The Great Central Valley Californias Heartland:

The Great Central Valley Gerald W. Haslam,1993 Explores the natural and social history of California s agricultural heartland This book celebrates the tenacious people of the Valley where hard work and ingenuity are the means to both survival and success

The Other California Gerald W. Haslam,1993-12-01 Oildale native Gerald Haslam doesn t like it when folks dismiss the Central Valley as boring and flat In this collection of essays he argues that it is California s heartland and economic hub In addition the valley has produced a crop of gifted writers These nineteen essays range from reminiscences of childhood and adolescence to a portrait of Mexican Americans and their position in the Valley s society to a moving essay about having the author s aging father come to live with the family Even if you have never lived in the Valley reading this book will give you an entirely new perspective the next time you drive into it

Youth Involvement in Street Gangs in California's Central Valley Huan Gao,2024-11-13 This timely insightful and data led book fills a gap in gang scholarship by examining gangs in rural areas specifically focusing on youth gang activity Incorporating information from interviews with 96 active youth gang members and associates in three of the rural counties of California s Central Valley this book provides an in depth look at youth involvement in gang life in rural settings and addresses the underlying factors leading to the socialization of rural youths into gang life The book documents the family and school life of youths living in rural communities and examines the process by which they are initiated into gang activity It discusses their roles in various street gang organizations and their gang related and non gang related illegal activities It traces their experiences within the criminal justice system from initial contacts with the police to juvenile court and juvenile corrections Besides extensive interviews with the youths and official records collected from local criminal justice agencies data from more than 300 surveys of community members accompanied by extensive field research in local communities provides groundbreaking insights into a wide spectrum of issues related to gangs in rural settings While the Central Valley of California serves as the research site for this extensive work its findings are equally relevant to other rural areas in the United States and in the larger global context This volume will be of pivotal interest to students scholars and academics in the fields of criminology criminal justice sociology law social sciences and political sciences as well as policymakers criminal justice practitioners community leaders and advocates for gang prevention and intervention programs

The Central Sacramento Valley Story Howard R. Plank,2010-12-13 After describing the Central Valley of California the book focuses on the flood plain of the Sacramento River where most of the lands adjoining the river were a series of Mexican Land Grants These grants were broken into private holdings after statehood and the challenging effort to reclaim the overflow lands began The book covers the political and natural challenges in reclaiming these lands together with the introduction of a new crop rice and the development of new machines primarily the Caterpillar tractor that aided significantly in making the reclamation efforts successful

Landscapes and Landmarks of the Great Central Valley Janice Stevens,2020-07-07 A gorgeously illustrated tour of

California's heartland lovingly depicted in over 100 original watercolor paintings From Tejon Pass in the south to Mount Shasta in the north stretches one of California's hidden gems the heartland of the Great Central Valley The most productive agricultural region anywhere in the world the Central Valley is an entirely different California most tourists never see a rural land of farms and industry stunning natural beauty and historic cities populated by friendly hard working people Superbly illustrated with over 100 full color original watercolor paintings Landscapes and Landmarks of the Great Central Valley is a loving tribute to the Valley created by two native daughters award winning artist Pat Hunter and acclaimed writer Janice Stevens Hunter and Stevens take the reader on a personal tour of their home region showing the charms of the Valley's agricultural heritage natural scenery history and architecture

The Heart of California Aaron Gilbreath, 2020-11 2022 Oregon Book Award Finalist A vivid journey through California's vast rural interior The Heart of California weaves the story of historian Frank Latta's forgotten 1938 boat trip from Bakersfield to San Francisco with Aaron Gilbreath's trip retracing Latta's route by car during the 2014 drought Latta embarked on his journey to publicize the need for dams and levees to improve flood control Gilbreath made his own trip to profile Latta and the productive agricultural world that damming has created in the San Joaquin Valley to describe the region's nearly lost indigenous culture and ecosystems and to bring this complex yet largely ignored landscape to life The Valley is home to some of California's fastest growing cities and by some estimates produces 25 percent of America's food The Valley feeds too many people and is too unique to be ignored To understand California you have to understand the Valley Mixing travel writing historical recreations western history natural history and first person reportage The Heart of California is a road trip narrative about this fascinating region and its most important early documentarian

