Great Cities of the World W.A. Robson,2013-09-05 The giant city of today is a unique phenomenon Never before have such acute problems of government the provision of essential services planning social life and civilized living arisen from uncontrolled urbanization In the West and in the East in the more developed and in the less developed countries in capitalist and communist states the great metropolis represents a problem of the first importance which challenges the statesman the official the town planner the political scientist the sociologist and above all the intelligent citizen The editor has here assembled an authoritative series of studies describing the growth significance government politics and planning of twenty four great cities of the world They show how these widely scattered cities faced essentially similar problems Each study deals with the actual working of one city in the 1950s how its elective and executive bodies are organized the kind of political forces which motivate their activities the scope and character of the municipal services how they are financed The cities dealt with include Bombay Amsterdam Moscow Montreal Stockholm Rome New York London Sydney and Tokyo This book was first published in 1954 *Great Cities of the World* William A. Robson,2006-12-21 First Published in 2006 Routledge is an

imprint of Taylor Francis an informal company *Greatest Cities in the World You Should Visit* Paul J. Christopher,2006-08 Imagine holding the whole world in your hands or at least the greatest cities of the world That is exactly what this book is about The excitement and allure of the exotic beautiful legendary and famous cities of the world Fascinated by history geography travel and culture Each chapter contains little known facts and figures unique to the city its people its economy and its culture Learn everything from the basics population and square miles to the most famous sites and arts Cities are listed alphabetically making them easy to find Find out which city was chosen by the experts as the most popular and important

travel destination in the world How helpful will a little book like this be when planning that trip of a lifetime With just a quick read you can easily narrow down your travel choices to those most attractive to you Which Cities are your favorites *The Great Cities in History* John Julius Norwich,2016-08-02 A portrait of world civilization told through the stories of the world's greatest cities from ancient times to the present Today for the first time in history the majority of people in the world live in cities The implications and challenges associated with this fact are enormous But how did we get here From the origins of urbanization in Mesopotamia to the global metropolises of today great cities have marked the development of human civilization The Great Cities in History tells their stories starting with the earliest from Uruk and Memphis to Jerusalem and Alexandria Next come the fabulous cities of the first millennium Damascus and Baghdad Teotihuacan and Tikal and Chang'an capital of Tang Dynasty China The medieval world saw the rise of powerful cities such as Palermo and Paris in Europe Benin in Africa and Angkor in southeast Asia The last two sections bring us from the early modern world with Isfahan Agra and Amsterdam to the contemporary city London and New York Tokyo and Barcelona Los Angeles and Sao Paulo The distinguished contributors including Jan Morris Michael D Coe Simon Schama Orlando Figes Felipe Fernandez Armesto Misha Glenny Susan Toby Evans and A N Wilson evoke the character of each place people art and architecture government and explain the reasons for its success **World's Greatest Cities** ,2020-06-30 World's Greatest Cities is an illuminating visual guide to 30 incredible cities around the globe with annotated 3D reconstructions and cutaway models that allow you to journey right to the soul of each of them For thousands of years cities built by humans have reflected their beliefs their power their needs and their desires Palaces and prisons churches and mosques skyscrapers and suspension bridges are the tracks that history sometimes glorious often violent imprints on these cities But these cities are also the men and women who inhabit them and who stamp a unique character onto each of them The spirit of each city is also etched in the daily coming and going of the streets the hustle and bustle of the markets and in the unhurried discussions of the cafés Explore the cities of the world today that leave a lasting impression on those who visit them These cities offer rich architectural heritage and spectacular natural environments But above all they have a vitality that makes them unique They are cities that know how to grow transform and reinvent themselves without losing their essence Feel the heartbeat of the most vibrant and exciting cities around the globe Skyscrapers alongside ancient marvels are beautifully illustrated and perfectly complement the engaging text that describes the creation and history of these celebrated destinations Cities dissected are Paris San Francisco New York City Toronto Mexico City Buenos Aires Rio de Janeiro London Barcelona Rome Venice Vienna Stockholm Amsterdam Brussels Berlin Prague Athens Moscow Istanbul Jerusalem Dubai Sydney Auckland Cairo Johannesburg Mumbai Beijing Seoul Tokyo and all of their landmark sites **The Secrets of the Great City** James D. McCabe,1868 **The Secrets of the Great City** James Dabney McCabe,2024-01-21 The Secrets of the Great City is a book written by James Dabney McCabe an American author and lecturer which was first published in 1868 This work explores the social cultural

and economic aspects of life in American cities during the 19th century The book delves into the various facets of city living covering topics such as politics crime poverty education and the overall conditions of urban life James Dabney McCabe provides readers with a detailed and often critical examination of the challenges faced by city residents shedding light on both the positive and negative aspects of urbanization The narrative is likely to address issues such as industrialization immigration and the disparities between different social classes within the city The Secrets of the Great City reflects the broader societal changes occurring in the United States during the 19th century as the country transitioned from a predominantly agrarian society to an increasingly urbanized and industrialized one McCabe s observations and insights provide historical context for understanding the complexities and dynamics of American cities during this transformative period The Great Cities of the Ancient World, Etc Theodore Alois William BUCKLEY,1852 **The Age of Great Cities**

Robert Vaughan,1843 **The Great Cities of the Ancient World, in Their Glory and Their Desolation ... With Illustrations** Theodore Alois Buckley,1852 **Great City Parks** Alan Tate,2013-05-13 Great City Parks is a celebration of some of the finest achievements of landscape architecture in the public realm It is a comparative study of twenty significant public parks in fourteen major cities across Western Europe and North America Collectively they give a clear picture of why parks have been created how they have been designed how they are managed and what plans are being made for them at the beginning of the twenty first century Based on unique research including extensive site visits and interviews with the managing organisations this book is illustrated throughout with clear plans and professional photographs for each park This book reflects a belief that well planned well designed and well managed parks remain invaluable components of liveable and hospitable cities **Great Cities Through Travelers' Eyes** Peter Furtado,2019-09-03 A wide ranging anthology of travelers accounts in thirty eight of the world s most fascinating cities from ancient times through the twentieth century This entertaining new anthology includes travelers tales from thirty eight cities spread over six continents ranging from Beijing to Berlin Cairo to Chicago and Rio to Rome The volume features commentators across the millennia including the great travelers of ancient times such as Greek geographer Strabo those who undertook extensive journeys in the medieval world not least Marco Polo courageous women such as Isabella Bird and Freya Stark and enterprising writers and journalists including Mark Twain We see the work of famous travelers but also stories by ordinary people who found themselves involved in remarkable situations like the medieval Chinese abbot who was shown around the Sainte Chapelle in Paris by the king of France Some of the writers seek to provide a straightforward accurate description of all they have seen while others concentrate on their subjective experiences of the city and encounters with the inhabitants Introduced and contextualized by bestselling historian Peter Furtado each account provides both a vivid portrait of a distant place and time and an insight into those who journeyed there The result is a book that delves into the splendors and stories that exist beyond conventional guidebooks and websites **The Age of Great Cities or Modern Civilization Viewed in Its Relation to Intelligence,**
