## **The Good Fight A Laura DiPalma Mystery:**

**The Good Fight** Lia Matera, 2021-06-15 Murder and a missing person disrupt a high profile lawyer's climb up the ladder of success in this mystery by the author of *The Smart Money*. Everything's falling into place for attorney Laura Di Palma. She's about to become a partner at her prominent firm; she has a great apartment and she's paid off her Mercedes. Then disaster strikes. Her sick boyfriend goes missing from his hospital bed and her firm's detective who's also her ex is eager for a second chance. Meanwhile work only adds to Laura's tension. Her newest client, activist Danny Crosetti, is accused of murdering an FBI agent and her firm's top partner threatens to fire her if she doesn't drop the case. But Danny's an old friend from Laura's days of protesting. She can't turn her back on him. When another murder is thrown into the mix, juggling her demanding career and missing lover while keeping her ex at a distance, even though she really needs his help, will prove to be quite the challenge for Laura. But time is of the essence; she must find the killer before everything comes falling down. *The Good Fight* is sharply written, brilliantly observed. John Leonard, NPR's *Fresh Air*. Extraordinary thought provoking. Laura Di Palma is one of the most compelling characters in recent mystery fiction. *The Baltimore Sun*. Compelling. Matera writes with passion about debts to old lovers and old causes. *New York Daily News*. **Mystery Women, Volume Two (Revised)** Colleen Barnett, 2011-12-31 Many bibliographers focus on women who write. Lawyer Barnett looks at women who detect, at women as sleuths and at the evolving roles of women in professions and in society. Excellent for all women's studies programs as well as for the mystery hound. Look at the popularity of such reading guides as Willetta Heising's *Detecting Women*, 3rd ed 0 9644593 7 X or Amanda Cross fiction *Honest Doubt* 0 345 44011 0 11 00.

**Lovers and Lawyers** Lia Matera, 2021-06-15 Twelve suspenseful stories from the author of the Willa Jansson and Laura Di Palma mystery series. A killer's using freezing weather and plenty of water to eliminate the city's homeless population and a lawyer must identify the culprit before her client's arrested for the bizarre murders. An off the grid clandestine meeting between an attorney and her recently acquitted lover takes a twisted turn. In 1918, as the flu pandemic decimates America, a nanny for a wealthy family is mistaken for dead, but that's only the beginning of her troubles. On a quiet Oregon beach on Native American land, a couple is debating whether or not they should get married when a stranger interrupts them. These are just a few of the mysterious tales in this collection that has tight plotting, good characterizations and page turning suspense. Matera is one of the best contemporary mystery novelists. *Booklist*. Praise for Lia Matera. A welcome respite from the mystery by formula crowd. *Kirkus Reviews*. On *A Hard Bargain*. A satisfying blend of emotion, suspense and mystery. *The Pittsburgh Press*. On *The Good Fight*. Matera's skill and literary flair are everywhere on display. Every word counts and the pieces of the puzzle fit together with exhilarating precision. *ABA Journal*. On *Designer*.
