The American Empire Scott Nearing,2020-09-28 **The New Nationalism--How The Next Great American Debate Will Restore Our Country By Recasting Our Politics** Harlan M. C. Field,2012-07-10 In this book Harlan Field boldly asks modern Americans to leave behind their old politics which have placed America s greatness in jeopardy and exhorts us to pursue a new political strategy that will assure America s great tradition for its future generations As we enter a new millennium Harlan observes we stand poised to discard the crowning achievement of the last thousand years the modern Nation State The only known entity that is capable of preserving Freedom and opportunity for the individual justice for the masses a healthy environment a stable society and a vibrant economy is falling victim to the seemingly invincible juggernaut of Globalism The five cardinal prerogatives of a free people are all being surrendered with little debate and even less thought The rights of a sovereign people to formulate their own independent foreign policy to raise and command a national army to admit or exclude aliens to levy tariffs on goods of foreign manufacture and to coin their own money are under attack all over the world through such peculiar pretenders to legitimacy as the North American Free Trade Agreement NAFTA the General Agreement on Tariffs and Trade GATT and the European Union E U W e no longer can even remember what makes a group of people into a nation A common culture a common heritage a common language shared goals shared sacrifice shared progress This book is a must read for our politicians on the left and on the right lest because of party politics America is made to give into a secondary role on the world stage of ruthless politics and demagoguery **Great American Eclipse: Earthquake and Tsunami** John Hogue,2017-12-27 BRACE YOURSELF FOR UPHEAVAL AND TRANSFORMATION IN THE NEXT 5 YEARS Total solar eclipses seem to trigger seismic events upon the lands and seas their shadows touch On 21 August 2017 the lower 48 states had a solar eclipse draw its mysterious darkness of 90 to 100 percent totality over four of some of America s most dangerous seismic and tsunami generating quake zones If the pattern of seismic activity seen in the Great Eclipses of the past are repeated in the Great American Eclipse of 2017 then a series of potential major quakes of

magnitude 6 to a megathrust of magnitude 9 could follow in the next 5 years World renowned prophecy scholar and Nostradamus expert John Hogue is author of over 1 000 articles and 46 books 1 180 000 copies sold in 20 languages Hogue strives to take readers back to the present empowering them to create a better destiny through meditation The Great American Scaffold Frank Austermühl,2014-02-15 Based on extensive quantitative and qualitative analyses of a corpus of American presidential speeches that includes all inaugural addresses and State of the Union messages from 1789 to 2008 as well as major foreign and security policy speeches after 1945 this research monograph analyzes the various forms and functions of intertextual references found in the discourse of American presidents Working within an original interdisciplinary theoretical framework established by theories of intertextuality discourse analysis and presidential studies the book discusses five different types of presidential intertextuality all of which contribute jointly to creating a set of carefully manipulated and politically powerful images of both the American nation and the American presidency The book is intended for scholars and students in political and presidential studies communications American cultural studies and linguistics as well as anyone interested in the American presidency in general *The War on Terrorism and the American 'Empire' after the Cold War* Alejandro Colas,Richard Saull,2007-04-11 This new study shows how the American led war on terror has brought about the most significant shift in the contours of the international system since the end of the Cold War A new imperial moment is now discernible in US foreign policy in the wake of the neo conservative rise to power in the USA marked by the development of a fresh strategic doctrine based on the legitimacy of preventative military strikes on hostile forces across any part of the globe Key features of this new volume include an alternative critical take on contemporary US foreign policy a timely accessible overview of critical thinking on US foreign policy imperialism and war on terror the full spectrum of critical view sin a single volume many of these essays are now contemporary classics The essays collected in this volume analyse the historical socio economic and political dimensions of the current international conjuncture and assess the degree to which the war on terror has transformed the nature and projection of US global power Drawing on a range of critical social theories this collection seeks to ground historically the analysis of global developments since the inception of the new Bush Presidency and weigh up the political consequences of this imperial turn This book will be of great interest for all students of US foreign policy contemporary international affairs international relations and politics *The Rise and Fall of the American Empire* Rocky M. Mirza,2007 Dr Mirza s unorthodox but refreshing look at the history of the US and its failure to plant true democracy at home or abroad goes a long way towards explaining its failed invasion of Iraq The Trans-Mississippi and International Expositions of 1898-1899 Wendy Jean Katz,2018-02 The Trans Mississippi Exposition of 1898 celebrated Omaha s key economic role as a center of industry west of the Mississippi River and its arrival as a progressive metropolis after the Panic of 1893 The exposition also promoted the rise of the United States as an imperial power at the time on the brink of the Spanish American War and the nation s place in bringing civilization to Indigenous

populations both overseas and at the conclusion of the recent Plains Indian Wars The Omaha World's Fair however is one of the least studied American expositions Wendy Jean Katz brings together leading scholars to better understand the event's place in the larger history of both Victorian era America and the American West The interdisciplinary essays in this volume cover an array of topics from competing commercial visions of the cities of the Great West to the role of women in the promotion of City Beautiful ideals of public art and urban planning and the constructions of Indigenous and national identities through exhibition display and popular culture Leading scholars T J Boisseau Bonnie M Miller Sarah J Moore Nancy Parezo Akim Reinhardt and Robert Rydell among others discuss this often misunderstood world's fair and its place in the Victorian era ascension of the United States as a world power

Australian Security After 9/11 Derek McDougall, Peter Shearman, 2006 Australia has been an active and loyal member of the US led coalitions of the willing first in Afghanistan and then in Iraq The terrorist attacks in Bali brought home to Australia the direct nature of the new global terrorist threats to its own security This volume brings together leading experts on international security and Australia's foreign and security policies in a critical examination of Australia's adaptations to the new security challenges
