XXXXXXX Before You Were Born, I Anointed You Anna Beresford, 2022-09-12 Prophetic ministry in the Bible has long been perceived as the exclusive domain of individuals who were powerful authoritative argumentative and almost always male This impression cannot be sustained In a logical and engaging way Anna Beresford convincingly shows us that female characters throughout the biblical story are not merely peripheral actors but are often the ones who proclaim God's prophetic word with disturbing clarity Beginning with the few women acknowledged as prophets in the Hebrew scriptural tradition Beresford proceeds to uncover a surprising host of hidden female prophets Among this cast we meet the widow whose last penny is consumed by organized religion the gate crasher who teaches a pious Pharisee stern lessons in hospitality a woman who has the last word in a theological debate A woman used to trap Jesus proclaims truth to power and a feisty foreign lady cleverly proves that God's love is for all of us regardless of gender or ethnicity This book is a compelling reminder that God speaks to all people women and men and calls on us to share the message whether it is convenient or not 2 Tim 4:2 NET

Lessons from the Apostles Glen A. Blanscet, 2021-03-19 We often think of the apostles as

spiritual giants men who were uniquely qualified to walk with Jesus and carry on His mission to the world But the reality is they stand out more for their lack of qualifications They were not trained religious scholars they often misunderstood what Jesus told them and sometimes they simply failed to live up to Jesus s expectations Not only did they lack qualifications but they also encountered many of the same fears and issues we experience They struggled with doubts cowardice ambition faithlessness pessimism and greed In other words the apostles were people just like us Yet Jesus chose them to change the world And they did Lessons from the Apostles describes the struggles and personalities of these ordinary men reveals the transformation Jesus made in their lives and identifies specific lessons you can apply in your own life You will also find brief accounts of the stories and legends regarding what happened to the apostles after the Bible As you read about each of these men you will likely recognize your own personality in one or more of them And you will find encouragement from knowing that you too are the type of person God can use to change the world **Chasing the Eastern Star** Mark Allan
