the McLaury brothers were dead in the street Billy Clanton had suffered a painful and fatal gunshot wound to the chest and Holliday Virgil and Morgan Earp were all wounded To this day the motives behind the gunfight and exactly how it all went down remain heavily debated but the aftermath of the gunfight is much better known Both Virgil and Morgan were the targets of assassination attempts in the coming months precipitating the Earp Vendetta Ride in 1882 The attention spent on the Gunfight and the Earp Vendetta Ride as well as the fact that Wyatt Earp and Doc Holliday are two of the most famous men of the West have largely obscured the personal details of Virgil and Morgan The Earp Brothers chronicles the West s most famous brothers while examining the roles they played in some of the West s most famous events Along with pictures of important people places and events you will learn about the Earp brothers like never before

The Earp Brothers: Wyatt, Virgil and Morgan Earp Charles River Charles River Editors,2013-09-12 Weaves the lives of the Earp brothers into one entertaining and educational narrative Includes pictures of important people and places Explains the origins of the Gunfight at the OK Corral and the controversial details that continue to be debated today Includes a Bibliography for further reading Of all the colorful characters that inhabited the West during the 19th century the most famous of them all is Wyatt Earp 1848 1929 who has long been regarded as the embodiment of the Wild West Considered the toughest and deadliest gunman of his day Earp symbolized the swagger the heroism and even the lawlessness of the West notorious for being a law enforcer gambler saloon keeper and vigilante The Western icon is best known for being a sheriff in Tombstone but before that he had been arrested and jailed several times himself in one case escaping from prison and he was not above gambling and spending time in houses of ill fame Though they have long been overshadowed by their more famous brother Wyatt Virgil and Morgan Earp played decisive roles in some of the most famous events in the history of the Old West Most notably the two brothers were at Wyatt s side for America s most famous gunfight the Gunfight at the O K Corral Though the gunfight lasted less than a minute it is still widely remembered as the climactic event of the period representing lawlessness and justice vendettas and a uniquely Western moral code Fought in the middle of Tombstone Arizona the gunfight pitted the three Earp brothers and Doc Holliday against Billy Clanton Tom McLaury and Frank McLaury By the time the 30 second gunfight was over the McLaury brothers were dead in the street Billy Clanton had

suffered a painful and fatal gunshot wound to the chest and Holliday Virgil and Morgan Earp were all wounded To this day the motives behind the gunfight and exactly how it all went down remain heavily debated but the aftermath of the gunfight is much better known Both Virgil and Morgan were the targets of assassination attempts in the coming months precipitating the Earp Vendetta Ride in 1882 The attention spent on the Gunfight and the Earp Vendetta Ride as well as the fact that Wyatt Earp and Doc Holliday are two of the most famous men of the West have largely obscured the personal details of Virgil and Morgan The Earp Brothers chronicles the West s most famous brothers while examining the roles they played in some of the West s most famous events Along with pictures of important people places and events you will learn about the Earp brothers like never before

Murder in Tombstone Steven Lubet, 2004-09-10 This account of the court case that followed the gunfight at the OK Corral will interest Wild West buffs as well as readers interested in legal history Publishers Weekly The gunfight at the OK Corral lasted less than a minute yet it became the basis for countless stories about the Wild West At the time of the event however Wyatt Earp was not universally acclaimed as a hero Among the people who knew him best in Tombstone Arizona many considered him a renegade and murderer This book tells the nearly unknown story of the prosecution of Wyatt Earp his brothers and Doc Holiday following the famous gunfight To the prosecutors the Earps and Holiday were wanton killers According to the defense the Earps were steadfast heroes willing to risk their lives on the mean streets of Tombstone for the sake of order The case against the Earps with its dueling narratives of brutality and justification played out themes of betrayal revenge and even adultery Attorney Thomas Fitch one of the era s finest advocates ultimately managed against considerable odds to save Earp from the gallows But the case could easily have ended in a conviction and Wyatt Earp would have been hanged or imprisoned instead of celebrated as an American icon This trial has everything a family feud famous outlaws and lawmen politics sex and the most famous shootout in frontier history Lubet s accessible and highly original book will set a standard for scholarship in a field laden with folklore Allen Barra author of *Inventing Wyatt Earp*
