The Gospel According To Dispensationalism:

The Gospel According to Dispensationalism Reginald C. Kimbro, 1995-01-01 **The Gospel According to the Apostles** John F. MacArthur, 2005-03-06 The apostles understood the Gospel as they learned from and personally lived alongside Jesus and these lessons became the heart of their message to an unsaved world But what does their perspective mean for modern Christians and how can we read the Bible through their unique lens today Following the release of his bestselling book *The Gospel According to Jesus* Dr MacArthur noticed that Christians were looking for practical advice spiritual counsel and accessible explanations of the Bible And most of all they wanted help understanding their experiences within Christianity Dr MacArthur realized that by examining scripture from the perspective of the apostles themselves even more Christians could come to know the Gospel as Jesus earliest followers did In his characteristic compelling style Dr MacArthur examines some of the key passages from the Epistles and Acts that reveal how the apostles first shared the gospel and how they unfolded the truths of salvation to the early church Dr MacArthur doesn't shy away from answering some of the difficult questions that he's been asked over the years including What is cheap grace Have some Christians adopted a no lordship theology What must a person do to be considered righteous by God How should we call people to faith Do our works have any effect on our salvation *The Gospel According to the Apostles* is a book for every Christian who wants to experience understand and fall in love with the same gospel that Jesus preached The Gospel According to Jesus John F. MacArthur, 2009-05-26 What is authentic faith *The Gospel According to Jesus* challenges Christians to re-evaluate their commitment to Christ by examining their fruits MacArthur asks What does it really mean to be saved He urges readers to understand that their conversion was more than a mere point in time that by definition it includes a lifetime of obedience John MacArthur tackles the error of easy believism by addressing these questions Is it possible to accept Jesus as Savior while refusing him as Lord Can someone truly believe without actually repenting How do obedience commitment to Christ and turning from sin fit together with the truth that we are saved by grace through faith alone *The Gospel According to Jesus* is just as powerful today as it was more than two decades ago It is a Scripture based clarion call for a rejection of the watered down message that has gained popularity in the church and a return to the gospel Jesus preached This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic reinforcing the book's timeless message that Jesus demands to be both Savior and Lord to all who believe This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ **The Gospel of the Christ** Thomas Lewis Stegall, 2009-07 *The Gospel of the Christ* is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own

movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith

The Gospel of the Kingdom Philip Mauro,2014-05-21 Through an incident of recent occurrence I was made aware of the extent far greater than I had imagined to which the modern system of dispensationalism has found acceptance amongst orthodox Christians and also of the extent correspondingly great to which the recently published Scofield Bible which is the main vehicle of the new system of doctrine referred to has usurped the place of authority that belongs to God s Bible alone The fact is that dispensationalism is modernism It is modernism moreover of a very pernicious sort such that it must have a Bible of its own for the propagation of its peculiar doctrines since they are not in the Word of God Ample proof of this will be given in the pages that follow From the Author s Preface Ravenbrook Publishers [www Ravenbrook org](http://www.Ravenbrook.org)

The Gospel of Matthew and Its Readers Howard Clarke,2003-08-07 The Gospel of Matthew and Its Readers is a biblical commentary with a difference Howard Clarke first establishes contemporary scholarship s mainstream view of Matthew s Gospel and then presents a sampling of the ways this text has been read understood and applied through two millennia By referring forward to Matthew s readers rather than back to the text s composers the book exploits the tensions between what contemporary scholars understand to be the intent of the author of Matthew and the quite different indeed often eccentric and bizarre ways this text has been understood assimilated and applied over the years The commentary is a testament to the ambiguities and elasticity of the text and a cogent reminder that interpretations are not fixed nor texts immutably relevant And unlike other commentaries this one gives space to those who have questioned rejected or even ridiculed Matthew s messages since Bible bashing like Bible thumping is a historically significant part of the experience of reading the Bible

