The Great Land:

Great Land Rush and the Making of the Modern World, 1650-1900 John C. Weaver, 2003 A critique of the greatest reallocation of resources in the history of the world and an analysis of its effects on indigenous peoples the growth of property rights and the evolution of ideas that make up the foundation of the modern world *The Great Land Question. Being a Verbatim Transcript of the Correspondence in Doe Versus Roe* Christopher Cavanagh, 2025-07-08 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

The Great Land Groaned Yefu , 2024-03-19 On May 12 2008 a Magnitude 8 earthquake struck China s Sichuan Province the deadliest tremor to hit China since 1976 Felt as far away 288 as Beijing and Shanghai the earthquake took nearly 70 000 lives and made an estimated 5 million people homeless Drawing concern and aid from all across China and throughout the world the earthquake summoned an unprecedented spirit of cooperation as people swarmed to the affected areas to assist in relief efforts At the same time the disaster laid bare weaknesses in the system as well as conflicts and resentments that had long been festering beneath the surface of rural society Carrying out research on rural governance in one of the affected counties at the time the writer Yefu stayed behind to observe how local officials dealt with the aftermath of the disaster Through a combination of sociological observation historical anecdotes and stirring narrative Yefu describes efforts to rebuild not only the physical structures of the disaster zone but also the spirit of its inhabitants *The great American land bubble* Aaron Morton Sakolski, 1966 **The Greatest Action Books - Ballantyne Edition** R. Rescue The Coxswain's Bride The Buffalo Runners The Hot Swamp Hunted and Harried The Walrus Hunters Wrecked but not Ruined Six Months at the Cape Memoirs Personal Reminiscences in Book Making **Unmasking the African Ghost** Cyril Orji, 2022-04-26 The story of Africa is a ghost story with two plots One is foreign or imported and the other indigenous or local The foreign plot has its origin in colonial history The indigenous plot is African in origin But both plots end in the same place African trauma and culture complex These narratives create in modern Africa a splintered consciousness and the political and economic conditions that lead to physical and psychological violence Unmasking the African Ghost is both a theological exploration of the reasons the political and economic systems in African countries have failed and a proposal for the paths toward recovery anchored in the belief that Africa is a continent continuously trying to redefine its identity in the face of Eurocentrism For the church in Africa to be a church at the service of its people theology in Africa must take misery and oppression as the context for its reflections and its reconstruction of the social order An African solution to African problems must be able to meet the needs of the time It must look to the African past to draw from its riches particularly the African sociopolitical ethic of ubuntu It must also look ahead and draw from the best available sociopolitical system of modern states liberal democracy A hybrid of these two yields ubuntuocracy Ubuntuocracy removes the ghosts of both Africa and its Western colonizers and begins a new story that can help Africa survive its double bind *Whose Land Is Our Land?* Hetherington, Peter, 2015-08-26 Food security and housing a nation with an expanding population should be key priorities for a small island like Britain Yet both are being thwarted by record land prices In the last 10 years farm land has risen by almost 200% with feeding the nation a secondary consideration to speculators buying up thousands of acres annually to avoid tax If planning permission is given for new housing prices can rise fifty fold making a vast profit for a few and home ownership a distant dream for many In this provocative book journalist Peter Hetherington argues that Britain particularly England needs an active policy to address these areas and stronger action by the government This important debate will attract interest among academics and postgraduates in planning surveying housing management rural policy and social policy political organisations the Third Sector social enterprises national housing organisations community and voluntary groups **Landmarks of Scientific Socialism: "Anti-Duehring"** Friedrich Engels, 2022-09-04 In Anti Dühring Friedrich Engels presents a rigorous critique of the philosophical and economic ideas posited by Eugen Dühring marking a pivotal moment in socialist literature Engels employs a dialectical materialist framework blending clear exposition with forceful polemic addressing complex themes such as historical materialism socialism and the nature of capitalism This text is both a defense of Marxist theory and a comprehensive toolkit for understanding the scientific foundations of socialism elucidating the mechanisms by which societal progress can occur through revolutionary transformation Friedrich Engels a German philosopher and social scientist co authored several foundational texts of Marxism alongside Karl Marx His personal experiences in the industrial revolution alongside a fellowship with Marx that emphasized mutual critique of prevailing

economic and philosophical ideas profoundly influenced his perspective Engels's engagement with Dühring who represented a reactionary trend in socialist thought catalyzed his efforts to clarify and fortify Marxist doctrine against contemporary misinterpretations Anti Dühring is essential reading for anyone interested in the intellectual roots of socialist theory and its scientific principles Engels articulates complex ideas with precision making this work accessible yet deeply enriching Scholars students and those intrigued by the dynamics of societal change will find profound insights that resonate with contemporary political discourse
