## **The Gray Flannel Pigskin Movers And Shakers Of Pro Football:**

**The Gray-flannel Pigskin: Movers and Shakers of Pro Football** William Henry Paul, 1974      **Fight for Old DC** Andrew O'Toole, 2016-11

In 1932 laundry store tycoon George Preston Marshall became part owner of the Boston Braves franchise in the National Football League. To separate his franchise from the baseball team he renamed it the Redskins in 1933 and then in 1937 moved his team to Washington DC where the team won two NFL championships over the next decade. But it was off the field that Marshall made his lasting impact. An innovator he achieved many firsts in professional football. His team was the first to telecast all its games, have its own fight song and a halftime show, and assemble its own marching band and cheerleading squad. He viewed football as an entertainment business and accordingly made changes to increase scoring and improve the fan experience. But along with innovation there was controversy. Marshall was a proud son of the South and as the fifties came to a close his team remained the only franchise in the three major league sports to not have a single black player. Marshall came under pressure from Congress and the NFL and its president Pete Rozelle as league expansion and new television contract possibilities forced the issue on the reluctant owner. Outside forces finally pushed Marshall to trade for Bobby Mitchell, the team's first black player in 1962. With the story of Marshall's holdout as the backdrop, *Fight for Old DC* chronicles these pivotal years when the NFL began its ascent to the top of the nation's sporting interest.

*From Sandlots to the Super Bowl* Craig R. Coenen, 2023-08-31

The National Football League that celebrated its first Super Bowl in 1967 bore scant resemblance to the league of its obscure origins. In its earliest years the league was a ragtag collection of locally supported small town teams that generated attention only in the locales in which they played if they were lucky. Many teams received no support at all. Only after enduring a slow, often treacherous journey did the enterprise of professional football reach its position as the king of the sports world by the late 1960s. In *From Sandlots to the Super Bowl* Craig R. Coenen recounts the NFL's ascension from a cash-strapped laughingstock to a perennial autumn obsession for millions of sports fans. It offers an in-depth summary of the NFL's early years and its struggles to build an identity. This book shows how the fledgling NFL of the 1920s and 1930s attempted to build support both on a local and national scale. Considered a sport of hooligans and lower class athletes, professional football paled in comparison to the reputations of competing sports such as college football and professional baseball. Even more difficult for the league, developing civic support for franchises proved an almost impossible task. Teams would spring up and disappear overnight, generating hardly any notice among sports fans. Coenen shows how the league's survival depended on small town franchises being able to tap into the civic pride and larger economic interests of nearby growing urban centers. This book also details how the league faced challenges from rival leagues, the government, and at times itself. Finally, it documents how the NFL mastered the use of new technologies like television to market itself, generate new revenue, and secure its financial future. This book approaches the history of the National Football League not only with stats and scores but with what happened beyond the gridiron. Starting in Canton and

Massillon and ending in Los Angeles with Super Bowl I From Sandlots to the Super Bowl offers an entertaining and absorbing look at the first five decades of America s most popular professional sport *On Any Given Sunday* Robert Lyons, Bert Bell a native of Philadelphia has been called the most powerful executive figure in the history of professional football He was responsible for helping to transform the game from a circus sideshow into what has become the most popular spectator sport in America In *On Any Given Sunday* the first biography of this important sports figure historian Robert Lyons recounts the remarkable story of how de Benneville Bert Bell rejected the gentility of a high society lifestyle in favor of the tougher gridiron and rose to become the founder of the Philadelphia Eagles and Commissioner of the National Football League Bell who arguably saved the league from bankruptcy by conceiving the idea for the annual player draft later made the historic decision to introduce sudden death overtime a move that propelled professional football into the national consciousness He coined the phrase on any given sunday and negotiated the league s first national TV contract Lyons also describes in fascinating detail Bell s relationships with leading figures ranging from such Philadelphia icons as Walter Annenberg and John B Kelly to national celebrities and U S Presidents He also provides insight into Bell s colorful personal life including his hell raising early years and his secret marriage to Frances Upton a golden name in show business *On Any Given Sunday* is being published on the 50th anniversary of Bell s death **The Games They Played** Douglas A. Noverr, Lawrence Edward Ziewacz, 1983 To find more information about Rowman and Littlefield titles please visit [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com)