Backgrounds to Dispensationalism Clarence B. Bass,2005-02-03 The purpose of this book is to describe the historical setting out of which dispensationalism has grown to establish what dispensationalism is and to point out its implications for contemporary church life Beginning with a survey of the major features of dispensationalism in relation to the historic beliefs of the church the book then examines the origins of dispensationalism in the thinking of John Nelson Darby What kind of man was Darby What were the circumstances in which his theology was fashioned What were the practical consequences of his theology of the church for his own day Dr Bass offers well founded answers to these questions helping readers make their own evaluations about dispensationalism Dr Bass traces

the development of Darby's thought and practice through the Plymouth Brethren movement. He clearly demonstrates how Darby not only introduced new theological concepts but new principles of interpretation. This emerging system of interpretation with its particular chronology of future events has largely informed the popular Left Behind eschatology. In this light it is clear that Bass's discussion of Darbyite dispensationalism is just as relevant as when his book first came out in 1960. This study is the result of an intensive and exhaustive search for accuracy of detail with a fair non argumentative style. Those wishing to do further research will appreciate his classified bibliography regarding dispensational literature.

The Gospel of the Kingdom: The Life of Jesus Christ and the Kingdom of God - A Dispensational Commentary (Hardcover)

Philip Mauro, 2018-07-25 In this insightful book Philip Mauro offers commentary to demonstrate how Jesus and the Kingdom of God is alive and vibrant all around us. In this thorough refutation of the dispensation movement Mauro demonstrates how the dispensationalist traditions of the past are simply untrue. He examines each of the seven principles and sets them against the words of the Holy Scripture demonstrating how each is inconsistent with what is taught in the Bible. Mauro doggedly cites the Bible throughout this text explaining the deeper passages with the clarity only a gifted and studied preacher acquires. His firm belief is that the truest Christianity whereby believers gain closeness of God and His Kingdom is not to be found in the tenets of dispensationalism but the original Holy Bible. Although composed in the 1920s Mauro's book shines with clarity and retains its relevance to this day.

Acts 1 Dispensationalism Steve Urick, 2014-01-28 Dispensational Theology is crucial to understanding the Bible. But most people do not comprehend the similar but distinct ministry and message of Jesus and the twelve apostles to the Jews in relation to Paul the apostle to the Gentiles during the transitional time of the early church. Acts 1 Dispensationalism provides the solution to the great dispensational debate that has divided all of Christendom. It carefully divides the Word by using literal grammatical historical methods of interpretation and corrects several commonly held errors. In this book one will gain a better understanding of the mission of Jesus and the Twelve to Israel and Paul's separate mission to the Gentile nations and the purpose of water baptism in their ministries. In time Acts 1 Dispensationalism may rival Acts 2 Progressive and Mid Acts Dispensationalism as a more viable biblical interpretation.

Dispensationalism Charles C. Ryrie, 2007-02-01 Dispensationalism continues to provoke heated debate within the Christian world. Highly acclaimed theologian Dr Charles C Ryrie addresses this crucial issue from the perspective of classic dispensationalism. He confronts the views of covenant theology, historical premillennialism, ultradispensationalism, and in this revised edition the increasingly popular progressive dispensationalism. In his best selling book Dispensationalism Today, written more than thirty years ago, Dr Ryrie made this complex subject more understandable for thousands worldwide. This revised and expanded version of that book will prove to be an invaluable reference tool for your library.

The Case for Progressive Dispensationalism Robert Saucy, 2010-12-21 Debate abounds on the future of Israel and Israel's relation to the church, not only between dispensationalists and non dispensationalists but among dispensationalists themselves. In the past

that debate has sometimes been acrimonious and proponents of the differing viewpoints have found little common ground In recent years however views have been modified and developed so that the dialogue is increasingly by cooperation and a mutual exploration of diverse ideas The Case for Progressive Dispensationalism is intended to enlighten the debate in that same irenic spirit The book is solidly dispensational in perspective in affirming that the Old Testament prophecies are completely fulfilled in the future that the nation of Israel has a prophetic future and that Israel is not the church Dr Saucy departs from classic dispensationalism however in showing that 1 the fulfillment of Old Testament prophecy begins in the present church age and 2 the church is not a parenthesis in God s program but represents a continuity with the Old Testament messianic program This modified dispensationalism seeks to satisfy many of the objections of non dispensational approaches to eschatology while retaining the crucial elements of biblical interpretation that characterize dispensational thought

