## **The Great Garbo:**

**The Great Garbo** Robert Payne, 2002-09-06 This revealing and insightful biography of screen icon Greta Garbo contains over 100 luxurious photos from her films and her life *Greta Garbo* David Bret, 2012-06-25 In the male oriented studio system Greta Garbo wielded a power no other actress has ever possessed before or since Be it producer director lover or journalist Garbo called the shots and when she decided that she was done with the whirlwind of life as Hollywood's darling she withdrew completely leaving her public begging for an encore that never came Though there have been numerous biographies of Garbo this is the first to investigate fully the two so called missing periods in the life of this most enigmatic of Hollywood stars the first during the late 1920s forcing MGM to employ a lookalike to conceal what was almost certainly a pregnancy the second during World War II when Garbo was employed by British Intelligence to track down Nazi sympathisers It also analyses in detail the original uncensored copies of Garbo's films with the exception of *The Divine Woman* of which no complete print survives and offers substantial evidence that John Gilbert was not in fact the great love of her life Rather her true affections lay with the gay Sapphic and Scandinavian members of her very intimate inner circle Using previously unsourced material along with anecdotes from friends and colleagues that have never before been published David Bret paints a rounded portrait of Garbo's childhood in Sweden her rise to stardom and her all too brief reign as queen of MGM Hers is a truly remarkable story recounted here with warmth intensity and unique insight **The Films of Greta Garbo** Michael Conway, Dion McGregor, Mark Ricci, 2012-06-01 With An Introductory Essay By Parker Tyler *Greta Garbo* P Renoir, 2021-10-18 Greta Garbo born Greta Lovisa Gustafsson on 18th September 1905 in Sdermalm Stockholm Sweden was an actress during the 20s and 30s Garbo was nominated 3 times for the Academy Award for Best Actress having received an Academy Honorary Award in 1954 for her luminous and unforgettable screen performances The American Film Institute ranked Garbo 5th on their list of the greatest female stars of classic Hollywood cinema during 1999 Greta launched her career with a secondary role in the Swedish movie *The Saga of Gsta Berling* in 1924 Her performance caught the attention of Louis B Mayer chief executive of Metro Goldwyn Mayer MGM who took her to Hollywood the following year Garbo soon attracted attention with her first American silent film *Torrent* 1926 then her performance in *Flesh and the Devil* 1927 her third motion picture made her an international star Greta's first talking movie was *Anna Christie* 1930 to which MGM enticed the public with the tagline Garbo talks having starred in *Romance* that same year Greta received the first of 3 Academy Award nominations for Best Actress for her performances in these films Academy rules then allowing for a performer to receive a single nomination for their work in more than one picture Garbo's success allowed her to dictate the terms of her contract during 1932 having become increasingly selective about her roles her next pictures including *Mata Hari* 1931 *Grand Hotel* 1932 and *Queen Christina* 1933 Many critics and film historians regard Greta's performance as the doomed courtesan Marguerite Gautier in *Camille* 1936 to be her finest leading to her 2nd Academy Award nomination *Legends of Hollywood*

Charles River Charles River Editors, 2018-02-28 Includes pictures Includes a bibliography for further reading Her instinct her mastery over the machine was pure witchcraft I cannot analyze this woman's acting I only know that no one else so effectively worked in front of a camera Bette Davis Of all the great movie stars there may be none more enigmatic than Greta Garbo who remains internationally famous despite the fact her life and career raise more questions than answers How did a Swedish actress with very little film acting experience in her native land arrive in the United States and achieve instant stardom Most actresses had to wait years before they were offered starring roles in major films yet Garbo was ushered to the front of the line and perched atop the MGM pantheon at a time in which it was the studio par excellence How was she able to transition from silent films to talkies so fluidly giving many of her most decorated performances during the 1930s While stars like Charlie Chaplin never recovered from cinema's transition to synchronized sound Garbo flourished which is made all the more amazing by the fact she had a foreign accent that could easily have alienated American audiences and threatened her career Finally and perhaps most mystifying of all why would Garbo retire in 1941 at just 36 years of age and two years removed from *Ninotchka* arguably her most acclaimed film As unique as Greta Garbo and her career were there is no denying the impact that she had on audiences both critics and working class viewers Not only was she the most lucrative star in the country by 1928 she also provoked awe from some of the most venerable film and cultural theorists who attempted to articulate exactly what it was about her that proved so arresting Swenson Writing about her in a famous essay devoted to her face Roland Barthes asserted Garbo still belongs to that moment in cinema when capturing the human face still plunged audiences into the deepest ecstasy when one literally loses oneself in a human image as one would in a philtre when the face represented a kind of absolute state of the flesh which could be neither reached nor renounced A few years earlier the face of Valentino was causing suicides that of Garbo still partakes of the same rule of *Courtly Love* where the flesh gives rise to mystical feelings of perdition Barthes' description hints at how Garbo's face was the primary attraction of her films to the point that she achieved a spellbinding influence that made her one of the true goddesses of film history At the same time for as famous as Greta Garbo is as an actress her films are not remembered so positively if they are remembered at all While Garbo herself was nominated on three occasions for the Academy Award for Best Actress only one film of hers *Grand Hotel* 1932 was even nominated for an Academy Award for Best Picture For the most part Garbo acted in films that were seemingly well beneath her which was certainly the case with her films from the silent era During the late 1920s for example she was routinely paired with leading man John Gilbert yet out of the films they appeared in together *Flesh and the Devil* 1926 *Love* 1927 *A Woman of Affairs* 1928 and *Queen Christina* 1933 only the latter is well remembered today Even the first film for which she was nominated for an Oscar *Romance* 1930 is commemorated only by Garbo's most fervent admirers Ironically enough it was just as Garbo neared the end of her career that she was just beginning to star in more critically revered films movies such as *Anna Karenina* 1935 *Camille* 1936 and most of all *Ninotchka* 1939 *Legends of Hollywood The Life and Legacy*

**Historical Dictionary from the Great War to the Great Depression** Neil A. Wynn,2013-12-16 The period from 1913 to 1933 is not often seen as a coherent entity in the history of the United States It is more often viewed in terms of two distinct periods with the pre war era of political engagement idealism and reform known as progressivism separated by World War I from the materialism conservatism and disengagement of the prosperous 1920s To many postwar observers and later historians the entry of the United States into the European conflict in 1917 marked not just a dramatic departure in foreign relations but also the end of an era of reform This second edition of *Historical Dictionary from the Great War to the Great Depression* covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has more than 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about a vital period in U S history

*Historical Dictionary of the Great Depression, 1929-1940* James S. Olson,2001-09-30 Today when most Americans think of the Great Depression they imagine desperate hoboes riding the rails in search of work unemployed men selling pencils to indifferent crowds bootleggers hustling illegal booze to secrecy shrouded speakeasies FDR smiling or Judy Garland skipping along the yellow brick road Hard times have become an abstraction But there was a time when economic suffering was real when hunger stalked the land and Americans tried to forget their troubles in movie theaters or in front of a radio From the stock market crash of October 1929 to Germany s invasion of Norway France and the Low Countries in 1940 the Great Depression blanketed the world economy Its impact was particularly deep and direct in the United States This was the era when the federal government became a major player in the national economy and Americans bestowed the responsibility for maintaining full employment and stable prices on Congress and the White House making the Depression years a major watershed in U S history In more than 500 essays this book provides a ready reference to those hard times covering the diplomacy popular culture intellectual life economic problems public policy issues and prominent individuals of the era