Seeking Refuge Robert M Wilson,2011-07-01 Each fall and spring millions of birds travel the Pacific Flyway the westernmost of the four major North American bird migration routes The landscapes they cross vary from wetlands to farmland to concrete inhabited not only by wildlife but also by farmers suburban families and major cities In the twentieth century farmers used the wetlands to irrigate their crops transforming the landscape and putting migratory birds at risk The U S Fish and Wildlife Service responded by establishing a series of refuges that stretched from northern Washington to southern California What emerged from these efforts was a hybrid environment where the distinctions between irrigated farms and wildlife refuges blurred Management of the refuges was fraught with conflicting priorities and practices Farmers and refuge managers harassed birds with shotguns and flares to keep them off private lands and government pilots took to the air dropping hand grenades among flocks of geese and herding the startled birds into nearby refuges Such actions masked the growing connections between refuges and the land around them *Seeking Refuge* examines the development and management of refuges in the wintering range of migratory birds along the Pacific Flyway Although this is a history of efforts to conserve migratory birds the story Robert Wilson tells has considerable salience today Many of the key places migratory birds use the Klamath Basin California s Central Valley the Salton Sea are sites of recent contentious debates over water use Migratory birds connect and depend on these landscapes and farmers face pressure as water is reallocated from irrigation to other purposes In a time when global warming promises to compound the stresses on water and migratory species *Seeking Refuge* demonstrates the need to foster landscapes where both wildlife and people can thrive

On the Dirty Plate Trail Sanora Babb,2009-03-06 Runner up National Council on Public History Book Award 2008 The 1930s exodus of Okies dispossessed by repeated droughts and failed crop prices was a relatively brief interlude in the history of migrant agricultural labor Yet it attracted wide attention through the publication of John Steinbeck s *The Grapes of Wrath* 1939 and the images of Farm Security Administration photographers such as Dorothea Lange and Arthur Rothstein Ironically their work risked sublimating the subjects real people and actual experience into aesthetic artifacts icons of suffering deprivation and despair Working for the Farm Security Administration in California s migrant labor camps in 1938 39 Sanora Babb a young journalist and short story writer together with her sister Dorothy a gifted amateur photographer entered the intimacy of the dispossessed farmers lives as insiders evidenced in the immediacy and accuracy of their writings and photos Born in Oklahoma and raised on a dryland farm the Babb sisters had unparalleled access to the day by day harsh

reality of field labor and family life This book presents a vivid firsthand account of the Dust Bowl refugees the migrant labor camps and the growth of labor activism among Anglo and Mexican farm workers in California s agricultural valleys linked by the Dirty Plate Trail Highway 99 It draws upon the detailed field notes that Sanora Babb wrote while in the camps as well as on published articles and short stories about the migrant workers and an excerpt from her Dust Bowl novel *Whose Names Are Unknown* Like Sanora s writing Dorothy s photos reveal an unmediated personal encounter with the migrants portraying the social and emotional realities of their actual living and working conditions together with their efforts to organize and to seek temporary recreation An authority in working class literature and history volume editor Douglas Wixson places the Babb sisters work in relevant historical and social political contexts examining their role in reconfiguring the Dust Bowl exodus as a site of memory in the national consciousness Focusing on the material conditions of everyday existence among the Dust Bowl refugees the words and images of these two perceptive young women clearly show that contrary to stereotype the Okies were a widely diverse people including not only Steinbeck s sharecropper Joads but also literate independent farmers who in the democracy of the FSA camps found effective ways to rebuild lives and create communities **Farewell, Promised Land**

Robert Dawson, Gray A. Brechin, 1999-01-01 Don t mistake the message of this sad and powerful book After 150 years of pillage and pollution it is time to fight like hell for California Mike Davis author of *City of Quartz* A heart rendingly splendid book for all who love California It combines stunning photographic documentation of the trashing of the state with an eloquent melancholy text that still offers guarded hopes for a green future Ernest Callenbach author of *Ecotopia* *The Lie of the Land* Don Mitchell, 1996 **Inter-Basin Water Transfer** Fereidoun Ghassemi, Ian White, 2007-01-11 Increasing