The Last Days of Dispensationalism Alistair W. Donaldson, 2010-10-28 How we understand God s future purposes for the world must shape to a significant degree how Christians live life in the present The decades since the publication of Hal Lindsey s The Late Great Planet Earth have seen a great deal of end times speculation Signs of the end time apocalypse occurring soon have been heralded across our radios televisions the internet and through written forms of media urging people to either be ready for the rapture or be left behind to endure the horrific suffering of the tribulation as God s end time program unfolds Is this really what the Bible teaches about the purposes of the God of whom our Bible declares so loved the world that he gave his only son in order that all things be reconciled The Last Days of Dispensationalism carefully examines this popular understanding known to us as dispensationalism and urges us to think again and to see within the Bible s grand salvation narrative and in the person of Jesus Christ a better message of redemptive hope for the future and a greater sense of meaning and purpose for the present

Rightly Dividing the Bible Volume One David E Walker, 2018-01-10 An extensive yet simple and easy to read book about how to properly interpret the Bible Dr Walker has dedicated his time and effort in thorough research and answers most questions about dispensations and dispensationalism Upon reading these volumes the reader will find himself not only well informed but also with a great wealth of reference material for future use Dr David Peacock Pastor Bible Believers Baptist Jacksonville Florida GET THE BACKGROUND The excuse that there are so many interpretations of the Bible is exposed with a clear concise defining of biblical terms using the Bible itself to define those terms DISCOVER THE HISTORY Learn about the men manuscripts and movements that have shaped views of Bible interpretation Find out who really believed the Bible and those who merely used the Bible to support their opinions UNLOCK THE PROPHECIES Many prophecies are unraveled and shown how they relate to the return of Christ the church and the nation of Israel

Dispensationalism and the History of Redemption D. Jeffrey Bingham, Glenn R. Kreider, 2015-08-25 Top level scholarship on an enduring tradition Dispensationalism has long been associated with a careful trustworthy interpretation of Scripture Reflective of its past and present status and strategic to its future Dispensationalism and the

History of Redemption is a fresh defense of a time tested tradition Made up of ten essays from leading dispensationalist scholars this volume covers the critical elements to know An introduction to dispensationalism including its terms and biblical support The history and influence of dispensationalism from its roots in John Nelson Darby to its global reach through missions The hermeneutic of dispensationalism the interpretive principles behind the system Dispensationalism and redemptive history the story of salvation traced through the Old and New Testaments including their unity and diversity in relation to Christ Dispensationalism and covenant theology a comparison and contrast between two main evangelical perspectives on Scripture s unity With contributors from top tier schools like Dallas Theological Seminary and Wheaton College Dispensationalism and the History of Redemption is an expert treatment of an enduring yet developing tradition

The Dispensational-Covenantal Rift R. Todd Mangum, 2007-06-01 This groundbreaking study explores how the fight between dispensationalists and covenant theologians started and how a unique dynamic of personalities and sociological factors enflamed it Readers may be surprised to discover that even the terminology of dispensationalists and covenant theologians originated in the 1930s disputes that the majority of the original protagonists on both sides were Presbyterians and that soteriology rather than eschatology was the original bone of contention between them This study examines how two respective strands of fundamentalism came to identify one another as theological rivals as they each vied for position in their recently formed separatist bodies The significance of disagreements over dispensationalism is explored in the founding of the Orthodox Presbyterian and Bible Presbyterian churches And then as the debate traveled southward the response of the PCUS is examined with special attention given to the consummative reports of an ad hoc committee that found dispensationalism to be out of harmony with the Westminster doctrinal standards Significant misunderstandings that impeded fruitful dialogue from the beginning are clarified particularly those that have persisted most stubbornly to the present day Perhaps most surprising of all the reader will discover that nearly all of the original points of debate between dispensationalists and covenant theologians have since been resolved as each side has honed its position in light of pertinent critiques Why has this development gone almost unnoticed This study suggests an answer and proposes that understanding how the feud began may hold the key to rapprochement today *Dispensationalism, Israel and the Church* Craig A. Blaising, Darrell L.

