both to do and teach until the day in which He was taken up verses 1 2 to Heaven He thus infers that Jesus is still doing and teaching through His Apostles in the book of Acts Two of these are mentioned briefly in the book The chapters have been arranged in chronological order rather in order of any perceived importance **The Great Physician** George Campbell Morgan,1937 The Great Physician Physician,1824 *The Great Physician* Vinton Dearing,2009-11-22 A biography of Jesus of Nazareth the greatest spiritual healer the world has ever known It includes an original translation of the Gospel texts with extensive commentary based on 40 years of scholarship and over 80 years of life experience with spiritual healing