Forbidden Bookshelf Presents Dan E. Moldea Dan E. Moldea, 2018-10-23 Three expos s of corruption behind the NFL the Teamsters and Jimmy Hoffa and Ronald Reagan from an investigative reporter who never relents The Washington Post *Interference* A shocking expos of widespread corruption and mob influence throughout the National Football League on the field in the owners boxes and in the corporate suites A true and terrifying picture of a business whose movers and shakers seem to have more connections to gambling and the mob than to touchdowns and Super Bowls Keith Olbermann *The Hoffa Wars* The definitive portrait of the powerful corruption ridden Teamsters union and its legendary president Jimmy Hoffa organizer gangster convict and conspirator whose disappearance in 1975 remains one of the great unsolved mysteries Mr Moldea s view of the Hoffa wars which reached its greatest intensity when Robert Kennedy was Attorney General may explain not only Mr Hoffa s disappearance but the assassination of John Kennedy as well The Wall Street Journal *Dark Victory* A smoldering indictment of the corrupt influences that rescued Ronald Reagan s acting career made him millions resulting in a federal grand jury hearing backed his political career and shaped his presidency Library Journal Moldea has through sheer tenacity amassed an avalanche of ominous and unnerving facts *Dark Victory* is a book about power ego and the American way Los Angeles Times **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1976

Interference Dan E. Moldea, 2014-06-10 A shocking expos of widespread corruption and mob influence throughout the National Football League on the field in the owners boxes and in the corporate suites According to investigative journalist

Dan E Moldea for decades the National Football League has had a strong and unspoken understanding with a dangerous institution organized crime In his classic expos *Interference* Moldea bares the dark sordid underbelly of America s favorite professional team sport revealing a nest of corruption that the league has largely ignored since its inception Based on intensive research and in depth interviews with coaches players mobsters bookies gamblers referees and league officials including some of the sport s all time greats the author s shocking allegations suggest that the betting line is firmly in the hands of the mob who occasionally manipulate the on field action for maximum profit *Interference* chronicles a long standing history of gambling drugs and extortion of point shaving and game fixing and reveals the eye opening truth about numerous gridiron contests where the final results were determined even before the kickoff Moldea exposes the mob connections of many of the team owners and their startling complicity in illegal gambling operations while showing how NFL internal security has managed to quash nearly every investigation into illegality and corruption within the professional football world before it could get off the ground Provocative disturbing and controversial *Interference* is a must read for football fans and detractors alike offering indisputable proof that what s really happening on the field in the locker room and behind the scenes is a whole different ball game      *Press Braille, Adult* Library of Congress. Division for the Blind and Physically Handicapped, Includes index      *America's Game* Michael MacCambridge, 2008-11-26 It s difficult to imagine today when the Super Bowl has virtually become a national holiday and the National Football League is the country s dominant sports entity but pro football was once a ramshackle afterthought on the margins of the American sports landscape In the span of a single generation in postwar America the game charted an extraordinary rise in popularity becoming a smartly managed keenly marketed sports entertainment colossus whose action is ideally suited to television and whose sensibilities perfectly fit the modern age *America s Game* traces pro football s grand transformation from the World War II years when the NFL was fighting for its very existence to the turbulent 1980s and 1990s when labor disputes and off field scandals shook the game to its core and up to the sport s present day preeminence A thoroughly entertaining account of the entire universe of professional football from locker room to boardroom from playing field to press box this is an essential book for any fan of America s favorite sport      *The Publishers Weekly* ,1974-07      *Professional Sports & the Law* Lionel S. Sobel, 1977