Bock, 2010-08-10 The relationship between Israel and the church is a crucial reference point in theology especially in distinguishing between dispensational and nondispensational ways of thinking The thesis of this book is that Israel and the church are distinct theological institutions that have arisen in the historical progress of divine revelation But they are also related as successive phases of a redemptive program that is historically progressive and eschatologically converging The approach to these issues here is neither polemical nor apologetic rather it anticipates a convergence among evangelical scholars in the recognition of both continuity and discontinuity in the Israel church relationship This book has three purposes To offer a contemporary dispensational treatment of that relationship through an exegetical examination of key texts with a

focus on theological concerns To foster genuine dialogue with nondispensational thinkers regarding major biblical themes tied to the plan of God To identify the changes in dispensational thought that have developed since the publication of Charles Ryrie s book *Dispensationalism Today* in 1965 *The Rapture Code* Craig S. Luchin, 2010-03-03 Can there only be one Rapture The Rapture Code Part One of an Eight Book Coded Series This is the first book of an Eight Book Coded Series concerning Christian living I ve been a Christian for 34 yrs and for over 30 of those years I have tried to augment the Rapture of the Church with additional biblical evidence I started out all those years ago to accomplish this one task Well God has greatly blessed me in that I found not one code concerning the Rapture but a coded series of eight codes total Thus each one relating to the Christians walking out their salvation in one aspect or another Doctrinally this first book pertains to the Rapture of the Church in a Pre Millennial position that promotes as true The Seven year Tribulation the Millennial Reign of Jesus Christ here on earth the little season of Satan and then the New Heavens and Earth What I have uncovered is a deeper answer that gives good reasons for all three rapture positions which are Pre Mid and Post Tribulation being three different raptures all taking place during this 7 year time period Thus there being three separate raptures instead of just one I see there are three raptures of three different groups of peoples in the Tribulation Period Instead of the one group of the one Rapture of the Church in only one of the three rapture positions offered us Namely the rapture positions of Pre or Mid or Post Tribulation Thus again I see three different raptures taking place as follows Rapture of the Church Rapture of the Two Witnessess Rapture of the Elect of Israel Pre Tribulation Mid Tribulation Post Tribulation Israel is always the key to proper biblical prophecy Without Israel in existence today as a nation there would be no final End Times Israel and the Church are separate in the Scriptures and so it only makes sense especially after seeing the evidence that I have accumulated in this book that Israel would have it s OWN rapture Further Christians are making the same error of judgment pertaining to Christ s Rapture of the Church seeing only one rapture that Israel made concerning Christ s First Coming Israel perceived wrongly that there was only one Coming of Christ which they were sorely mistaken and we now know that there are two Comings of the LORD one 2 000 yrs ago and one in the near future But Christians are making the same error in thinking that there is only one rapture of one major group of people The Rapture of the Church When in fact there are two raptures of two major groups of peoples as noted above Note The Two Witnesses are not a group though I feel with some Scriptural evidence that the 144 000 may go up with the Witnesses In which the Left Behind notion will be proved wrong Also I have found a word pattern order exclusive to the KJB that shows forth this order in many OT verses as well as the NT I have found the threefold pattern of these three raptures in the Breastplate of the High Priest in the Seven Feasts of Israel in the books of Daniel and Revelation in the books of Matthew Mark and Luke and in many other places In addition these truths will strengthen the Eternal Security of any Believer Finally I have discovered many new study aids for advance studies that only appear in the KJB which will strengthen the Christian for the ongoing battle for the Bible The King James Bible in which these study aids

can and will be demonstrated throughout this Eight Book Coded Series by which these eight codes are based in Acts 3 The codes are there in this chapter four times in a four times over repeating order perfectly This co J. N. Darby and the Roots of Dispensationalism Crawford Gribben,2024 John Nelson Darby is best known as the architect of the most influential system of end times thinking among the world s half a billion evangelicals This book re examines Darby s thought and argues that claims that Darby is the father of dispensationalism may need to be revised **The Rise and Fall of Dispensationalism** Daniel G. Hummel,2023-05-04 A fascinating history of dispensationalism and its influence on popular culture politics and religion In The Rise and Fall of Dispensationalism Daniel G Hummel illuminates how dispensationalism despite often being dismissed as a fringe end times theory shaped Anglo American evangelicalism and the larger American cultural imagination Hummel locates dispensationalism s origin in the writings of the nineteenth century Protestant John Nelson Darby who established many of the hallmarks of the movement such as premillennialism and belief in the rapture Though it consistently faced criticism dispensationalism held populist and briefly scholarly appeal visible in everything from turn of the century revivalism to apocalyptic bestsellers of the 1970s to current internet conspiracy theories Measured and irenic Hummel objectively evaluates evangelicalism s most resilient and contentious popular theology As the first comprehensive intellectual cultural history of its kind The Rise and Fall of Dispensationalism is a must read for students and scholars of American religion
